FOR SOCIAL EQUALITY

"The Afro-American Council," an aggregation of negroes held its annual session in Baltimore last week and indulged in some talk calculated to incite the more insolent and criminal of the race to acts of violence.

To judge from the published reports the sole object and purpose of the organization is to push the negro out of his place; to insist upon his recognition by the white people as their equal both socially and politically, and to make this claim in the most positive and impudent manner.

They discussed the various questions affecting their race such as lynching, disfranchisement, Jim Crow laws and the Brownsville incident, all being pointed to as evidences of the great wrongs that the white people and the government were inflicting on this greatly persecuted race.

One individual, a so-called bishop, was particularly rank in his remarks, going so far as to say that social equality for the negro meant "the right to stand on the same footing with a white woman as that on which a white man stands with her."

This declaration tells the whole story, epitomises the intention, the ambition of the negro, which has as its fountain head the brutal lust of the race. This bold statement of this negro preacher, made openly in the southern city of Baltimore, should challenge the attention of all white men and particularly those of Maryland.

What greater incentive can the white men of Maryland want than this bold, brutal utterance of this negro bishop from the north? Openly avowing that the aim of the race is social equality to the extent of inter-marriage, and urging the members of his race to strive for this high objective. It should make every white man in this State resolve to do all in his power to thwart this avowed intention of the negro.

While it is true that the one crime for which lynching is a just punishment does not need such declarations as the above to produce it, yet such declarations, coming from a source that the ordinary negro would consider high authority, has a tendency to stimulate and encourage the lustful inclination of the race, and for that reason alone is a most dangerous doctrine to advance. Instead of counseling his people to obey the law, respect their betters and strive to deserve the aid and encouragement of the whites by honest industry in the field that the Creator evidently intended they should occupy, this preacher seeks to inflame them, to stir up their evil passions and to teach them to rebel against a government which from a mistaken philanthropy has for years been petting them and acting as their guardian.

The lesson in this occurence is that the demand of the negro for social equality is not a mere political dodge, used by campaign orators and writers for political effect, but it is an ugly menacing fact that must be dealt with as a deadly serpent would be approaching a sleeping child. It is one of the vital questions of the day and will before long call upon every white man to take his stand in behalf of the sanctity of his home.—*Cecil Democrat.*

TURNER ATTACKS FLAG

Negro Bishop Declares he Despises it And Country.

New York, June 30.—Bishop Henry M. Turner, the Senior Bishop of the African Methodist Episcopal Church of America, made a sensational speech attacking the country and flag at the annual session of the New York Conference of the church in the Bridge street (Brooklyn) Church yesterday. The Bishop advocated emigration of the blacks to Africa, and his remarks were warmly applauded. Yesterday's attack was only one of several the Bishop has delivered since the conference began on Wednesday.

Bishop Turner's remarks came when he introduced to the conference Dr. D. French Hurley, of New Jersey. He instanced what he said was the widespread prejudice against the colored race in this country, and declared that his loyalty to the country was like the loyalty of Jefferson Davis.

The Bishop said Dr. Hurley had been in eighteen battles and twenty-five skirmishes during the Civil War, and swore that he was a white man in order to fight for the American flag.

"I used to love the American flag once myself," the Bishop declared. "But I now despise it, because America is the most horrible color-prejudice nation on earth. Here negroes can be lynched, burned alive and skinned, and nothing is done about it.

"I know that I have been criticised and called a fool because I believe in negro nationality, but I don't care any more for my critics than I do for the bark of a dog.

"Here we are proscribed because of the whimsical prejudice of misanthropes, and we are just sitting down and whining. We must get up and move to Africa, and I don't apologize for advising the negroes to leave a country that is saturated with prejudice."

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood.

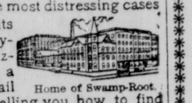

If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's **Swamp-Root,** the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp Root, and the address, Binghampton, N. Y. on every bottle.

G. B. BURHANS TESTIFIES AFTER FOUR YEARS

G. B. Burhans, of Carlisle Centre, N. Y., writes: "About fours ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble." Sold by all druggists.
