FARM WAGONS

We are building this year a better Wagon than we have ever been able to build before in our experience.

We have made many improvements in the construction.

We have better material and the workmanship is hard to beat.

Our WARNER WHEEL WAGON at the price formerly asked for the plain hub is a WONDER.

You want to see this Wagon to appreciate its real value.

Plain hub wheels at lower price than for several years.

If you have any intention of buying a Wagon this year, either March 1st or for July 1st delivery, come see us now and place the order as our supply will be limited on account of lack of time to complete the number we had hoped for. Call us up, write or come and see.

THE CHESTERTOWN BANK OF MARYLAND

CHESTERTOWN And GALENA, MD.

We take this occasion to thank our many friends for the generous patronage extended to both branches of this bank during the past year, and we would remind those who are not doing business with us that the New Year is a good time to start an account.

Whilst your best friend may fail you in time of need, a bank account is always behind you.

Deposit each week a small part of your income in our Savings Department, where interest is allowed, and at the end of the year you will be surprised at the amount you have saved.

We invite you to MAKE OUR BANK YOUR BANK.

The Chestertown Bank of Maryland

Don't Worry ..Be Happy..

"MONEY TALKS," and when it is in our bank it keeps saying, "Don't worry, I'm here." The more money you have in the bank the louder it talks. Educate your children in banking and money matters as well as in books. The best way to teach them is to let them have an account with us. The Women and the Bank Account have been separated too long. The best place for them to get together is at the Kent County Savings Bank. We will cheerfully explain any points you do not understand. SEED TIME AND HARVEST. Harvest follows seed time. Likewise, riches follow the opening of a savings account. Have you one with us at 3 per cent. compounded every 6 months? Come in and make a deposit and get one of our interest savings books. A NEST EGG. You young men, sometimes misfortune may overtake you in money matters. Then it is that the good sized "Nest Egg" in the savings account comes in handy. Those of you who have never made an effort to save are invited to come and see what we can do for you. THE KENT COUNTY SAVINGS BANK. We make an earnest effort to accommodate all classes; a bank where all may feel at home; a place where those of moderate means may expect the same treatment as those more favorably situated. STOCKING BANK AND COFFEE POT BANK! Sixty years ago! What a difference in methods! Then the hard-earned dollars were put in a leather bag or an old coffee pot and hid under the hearthstone or cellar floor. Confident that this bank fully meets the public's needs, we tender its services to all who believe in keeping on the safe side.

SHALL WE SEND YOU A

Wonderful Picture

costing Hundreds of Dollars, of the Great Baltimore Harbor as it looks after being built up since the Great Fire in 1904, with its Fifteen Million Dollar Piers?

This picture was taken from the top of the Emerson's Bromo Seltzer Tower, 310 feet high, and shows the big river and ocean going vessels, a vast portion of the city, the entire harbor, the Eastern Shore of Maryland and miles and miles of surrounding country.

IF YOU LIKE IT

tell us so. It is the front cover of J. Bolgiano & Son's 1912 Catalogue. It plainly shows Bolgiano's new Pier and Warehouses and Bolgiano's Seed store, both on the water front.

IT'S FREE.

Although Bolgiano's 1912 Catalogue cost many thousands of dollars to produce, having over 200 half-tone illustrations, we will send it free to those who plant Garden Seeds, Field Seeds or Flower Seeds, or users of Poultry Foods or Supplies; but we cannot afford to give it free to those who do not use these items. The edition is limited—so send for one to-day—before they are all gone.

FOR A TWO CENT STAMP

we will also send a 25c Poultry Record for one year.

Read the unbiased Government opinion of Buick cars, copied from the Phila. Inquirer:

GOVERNMENT APPROVAL OF THE BUICK CAR

Last week a model 28 Buick motor car was delivered to Colonel Spencer Cosby, of the Department of War at Washington to be used by the inspector of public buildings and grounds on his daily trips.

The government invited all the leading manufacturers of cars priced from $900 to $2000 to submit a car in competition to a committee of mechanical experts. The cars were driven to the designated place and the drivers dismissed. The examination was then made with no representative of any of the cars present. Motor for motor, shaft for shaft, bolt for bolt, the cars were compared, tested, appraised by the government experts. One by one the cars were eliminated until but one remained. It was the Buick. Of the seventeen or eighteen cars submitted the Buick alone stood the rigid tests of of quality and construction upon which the examination was based. This car was at once turned over to the government for immidiate service.

This is not the first time the Buick has been selected for government use. Last fall when an appropriation of $250,000 was made for experiment on road construction the Buick was the car used to drive over the various road surfaces that were laid and tested.—Philadelphia Inquirer, January 14, 1912.

WEDDING BELLS

PERKINS—PEEKINS.

Mrs. Harrison Wilson Vickers, of Chestertown, Md., has sent out announcements of the marriage of her daughter, Clara Vickers Perkins, to Mr. Herbert Eugene Perkins, a member of the Chestertown bar.

The wedding ceremony was performed by Rev. Dr. Charles W. Baldwin on Saturday afternoon, February 3, at the residence of Mrs. Thomas Ireland Elliott, sister of the bride, 2026 Mount Royal Terrace, Baltimore.

The bride wore a white cloth gown, with a black picture hat, and carried pink roses. She was attended by her little niece, Clara Vickers Elliott, who was becomingly attired in white and carried a basket of pink sweetpeas. A reception, attended only by the immediate families, followed, after which Mr. and Mrs. Perkins left the city for a few days, arriving at Chestertown Wednesday where they have apartments in the Finley House on Water street.

ROLPH—JARRELL.

On Saturday afternoon Rev. J. A. Rood, at Trinity Methodist Episcopal Church South, Millington, united in marriage Miss Evelyn Sudler Rolph to Mr. Temple de Rochburne Jarrell. The church was decorated with evergreen. Mrs. Walter Morgan, cousin of the bride, played the march.

The bride was given away by her father. She wore blue velvet trimmed with ornaments and carried Bride roses and lilies of the valley. The groom was attended by his cousin, Mr. Linwood Jarrell.

The ushers were Jennings Hood and Orrell Saulsbury, cousins of the bride and groom, respectively. Little Miss Martha Rolph, cousin of the bride, and Miss Helen Tyler were flower girls.

The bride is the daughter of Mr. and Mrs. William Charles Rolph, of Millington, and the groom is a son of Mr. and Mrs. Wesley Jarrell, of Greensboro.

After a short trip South Mr. and Mrs. Jarrell will reside at College Park. The groom is in the chemical department of the Maryland Agricultural College.

JARRELL—HURLOCK.

Miss Eva Hurlock, daughter of Mrs. S. A. Hurlock, of Chestertown, was married to Mr. W. Frank Jarrell, also of Chestertown, at 3 o'clock Wednesday at the home of the bride's sister, Mrs. Charles R. Colladay, of Baltimore.

The ceremony was performed by Rev. G. Albert Getty, of the English Lutheran Church, and was witnessed by members of the family only. The bride, who was given in marriage by her brother, Mr. Warren C. Hurlock, of Chestertown, wore a traveling costume of old rose cloth, with hat to match, and carried a bouquet of Bride roses. Her only attendant was little Miss Anne Getty, who wore a white frock and carried a basket of sweetpeas. The best man was Mr. William J. Gray, of Baltimore, and the wedding music was played by Miss Elizabeth Gminder. After a wedding journey Mr. and Mrs. Jarrell will be "at home" at Chestertown after March 1.

SEVEN HORSES BURNED!

The barn on the Black farm, at Lambson's Station, tenanted by Mr. Andrew W. Vansant, was burned Tuesday night together with seven horses, four of which belonged to Chris. J. Connor and one to S. T. Caldwell. This was a new barn having replaced a structure which was burned last July. Mr. Vansant seems to be beset by fires as it was while he was on the Feddeman farm that the stable there was burned.

Mr. J. G. Beck had some insurance on stock as did Mr. H. L. Boyd.

DEATH'S DOINGS.

Mrs. Lillian A. Heavlow died at the home of her mother, Mrs. Alfred Greenwood, at "Bayside," near Betterton, on Monday, aged 22. Funeral took place Thursday at 1 p. m., interment in Still Pond Cemetery, Rev. J. H. Beauchamp officiating, W. H. Krusen, undertaker.

Mr. William Ford, a highly respected farmer of near Lambson's, died Tuesday morning of a complication of diseases, aged 62. He leaves two daughters, Mrs. Herbert Moore, of Betterton, and Miss Evelyn Ford, of Galena. The funeral took place yesterday morning, interment at Galena, Rev. Mr. Lewis officiating, W. H. Krusen, undertaker. The bearers were the six nephews: Elwyn, William, Clarence, Wallis, Samuel and Otho.

DR. S. E. FORD.

Dr. Stephen Emory Ford died at his home on Washington Avenue, Chestertown, on Wednesday afternoon at four o'clock, after a short illness of pleurisy, aged 69. He attended his bank meeting at Centreville one week previous to his death and the next day assisted in packing pork, and it is thought the exposure brought on cold. He was a most active man and seemed never to grow weary.

The deceased was born in Salem, New Jersey, February 2, 1844, his father being a Methodist minister. He removed early in life to North East, where he grew up and practiced medicine, being quite successful in his work. Upon the death of his brother, Capt. Budd S. Ford, the doctor was made administrator and guardian of his neices, who afterwards became Mrs. H. H. Klinefelter and Mrs. R. Irving Walker. This was a large estate, mostly in Queen Anne's, requiring personal attention, so that the doctor moved to Queen Anne's, and under his direction the estate was well managed and turned over to his wards at an increased valuation. He married Miss Estella G. Potts, daughter of Daniel Potts, of Queen Anne's, who survives with four children, viz: Stephanie, Frederick W., Charles B. and Emily E., and his greatest pleasure was in ministering to these. He entered into their sports and studies and provided for the boys of the town a splendid lot for baseball and other sports. He was a good citizen, interested in everything that tended towards the community's uplift and gave his encouragement to them. He was a member of the Chestertown M. E. Church and was seldom absent from the preaching service. For many years he was a director in the Centreville National Bank and seldom missed being present, although twelve miles away.

The funeral took place from his late home on Washington avenue yesterday afternoon, interment in Chester cemetery. Dr. L. E. Barrett officiated, Chas. L. Dodd, undertaker. The bearers were J. Fletcher Rolph, W. R. Wilson, E. M. Foreman, M. B. Bordley, Alfred Green, Wm. McKenney.

WILLIAM H. NEWNAM.

William Henry Newnam, one of the wealthiest and best known men in Queen Anne's, died at his home near Chestertown Wednesday morning, aged 89. He was born near Chesterville, this county, May 4, 1823, and spent the first fifteen years of his life on a farm, afterwards going to Easton to clerk in a store. He returned to Kent after ten years, but remained only a year, and then went to Kent Island, where he opened a store. He said if he had remained there he could have bought the Island! He sold out his store, bought a farm in the Second district of Queen Anne's and then removed to his present home, where he has lived since 1879. In December, 1854, he married Margaretta, daughter of Col. Samuel T. Harrison, by whom he had six children, but only four survive, viz: Mrs. Ira Murphy, of Baltimore; Harrison, John H. and Spencer G. His second wife was Mrs. Annie H. Wright, the daughter of Levi L. DeFord. He was a director of the Centreville National Bank, a correct business man and a highly intelligent citizen.
