SARATOGA STYLES.

Breakfast Dresses, Hats, Shoes, Canvas, Bronze, Tan & Patent Leather; Advent of the Green Parosol, White Embroidered Linen, Afternoon Dresses, Large Sailor Hats.

There is but one Saratoga—one place only which presents such varied attractions. The medicinal waters; the beautiful trees and walks, the fine hotels, the incoming and outgoing tide of travel, a never-failing source of amusement, the delightful morning and evening concerts on notel verandas, and above all, when one has jewels and elegant gowns, Saratoga is the field for display. Hotel and boarding house piazzas look like flower beds in full bloom, so great is the variety of this season's color, at the same time modified by the still existing "fad" for white.

FOR THE EARLY MORNING HOURS.

Linen tailored waists make quite a showing, and some have a decidedly military air, with straps across the front finished by pearl buttons, a tuck and narrow bretelle crossing the shoulders. White Marie Antionette waists, white figured percale and cross-barred batiste waists are all fashionable with the never-to-be-displaced black skirt. Lingerie hats, which by-the-way have taken on a more elaborate air than at the beginning of the season, are worn with any morning dress, and stitched linen with a large white pompon, is also patronized, but seekers after novelties sport the Panama hat, trimmed by a simple, fringed scarf.

SHOES.

The striped canvas shoe with a gay bow on the instep, although one of last season's favorites, reappears for morning and tan or white canvas were never more popular. Black patent leather is best adapted for afternoon or evening, and either the sandall slipper or the tie is equally stylish. Bronze footwear is "just the thing" with any toilette, except one for a ball or some other ceremonious occasion, upon which satin slippers with hand embroidery and a Rhine-stone buckle or chiffon rosette are indispensable. White washable calfskin combined with tan, in high shoes for outing, have been adopted by the fashionable class, and are even more readily cleaned than canvas. The "diamond tip" stamps a shoe as belonging exclusively to this season.

AFTERNOON DRESSES.

Many foulard silks are seen on veran

The above design is by the McCall Co. of New York, Fashion Publishers and Manufacturers of McCall Patterns.

das, in Congress Park or the main streets, some made in jumper styles others in the skirt and small blouse. Lingerie dresses in princess style are so numerous and varied that to describe them would be an endless task. Princess dresses in blue, pink or white silk, trimmed with lace, and worn by the really young, are among the sweetest and prettiest costumes seen here. Nets also are very charming, some trimmed by puffs of colored satin on skirt, waist and sleeves, and others are embroidered in colors with contrasting colored silk beneath.

LARGE SAILOR HATS

are in great favor here, both for morning or afternoon, with large bows of ribbon or hemmed taffeta silk at the front. A peculiar hat immense bows of white Brussels net, the edges finished by straw braid, and at the centre of the bow is a cluster of small flowers.

VERONA CLARKE.

Field Syndicate, Station W.

MISS ANNA JUMP, of Queen Anne, caught a runaway team owned by A. E. Holsinger, on Monday. The horses were pulling a farm wagon and became frightened and dashed through the town. Miss Jump was in the office of a dentist, where she was about to have some teeth extracted. She jumped from the dental chair, ran out into the street and grabbed both horses by the bridels, holding them unto the owner arrived. In the excitement a negro man ran over a six-year-old boy and broke his shoulder blade.

Thousands Have Kidney Trouble and Don't Know it.

How To Find Out.

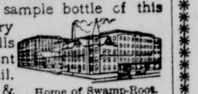

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of **Swamp-Root** is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and $1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Home of Swamp-Root.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp Root, and the address, Binghampton, N. Y. on every bottle.

G. B. BURHANS TESTIFIES AFTER FOUR YEARS

G. B. Burhans, of Carlisle Centre, N. Y., writes: "About fours ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble." Sold by all druggists.
