Overland

$1200

The Lowest Priced 35 H. P. 5 Passenger Touring Car on the Market

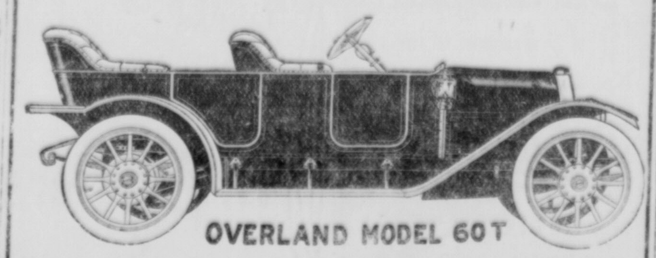

THINK OF IT! A thirty-five horsepower five-passenger touring car for $1200. *This is the lowest priced thirty-five horsepower touring car in the world.* Part for part—point for point—it is the equal of any $1500 car made. It has the power—the speed—the comfort—the appearance—and the construction. Take the powerful motor—the strong and rugged rear system—the Vanadium steel gears—the fine bearings—the pressed steel frame—the dropped forged axles—the big tires—the superb body work—the high grade upholstery; in fact, take every item that goes into the makeup of this automobile *and you will find that the duplicate of this car cannot be had below the fifteen hundred dollar mark.*

Here is a car with a powerful, silent, smooth-running thirty-five horsepower motor. Here is a car that seats five large passengers comfortably. The upholstery is of good leather, hand stuffed with hair. The body is finished in our famous dark Overland blue and the wheels in battleship gray. The transmission is of the selective type, three speeds and reverse—fitted with the fine F. & S. annular bearings which are used on the most expensive cars in the world. The frame is of pressed steel and has a single drop. The crank and gear casings are of aluminum. The front axle is a one piece, drop forged I section fitted with the famous Timken bearings. The tires are 34x4—quick detachable. The handsome massive lamps are finished in solid black with brilliant heavy brass trimmings. Self starter $20.00 extra.

The Overland center control is the one proven and practical location for both operating levers. The method enables you to operate the levers with the left hand and gives you free use of your right hand for driving. It give you the use of your right hand fore door, as well as the left hand fore door, which is impossible if a lever is placed one side or the other. you can get in or out on either side. It is easy to handle—no stretching out or reaching. Any one can manipulate the levers without a particle of effort.

Take the specifications of this $1200 car—compare them with any $1500 car you know of and the only difference you will be able to find is the difference in price.

Why pay an additional $300 for a purely imaginary value?

KENNEDYVILLE NOTES.

Mr. Webb, of near Kennedyville, reports a good prospect for peaches in his fine young orchard, judging from the amount of bloom now on the trees.

Messrs. Frank C. Miller and Harry Meredith have the prettiest lot of young chickens we have seen, now about the size of large partridges.

Mr. Richard Haggerty is having his new house completed since ths two coats of plastering have nicely dried out. Carpenters are now at work giving the finishing touches on the interior and arranging for extensive porches on the exterior. Mr. Haggerty will have a most splendid dwelling and very conveniently arranged.

Several persons near our village have been sick or indisposed recently, among the rest Mrs. Frank Baxter and Mrs. E. R. Pennington. Others are very much improved and those named above are better.

Mrs. Domer, of Frederick county, Md., is visiting her daughter, Mrs. F. C. Miller.

Mrs. Benjamin Dill, formerly of near Kennedyville, but now of Wilmington, Del., is visiting her son, Mr. Lloyd Dill, of near Still Pond.

Miss Alma Dill, of Wilmington, is spending a few days with Mr. and Mrs. Thomas Wiltbank, and the daughter of the latter, Miss Beulah Wiltbank, of Philadelphia, who is now at home on a visit. Miss Wiltbank, Mrs. Dill and her daughter, Miss Alma, all attended services at the M. P. Church Sunday.

Mrs. Domer was one of the strangers at the Sunday evening service, with her daughter, Mrs. Miller.

The house near our village, formerly owned by Mr. Charles H. Crew and now occupied by Mr. George and family, is being extensively repaired by new porches and otherwise. Mr. L. A. Pennington has charge of the work.

Mr. Mullineaux, pastor of the M. P. Church and Chaplain of the Kennedyville Grange, has again invited the members of the said order to attend church services in a body on Sunday, May 12. Mr. Mullineaux gave the invitation in the regular meeting of the Kennedyville Grange last Monday evening, which was unanimously accepted, and the invitation is broad and hearty, taking in not only Kennedyville Patrons of Husbandry but oshers throughout Kent county. All members are requested to come wearing their badges. Service to begin at 10.30 a. m.

In the M. P. Sunday-school Sunday morning Mr. John Medders, the superintendent, brought up the matter of a Children's Day service, when all present, young and old, were in fine humor and spirits over the coming annual happy event, and it was voted that Sunday, May 26th, be the day. Particulars later, but it is desired that all keep the date in mind.

Services for M. P. Church next Sunday, May 5th: Sunday-school at 9.30, sermon at 10.30, evening service beginning at 7.30. All welcome.

C. H. Wildman, 183½ Bedford street, Cumberland, Md. writes: "I have used Foley Kidney Pills and find them all O. K. I had tried other remedies, but Foley Kidney Pills are the best medicine I ever used." They are tonic in action and give quick and permanent benefit. Sold by M. A. Toulson.

GOOD READING.

The noted book entitled "THE PARSON OF THE ISLANDS," has been put on sale at Toulson's Drug Store, Chestertown, at 75c each. It is a biography of the Rev. Joshua Thomas embracing sketches of his contemporaries and remarkable camp-meeting scenes on the islands of the Chesapeake and the Eastern Shore, by Adam Wallace. It is certainly an interesting book and cheap. m30-4t
