SATURDAY, JULY 13, 1907.

DEMOCRATIC PRIMARIES.

In accordance with the action of the Democratic State Central Committee, the Democratic voters of Kent county will meet in their respective Election Districts and Precincts, at the usual places for holding primary elections on Saturday, July 27th, 1907, between the hours of two and six o'clock p. m. for the purpose of appointing six delegates from each district to meet in Chestertown, Maryland, on Tuesday, July 30th, 1907, at 11 o'clock a. m., to elect delegates to the Democratic State Convention to be held in Baltimore, Maryland, on the 8th day of August, 1907, for the purpose of nominating candidates for Governor, Comptroller of the Treasury, Attorney General and Clerk of the Court of Appeals. And also, to elect delegates to the Democratic Judicial Convention to be held in Centreville, Maryland, on the 15th day of August, 1907, for the purpose of nominating two candidates for Associate Justices of the Second Judicial Circuit of Maryland.

If there be any contest for the election of delegates and a desire is expressed for a vote, each district shall have judges and clerks and shall open and close the polls at the hours herein prescribed, and when polls are opened, shall receive the votes of all Democrats offering to vote, whose names shall appear upon the registration books and who shall vote in the districts where they are registered, and shall also receive all the votes of all young Democrats, who, on account of their age are not now registered but who will be entitled to registration and to vote at the ensuing November Election. And, upon the closing of the polls at the hours herein directed the judges shall proceed to count the votes cast, and shall certify to the person receiving the highest number of votes as delegates. Whereupon it shall be the duty of said delegates to proceed to Chestertown on said Tuesday in July and cast the vote of the district in convention and elect delegates as aforesaid to this convention.

Should no desire be expressed for a ballot, then the district meetings may select delegates by a viva voce vote, or by committee nominations. The mode of procedure herein prescribed must be strictly followed, any other method will not be legal.

Political Notes.

The Baltimore Sun of Saturday published a column editorial portraying the excellent characteristics of Joseph D. Baker as the Democratic candidate for Governor. But, the same article says that inasmuch as he would not join a club in which liquor was sold he had arrayed the drinking class against him and *therefore* he was not an available candidate. Shame on the Democracy of Maryland that would listen to any such argument! To allow 10,000 whiskey voters to dictate the nomination, as the Sun suggests, of a Democratic Governor who heretofore has received 128,000 votes is surely a case of allowing the tail to wag the dog. While we are for the strongest man that can be nominated, yet we do not want to be a party to following such reasoning as the Sun makes to secure said candidate.

The suggestion of a conference to be held in Baltimore next week among certain leaders of the Democratic party in order to select a candidate for Governor does not meet with favor in Kent. If certain leaders want to be heard as to their choice let them attend the State Convention as delegates. That is the place to confer and to select a candidate. We believe the man named by this convention will be elected Governor, whereas if he be the choice of a few leaders selected without consulting the representatives of the people he will be defeated. There are reasons for a consultation but there are greater ones against it. Let the Convention pick the man.

The friends of P. B. Hopper, Esq., in Queen Anne's are urging him as a candidate for Judge. They state that his health has improved and that his hearing is much better. Every county has a favorite son. The Cecil Democrat says, "With Mr. Crothers out of the field Cecil county will probably not have a candidate for the Democratic nomination for judge, unless Mr. Albert Constable should see fit to accept it. If he should there would be little doubt of his nomination and election."

The suggestion in the NEWS last week that Judge A. L. Crothers be the candidate for Governor met with a hearty welcome throughout the Shore. The suggestion of his candidacy has excited much enthusiasm in Cecil county. Local pride is touched, and much interest is expressed by both Democrats and Republicans. It is believed in Cecil that his nomination will be strong throughout the State in all factions of the party.

Thomas Perry, of Salisbury, has announced his candidacy for the Democratic nomination of State comptroller. Mr. Perry is one of the best-known Democrats in that section of the state. For many years he was editor of the Salisbury Advertiser, and has been a man of much influence in party affairs. Mr. Perry will have the strong indorsement of ex-Governor Jackson for the nomination, and if the ex-Governor is at all anxious for his nomination there will be more than an announcement attached to his candidacy.

Mr. Perry would make a good campaigner. He has quite a large acquaintance throughout the state. His training has been along financial lines, and even his opponents could hardly point out a weakness as to his ability to fill the office properly.

Hon. Philips Lee Goldsboro is said to be the candidate decided upon for the Republican nomination for Governor. And its all because the Eastern Shore money barrel (Wm. H. Jackson) is for him!

A HEARING was held Thursday in Chestertown before Referee S. P. Townshend in the bankruptcy case of Mrs. Irving Walker and a number of accounts disputed. A final hearing will be given next Thursday.

THE Elks will own Philadelphia next week. Baltimore will send a delegation of 800 men. "Hello, Bill," will resound from bar to bar and "everybody happy" be echoed from every lip.

COL. J. C. NORRIS, a well-known hotel proprietor of Easton, and Hon. Wilfred Bateman, secretary of State under Gov. Smith, died this week in Easton. In their deaths that county and the State have lost two loyal and energetic citizens and the Democratic party two faithful members.

THE Federal Government has instituted proceedings for the dissolution of the Tobacco Trust. The Government charges that the American Tobacco Company and its 65 subsidiary corporations have united in an effort to secure a monopoly of the entire tobacco trade of the United States. To this end it is charged that companies have been acquired or formed to control every branch of the business. It is declared that the trust now controls 80 per cent. of the cigarettes, smoking and plug tobaccos now produced in this country, 95 per cent. of the snuff, 95 per cent. of licorice products, 75 per cent. of small cigars, about 15 per cent. of cigars and stogies and 80 per cent. of tinfoil products.

Farming Notes.

It is said that the recent wet weather and cold nights have killed the San Jose scale in Kent peach orchards as if by magic, so that it is an ill wind that does not blow some good.

A reunion of Lockard-Strickland families, of Cecil county, was held recently at Elk Neck four miles south of North East, to commemorate the ninetieth birthday of Mrs. Ann Lockard, widow of John Lockard who died about eight years ago.

Mrs. Lockard, who is enjoying remarkable good health and attends to her household duties, in addition to tilling a 12 acre lot is the mother of nine children all living the eldest, aged 71 and youngest 51 years, 84 great-grandchildren and four great-great-grandchildren.

Seventy-two children and grandchildren were present at the reunion representing the principal families in the Neck—the Pughs, McKinleys, Worths, Stricklands, Crossans, and Deputys. The descendants of Mrs. Lockard are all engaged in farming.

The outlook for a fine crop of white potatoes never was better.

The first wheat threshed in this section was the crop of Mr. H. P. Skipper on Primrose Manor who began yesterday.

Some wheat was standing in Kent County on Thursday, July 11th, too green to cut!

Gooseberrries have proven a paying crop. Messrs. Thos. Trew and Charles Skirven have been among the fortunate ones. One farmer in lower Kent realized $800 on his crop while another shipped several barrels for which he got $200.

KILBOURN & WARREN, Fairlee, have done the farmers of that vicinity, a great favor by the purchase of Fairlee Creamery from Keyser & Staats and re-starting it. The creamery had been idle about a week with but little prospect of revival when these merchants stepped in and resumed operations. It deserves a liberal patronage. Pay will be made by test.
