MESSRS. EDITORS:

The closing of stores by the merchants of Chestertown at 7 p. m. except Saturdays during the heated term is certainly commendable and the interest manifested by the ladies in the movement is fully appreciated by the clerks and public generally. Keep the good work moving and fit yourselves physically for fall business. As the merchants of about every town on the shore realize the necessity of some little respite from business and we are sure that very few if any will object to the small sacrifice, hence the good work will continue.

GALENA NOTES.

Farmers are busy now trying to finish working their corn and arrange for their threshing. One farmer near here has gotten 28 bushels per acre. The prospect is for a good crop.

Mr. A. W. Woodall has moved into Mrs. Horsey's house while he builds his house at Georgetown. We understand Mr. A. M. Culp, of Chestertown, is contractor for Mr. Woodall and that it will be a handsome brick building.

Houses are scarce in Galena, all the rentable houses being rented for year 1908. Several more houses could find tenants.

The old hotel lot in the center of our town is an eyesore to Galena. It is now allowed to grow-up in weeds and bushes though there is a town ordinance specially opposed to such. As we have no bailiff it seems to be nobody's business to look after the beautifying of the town and keep the vacant lots cleared.

Hon. Murray Vandiver visited Mr. F. P. Cochran and spent the day with him last Sunday. Whether he was on a political tour or social visit we know not, but we can imagine a lot.

Politics about here have quieted down wonderfully.

It is hoped that the conference soon to take place in Baltimore among the great lights of the party will recommend such good men for the State offices that all Democrats can vote and work for them with enthusiasm.

The automobiles that pass through here do not seem to pay any attention to the State law as to speed, as they go very fast.

ROCK HALL ITEMS

Alexander's force in the big department store on Saturday did not let the heavy rush prevent them from presenting each customer over the dry goods counters a pretty fan.

Dairyman Coburn on his daily route is accompanied by his little son, thus the boy is becoming familiar with the route and getting instructions on all points pertaining thereto, preparatory to taking the father's place in the near future. Should the youngster assume charge on the route it is hoped that he will be regular and continue to serve the patrons with as fine a brand of milk and other products as the sire has done.

Not a few of the house keepers and those of a nervous ailment are glad that Uncle Sam's humbuggery in sham fighting is at an end. The heavy firing was quite annoying in that china and glassware was kept rattling dangerously on the chiffoniers and closet shelves in a number of the dwellings in this section.

Since Independence Day Mr. Wm. R. Larrimore has been wearing a smile that wont come off. On that day the stork with a patriotic swoop entered the home of Mr. and Mrs. Larrimore, in Hylandtown, and left with them two bouncing babies, a boy and girl, hence that broad smile. Its a wonder Will has not been over in Rock Hall and made report. Unfortunately, later a report has it that the boy is not doing well.

Maxwell Ryan and several other boys of this place have struck a snap of plenty of work, good pay and general good treatment on the Tolchester farm this summer. This lays all over crabbing, fishing and otherwise prowling about the water for a summer's livelihood. The employer is so well pleased with young Ryan that there is talk of keeping him on the farm. If he knew what was good for himself he would offer no objection to such arrangement.

Since the warm weather set in the corn tillage in these parts has taken on a fine showing where despondency reigned with our farmers. Now bright hope for more than a two third crop prevails.

The new tonsorial artist Mr. Howard, who has taken up his residence in this town, was in full swing Saturday evening. His parlor adjoining the bakery, was crowded with patrons. Messrs. Maslin and Penn, the other two artists here, will have to look to their laurels now.

A crew of the up-river fishermen made one haul too many a few days ago, as a consequence, Capt. Ashley of the police schooner boarded them and piloted them to the magistrates where they forked over the cold cash for their release.

Purse netters are in the dumps. No fish is the cause.

Crabbers too are in the dumps. There are lots of crabs but prices received will scarcely keep them out of Commission men's debt. These circumstances are of but short duration, in a week or so both callings will be booming.

Leary's factory is turning out nearly 5,000 baskets daily. 17 nailers are at the bench

Mr. R. S. Crew has constructed a first class cement pavement in front of his dwelling which makes a decided improvement in appearance and convenience.

Our farmers were unfortunate this week in their threshing operations by the rains.

Bully Glenn Echo! Many here are watching the out come of Uncle Sam's cohorts to ride rough shod over her.

Peaches, apples and plums are ripe with us so we have no fear of dull appetites.

St. Swithin fooled some of our farmers and as a consequence considerable quantity of hay was caught out in Wednesday's big rain storm.

OBITUARY.

MRS. ELFREDA W. JESTER.

"In the midst of life we are in death." Death is sad on all occasions, but it is particularly sad when one so young as our dear friend, Mrs. Elfreda W. Jester, wife of Mr. James A. Jester, of Lear Still Pond, was taken just in the bloom of womanhood. It is with the deepest sorrow we note her sudden and unexpected death. She was before marriage Miss Elfreda W. Toulson, of Double Creek, Queen Anne's county. She was 21 years of age. Her disposition was of a bright and lovable nature and her smiles were for all. She leaves a large circle of friends who will miss her sadly, but we will console ourselves with the assurance that she has only fallen "asleep in Jesus." "Gone but not forgotten." Heart-felt sympathy is extended to the grief-stricken husband, mother, father and brother. Rev. Burdette, of Crumpton, conducted the funeral services, while Mr. Krusen of Still Pond, took charge of the body. Her remains were brought back to her childhood's home and interred in the family burying ground at Double Creek, Providence M. P. Church.

"She will never be forgotten
Never shall her memory fade;
Sweetest thoughts shall ever linger
Round the grave where she is laid."

Eliza Thomas vs. Frank Thomas.

In the Circuit Court for Kent County, Maryland, in Equity. No. 1627.

The object of this suit is to procure a decree of divorce "a vinculo matrimonii" in favor of Eliza Thomas and against Frank Thomas.

The Bill of Complaint states that for more than two years last past Eliza Thomas has been and still continues to be a resident of Kent County, Maryland. That on or about November the 6th, 1902, she was married to Frank Thomas at Pomona, Maryland, by Reverend J. W. Bond; that two children have been born as a result of said marriage, namely, Charlotte Unice Thomas, who is now about three years old, and a baby who died in November, 1906, when about three months old; that though the conduct of the said Eliza Thomas towards her husband, Frank Thomas, has always been kind, affectionate and above reproach, he has not been true and faithful to her; that sometime in April, 1906, the said Frank Thomas, without provocation, deserted the said Eliza Thomas, which said abandonment was deliberate and final, has continued uninterruptedly up to the present time, and that since said abandonment he has not contributed to the support of his wife, but she has had to earn her own livelihood; that the said Frank Thomas on divers times since the said marriage, to wit, during the year 1906, has committed the crime of adultery with one Elizabeth Johnson, in Kent county, aforesaid, and with divers other persons whose names are unknown to your Oratrix; that your Oratrix has not lived nor cohabited with the said Frank Thomas since she discovered his said adulteries; that the Defendant, the said Frank Thomas, is a non-resident of the State of Maryland and now resides in Chester, Pennsylvania.

It is thereupon this 19th day of July, A. D., 1907, ordered by the Circuit Court for Kent County in Equity, that the Complainant by causing a copy of this order to be inserted in some newspaper published in said Kent county once in each of four successive weeks before the 19th day of August, A. D. 1907, give notice to the said non-resident defendant of the object and substance of this bill warning him to appear in this Court either in person or by solicitor on or before the 6th day of September A. D., 1907, to show cause, if any he has why a decree ought not to be passed as prayed.

The Ladies' Store. Chestertown, Md.

JEFFERSON

STYLE and SERVICE

OF ALL the seasons we like summer best—it brings to us youth and vitality—fresh air and freedom—out-door life and out-door clothes—and half the joy is because of the clothes.

They are prettier, far, than in any other season, and the most pleasing feature is they are less expensive—this is particularly true of our store.

The very newest things in Ginghams, Muslins, Lawns, Batiste, White Goods, Printed Wash Goods, Sheer Chiffons; in fact, every other fabric dear to the heart of the women and the joyous spirit of summer are here, and coupled with them you'll find the latest styles and excellent service. Make your selection here and your summer wardrobe will reflect your taste and good judgment and the cost will cause you to wonder.

Some Dainty Footwear

It is a source of great pleasure to a woman, who loves dainty *Footwear*, when she runs across a charming selection of new, fresh styles in Oxfords, Slippers and Pumps such as we are showing. Every lady who visits this department exclaims: "HOW BEAUTIFUL THEY ARE!" The woman who can't be pleased with the Slippers and Pumps shown by Jefferson this season will have a hard time getting pleased.

Millinery! Millinery!

This has been an unprecedented season in our Millinery Department. Our trimming room has been taxed to the utmost night and day. The styles never were more attractive and charming, the trimming never more varied and beautiful, and the prices never so paltry and pleasing. Yet with the vast number of hats that have been turned out, we have a plentiful supply for the unfortunate ones—those who have as yet been unable to buy. We are showing the daintiest things in Trimmed and Untrimmed Hats and Sailors, and a gorgeous array of Trimmings, such as Flowers, Ribbons, Plumes, Grass, Feathers, etc.

3-inch Ribbon, 10c yd.

We have, while it lasts, some exceptionally good values in ribbon. They are all silk, in black, white, blue, pink and red. Regular 15c quality at 10c a yard, while they last.

Muslin Remnants

We have just received a consignment of short ends of Muslins of especially good values. They run in lengths of from 1 yard to ten yards to the piece. Price per yard only 8c.

Lawns

Our Summer supply of Lawns is now complete with all the nice things of the season. No old stock carried over from last year. We always clean up from one season to another, so when you buy a Lawn here you can rest assured you are getting the newest.

White Shirt Waist Suits and Skirts

Last season was our first venture in this department, and we were so well pleased with the results that we have more than doubled our supply of last season, and now you can find the most nobby things that you ever saw all ready to put on. We have them in White Lawn, also the Linen and Pure Linen fabrics, from $2.50 up to $6.00 for the full suit; also the Separate Skirts of Linen, from $1.50 up to $3.00.
