THESE WANT CAROLINE LAW.

The public will be interested to learn that the present economical road law is nearly the identical law which Mr. Barroll and his followers have tried to have passed for Kent county for a number of years past. As late as Febraary 19, 1910, we find the following petition:

To the Honorable, the Senator and Delegates in the Legislature from Kent County:

GENTLEMEN:—We, the undersigned citizens of Kent county, respectfully urge that you will use all your endeavors to pass for Kent county a Road Law similar to the one now used in Caroline county, and which has been introduced in other counties with such success.

The cost of the public roads in Kent county has been and is a heavy burden upon the tax payers. Unless some such method regulating the cost of our roads is adopted, it will be heavier each year, and with no permanent benefit to the public. We respectfully urge that you use all your endeavors to secure the passage of such a law. Yours respectfully.

SAVED FROM AN OPERATION

How Mrs. Reed of Peoria, Ill., Escaped The Surgeon's Knife.

Peoria, Ill.—"I wish to let every one know what Lydia E. Pinkham's Vegetable Compound has done for me. For two years I suffered. The doctor said I had a tumor and the only remedy was the surgeon's knife. My mother bought me Lydia E. Pinkham's Vegetable Compound, and today I am a well and healthy woman. For months I suffered from inflammation, and your Sanative Wash relieved me. I am glad to tell anyone what your medicines have done for me. You can use my testimonial in any way you wish, and I will be glad to answer letters."—Mrs. CHRISTINA REED, 105 Mound St., Peoria, Ill.

Mrs. Lynch Also Avoided Operation.

Jessup, Pa.—"After the birth of my fourth child, I had severe organic inflammation. I would have such terrible pains that it did not seem as though I could stand it. This kept up for three long months, until two doctors decided that an operation was needed.

"Then one of my friends recommended Lydia E. Pinkham's Vegetable Compound and after taking it for two months I was a well woman."—Mrs. JOSEPH A. LYNCH, Jessup, Pa.

Women who suffer from female ills should try Lydia E. Pinkham's Vegetable Compound, one of the most successful remedies the world has ever known, before submitting to a surgical operation.

A Happy New-Year

We wish to thank you for your patronage the past year, and express our appreciation here in words. During the coming year it shall be our every effort to make this store still better in every department in order that we may serve you to your entire satisfaction.
