THE FAMOUS PREACHER OF THE CITY OF CHURCHES.

Pastor Russell of the Brooklyn Tabernacle---America's Ubiquitous Preacher---His Remarkable Foreign Tour and His Return. Comments of Foreign Journals on His Work.

[From the London (England) Christian Globe, May 5, 1910.]

SINCE the days of Henry Ward Beecher and Dr. Talmage no preacher has occupied so prominent a position in the United States of America as Pastor Russell of Brooklyn Tabernacle holds today. Now we on this side of the Atlantic are to be privileged to listen to the man the announcement of whose name fills to overflowing the largest halls in the United States.

Pastor Russell will be the principal speaker at the meetings of the International Bible Students' association's meetings, which are to be held at the Albert hall on the evening of Sunday next and the two following Sundays. He will in addition visit during the next three weeks the principal cities and towns in England, Scotland and Ireland.

PASTOR RUSSELL IN CHARACTERISTIC ATTITUDE.

Like Beecher and Talmage, both of the same City of Churches, Pastor Russell is an independent teacher, not allied to any particular denominational organization, giving his time, his strength and his great powers of oratory to the molding of public thought "with malice toward none, with charity for all." Above all, the pastor may be described as strictly orthodox.

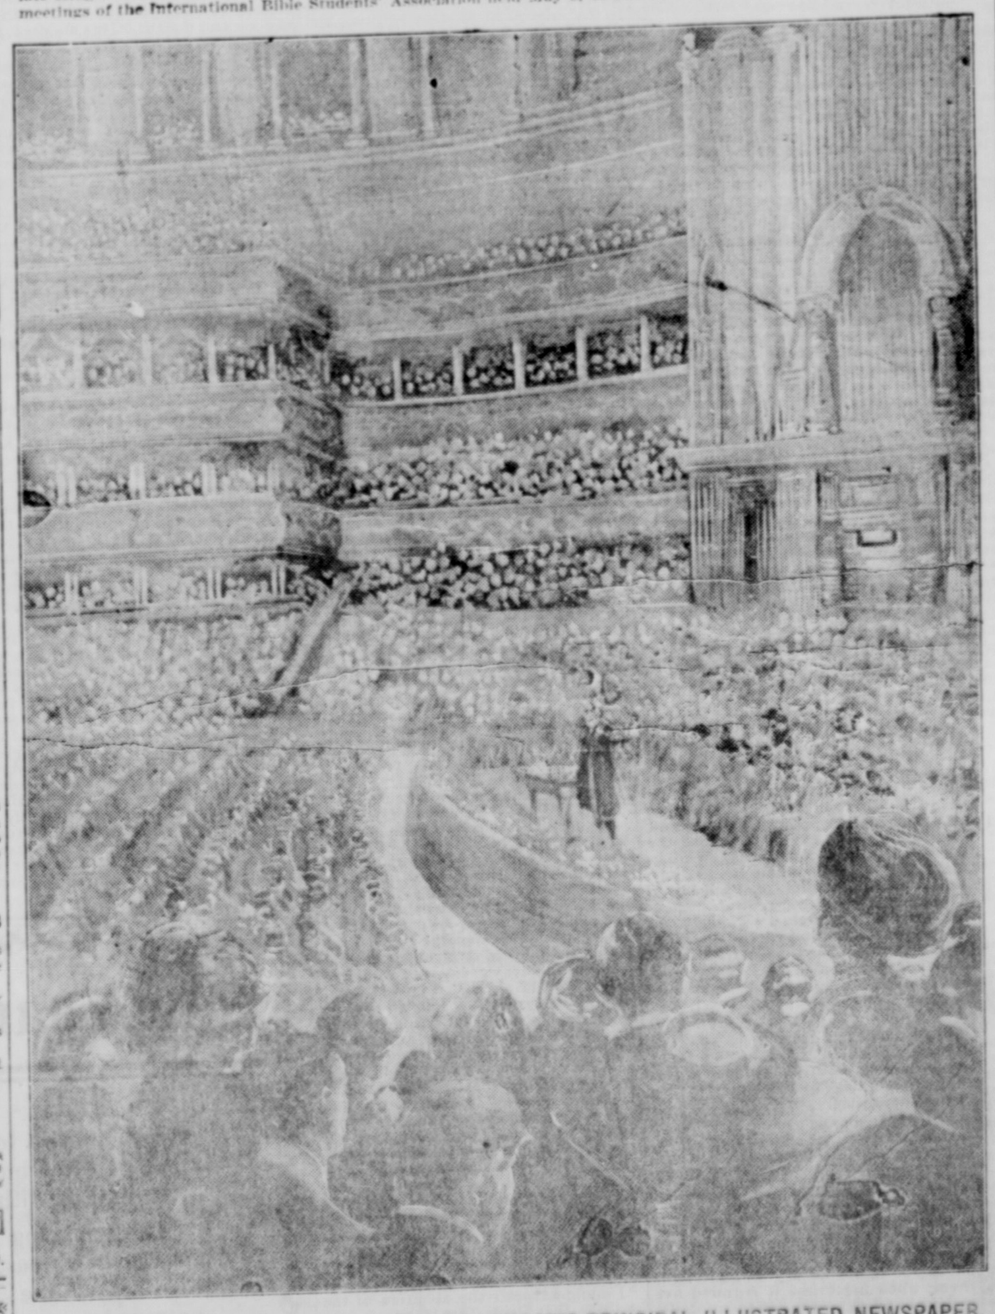

Although Pastor Russell holds to the Bible tenaciously, he claims to have proved that on some points it has been misunderstood by both friends and foes.

In his search for a basis upon which to build his hope for future bliss he undertook a lengthy investigation of the claims of Confucius, Mohammed, Buddha and other founders of religion. These he found to be unsatisfactory to either heart or head. Almost without hope, he took up the systematic study of the question of the punishment for sin. His findings were such as to restore perfect confidence in the Bible as God's inspired word and revelation.

Over 600 leading American newspapers now publish Pastor Russell's sermons weekly, reaching approximately 10,000,000 homes. He is also author of works entitled "Studies in the Scriptures," over 5,000,000 copies being in the hands of readers. The sixth million is now in the press. This is a remarkable testimony to the popularity of his teachings. Pastor Russell is now on his way to London, having just revisited the pyramids and Palestine. It is expected that his recent investigations will have much to do in still further unsealing the mysteries which for centuries have been kept secret by that "Stone Witness." The Great Pyramid is the subject of an important chapter in one of his books, in which he makes some most interesting applications of the published measurements made by the late Piazzi Smyth.

PASTOR RUSSELL SPEAKING IN ROYAL ALBERT HALL.

The Royal Albert hall, London, England, is the largest and finest auditorium in the world. It was here that Pastor Russell delivered his now famous remarks of consolation and comfort to the bereaved royal family of the late King Edward VII. Pastor Russell was the principal speaker in the three Royal Albert hall 1910 Sunday May meetings of the International Bible Students' Association held May 8, 15 and 22 respectively. His opening remarks on the Sunday evening following the death of King Edward VII. were well received by the British public, being enabled to and published by the various leading papers in New York city. During his European tour the principal London and New York newspapers made very favorable comments concerning Pastor Russell and his work.
