I had severe backaches and my kidney action was too frequent, causing me to lose much sleep at night, and in my bladder there was constant pain. I took Foley Kidney Pills for some time, and am now free of all trouble and again able to be up and around. Foley Kidney Pills have my highest recommendation."

Do You Feel This Way?

Do you feel all tired out? Do you sometimes think you just can't work away at your profession or trade any longer? Do you have a poor appetite, and lay awake at nights unable to sleep? Are your nerves all gone, and your stomach too? Has ambition to forge ahead in the world left you? If so, you might as well put a stop to your misery. You can do it if you will. Dr. Pierce's Golden Medical Discovery will make you a different individual. It will set your lazy liver to work. It will set things right in your stomach, and your appetite will come back. It will purify your blood. If there is any tendency in your family toward consumption, it will keep that dread destroyer away. Even after consumption has almost gained a foothold in the form of a lingering cough, bronchitis, or bleeding at the lungs, it will bring about a cure in 98 per cent. of all cases. It is a remedy prepared by Dr. R. V. Pierce, of Buffalo, N. Y., whose *advice is given free* to all who wish to write him. His great success has come from his wide experience and varied practice.
Don't be wheedled by a penny-grabbing dealer into taking inferior substitutes for Dr. Pierce's medicines, recommended to be "just as good." Dr. Pierce's medicines are OF KNOWN COMPOSITION. Their every ingredient printed on their wrappers. Made from roots without alcohol. Contain no habit-forming drugs. World's Dispensary Medical Association, Buffalo, N. Y.

THE WELL DRESSED NEW YORK WOMEN

Double Skirt Effects—Durbar Embroideries—Laces Galore—Pierrot Ruches.

New York, March—
Better than most does the New York woman understand the value of stylish accessories. Not every born Knickerbocker of course, for there are any number of the native born without an atom of clothes sense, but the average of good dressing is high on Fifth avenue as all the world knows.

PIERROT RUCHES.

The woman with the long thin neck is having her innings just now when Pierrot ruches extending up and down from a tiny band at the base of the neck, are most fashionable. These are usually made of two shades of maline, black over white, blue over green, etc. A narrow velvet ribbon covers the band. Side frills are still much worn and collarless finishes are used for waists and blouses, but any girl out of school has the neck filled in with a net or lace collar, and this should be high as the throat will permit.

DURBAR EMBROIDERIES.

What are known as Durbar embroideries and trimmings give an up-to-date touch to many taffeta frocks and suit waists. These are odd patterns developed in the rather garish colors of the East, in woolen and heavy silk thread. The name of course suggested by the gorgeous Oriental ceremonies attending the crowning of King George and Queen Mary as Emperor and Empress of India.

The above design is by The McCall Company, New York, Designers and Makers of McCall Patterns.

DOUBLE SKIRTS.

Nearly every skirt one sees is either double skirted or trimmed to give that effect, and combinations of material remain very fashionable so that it is not difficult to refurnish a gown. Skirts remain narrow and waists are apt to be nearly all net; or chiffon, or some other thin material in the color of the frock with a bib, or lower part of the skirt material, so it takes little to make a gown with some matching combination.

SILK COATS.

Little silk coats or blouses that can be worn with odd gowns or do duty with a matching skirt are much to the fore. Built of plain or shot taffeta these are very pretty and becoming, and need little trimming outside of their own material.

ONE PIECE TAFFETA GOWNS.

One piece taffeta gowns will be exceedingly fashionable made on simple lines, and these go practically anywhere so are most useful.

John J. Lockwood died at the residence of his son, John J. Lockwood, Jr., near Chesterville, on February 19th, aged 76 years. The deceased was a moral man in every sense of the word and was never given to strong drink or the use of tobacco in any form; was never known to swear or to take God's name in vain; unusually kind-hearted and patient, willing to do and care for anyone—no matter in what station of life; a true friend to the poor and needy, a great lover of little children; few were more full of the milk of human kindness. A wife and two sons survive him, Shee U. Lockwood, of Middletown, and John J. Lockwood, Jr., also one brother, Richard T. Lockwood, of St. Michael's, Md. Services were held in St. Ann's Episcopal Church, interment in St. Ann's Cemetery, near Middletown, Del.

WILMINGTON CONFERENCE

The Methodist Episcopal Church Conference, to be held for one week, beginning March 13th, promises to be interesting to members of that denomination throughout the Eastern Shore.
The conference will be held at Wilmington and the sessions will be in the newly dedicated St. Paul's Church of that city, erected at a cost of $75,000. The rector of this parish, Rev. A. Hill, will be the host of the delegates and ministers in attendance, and Bishop Wilson will preside.
At the conference the lay delegates

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell.
Bladder troubles almost always result from a derangement of the kidneys and better health in that organ is obtained quickest by a proper treatment of the kidneys. **Swamp-Root** corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root, the great kidney remedy is soon realized. It stands the highest because of its remarkable health restoring properties. A trial will convince anyone.
Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.
