## ROCK HALL ITEMS

One of the best, most inspiring, instructive and comforting sermons ever preached in the M. E. Church at this place was delivered last Sunday morning by Rev. A. H. Covey. His subject was "Sin will find the sinner out." Mr. Covey held the closest attention of the large audience from start to finish. His eloquence and force of conveying the Divine Message to the hearts and minds of his hearers, was a most agreeable surprise to many and has been the uppermost topic of discussion among those who had the good fortune to hear it, for several days of the week.

In the absence of the Superintendent and his assistant, the former Rev. Warren Burr being in Virginia and latter Mr. James Taylor being in Baltimore, the M. E. Sunday School service on Sunday afternoon was conducted by Mr. J. E. Apsley, teacher of No. 1 Men's Bible Class, in a very efficient manner without the least friction from any source. Mr. J. C. Kendall, teacher of No. 2 Men's Bible Class, made a most helpful spiritual application of the lesson for the day. Rev. J. M. Downey conducted the evening service and preached a splendid sermon. Large congregations were present at all the church services of the day.

There is much alarm manifested by farmers in this section because of the backward season, and they fear a shortage in all crops. One farmer tells us that the disappointment caused by so much wet and cold weather is for the purpose of showing people their arrogance and to humble them. There having been many months of such weather conditions. We asked him if the purpose was effective, he agreed with us that it was not so far but the desired effect would be produced in the near future when famine and other calamities would grip us then we will be too glad to fall in line with the Divine Will.

Mrs. J. Frank Stevens and son, of Baltimore, are the guests of relatives and friends at this place.

High School Commencement exercises were held in K. of P. hall on Thursday evening and was a scene of life and beauty. All the participants acquitted themselves most instructively and entertainable before a crowded house.

Miss Ada Joiner and Mr. Walter Wirt, a popular young couple of this place, decided to pool their interests and launch out on a matrimonial voyage, accordingly on Wednesday morning they were made one by Rev. Mr. Burr and immediately took the steamer for Baltimore where the groom has a lucrative employment. A wedding supper was served in honor of the young couple at the home of the bride's brother, Mr. Frank Joiner, on Tuesday evening. The happy couple has the best wishes of a very large number of our people for a long and blissful voyage.

One of the biggest surprises to many here in a long time was the decision of Capt. Harry Hogans to become a benedict. He is one of our most popular skippers and we all thought he had determined to sail lifes journey in bachelorhood, but, not so, and on Wednesday cast off mooring lines and sailed away on an extraordinary trip over the ocean of matrimonial bliss. The happy bride is an up the county lady and a host wishes the happy couple all the joys possible, and at the same time we have a crow to pick with you for not taking one of the many pretty girls of R. H. for your mate.

Politicians were thick as hops down here Wednesday and they were doing heroic work in vote getting.

Notwithstanding the inclement weather the M. P. festival was largely patronized Wednesday evening.

Franklin H. Harper is dead! How we shall miss his cheerful, familar countenance, both at the official church meeting and in the more public services of the house of God. His friendship was of that true sincere nature most lasting and attractive. He was an earnest Christian of a modest retiring disposition, a gentle loving nature which attracted all who knew him. Our departed friend was more than a Methodist, he was a Christian in the broadest sense.

## STYLE and SERVICE

OF ALL the seasons we like summer best—it brings to us youth and vitality—fresh air and freedom—out-door life and out-door clothes—and half the joy is because of the clothes.

They are prettier, far, than in any other season, and the most pleasing feature is they are less expensive—this is particularly true of our store.

The very newest things in Ginghams, Muslins, Lawns, Batiste, White Goods, Printed Wash Goods, Sheer Chiffons; in fact, every other fabric dear to the heart of the women and the joyous spirit of summer are here, and coupled with them you'll find the latest styles and excellent service. Make your selection here and your summer wardrobe will reflect your taste and good judgment and the cost will cause you to wonder.

## Some Dainty Footwear

It is a source of great pleasure to a woman, who loves dainty *Footwear*, when she runs across a charming selection of new, fresh styles in Oxfords, Slippers and Pumps such as we are showing. Every lady who visits this department exclaims: "HOW BEAUTIFUL THEY ARE!" The woman who can't be pleased with the Slippers and Pumps shown by Jefferson this season will have a hard time getting pleased.

## Millinery! Millinery!

This has been an unprecedented season in our Millinery Department. Our trimming room has been taxed to the utmost night and day. The styles never were more attractive and charming, the trimming never more varied and beautiful, and the prices never so paltry and pleasing. Yet with the vast number of hats that have been turned out, we have a plentiful supply for the unfortunate ones—those who have as yet been unable to buy. We are showing the daintiest things in Trimmed and Untrimmed Hats and Sailors, and a gorgeous array of Trimmings, such as Flowers, Ribbons, Plumes, Grass, Feathers, etc.

## 3-inch Ribbon, 10c yd.

We have, while it lasts, some exceptionally good values in ribbon. They are all silk, in black, white, blue, pink and red. Regular 15c quality at 10c a yard, while they last.

## Muslin Remnants

We have just received a consignment of short ends of Muslins of especially good values. They run in lengths of from 1 yard to ten yards to the piece. Price per yard only 8c.

## Lawns

Our Summer supply of Lawns is now complete with all the nice things of the season. No old stock carried over from last year. We always clean up from one season to another, so when you buy a Lawn here you can rest assured you are getting the newest.

## White Shirt Waist Suits and Skirts

Last season was our first venture in this department, and we were so well pleased with the results that we have more than doubled our supply of last season, and now you can find the most nobby things that you ever saw all ready to put on. We have them in White Lawn, also the Linen and Pure Linen fabrics, from $2.50 up to $6.00 for the full suit; also the Separate Skirts of Linen, from $1.50 up to $3.00.
