Anty Drudge Ends Troubles.

Mr. Suburbs—"I'm just going into the drug store to get a supply of quinine, Anty. My wife had the house like a Turkish steam-bath with boiling clothes before I came out and I can feel myself catching cold already."

Anty Drudge—"That's too bad, Mr. Suburbs. I'll just go right up there and show Mrs. Suburbs how to do her washing with Fels-Naptha in lukewarm water without boiling or hard-rubbing. Then you'll never have steam or odors in the house on washday and it will be so much easier for your wife."

"With Winter's chills, come washday ills."

Ever heard that old rhyme? It's going out of date now. Every woman who abandons the old back-breaking, health-wrecking, washboiler, hot-water way of washing clothes, and uses Fels-Naptha in lukewarm water, is giving it a kick farther back.

Fels-Naptha soap has done more than anything else in the world to take the ills out of washday. Especially in Winter.

The Fels-Naptha method does away with boiling and nauseous steam and sickening odors. Does away with washtub drudgery and reddened hands and face.

With Fels-Naptha you wash clothes comfortably, in lukewarm water, without hard-rubbing, and the clothes are far cleaner and last longer—flannels, woolens, colored goods as well as the white things.

If you aren't in the procession, better join. Get a cake of Fels-Naptha to-day and see just how easy a washing can be.

Follow carefully the directions on the red and green wrapper.

KENNEDYVILLE NOTES.

A few of our farmers are through with corn planting, others, while being retarded because of the recent rains, may have more grass. The old saying is, "More rain, more grass, Massa." Fine season for setting out garden plants, with which Mr. John N. Bennett, of our village, can supply you abundantly of best varieties.

Mr. L. A. Pennington is improving his residence by a coat of paint.

Phoenix like new buildings of latest design consisting of stables, barn, corn cribs, cow sheds, carriage house and other out buildings, of the most convenient and substantial kind have been completed on the splendid farm now cultivated by the up-to date and enterprising patron of husbandry, Mr. W. M. Clendaniel, since the fire of last fall. The mechanics who did the work are from the state of Delaware, near Middletown, and a part of these same workmen are forthwith to construct a new barn for Mr. Thomas Vandyke. All our carpenters are kept busy, which indicates progress and improvement.

Mrs. Frank Baxter, under the skillful treatment of Dr. I. W. Urie, is much improved since her recent illness, and her many warm friends of the Kennedyville Grange will rejoice to see her again in her accustomed place in the regular meetings of the order.

Mrs. Crossley, who for a number of weeks past, has been ill, is much improved, being able at times to sit up in her room.

Not only Dr. Urie, his faithful physician, but the numerous friends of Mr. Elias T. Othoson, rejoice in his restoration to his usual health after his long illness. For the first time for many weeks Mr. Othoson attended services at the M. P. Church last Sunday.

Attention is called to the special service in the M. P. Church for next Sunday, the 12th inst, when, by invitation of the pastor, Rev. F. H. Mullineaux, Grangers, not only of the Kennedyville Order, but of Kent county at large, are invited to attend public worship in a body.

Because of his services being specially desired at the dedication of the new Methodist Protestant Church in Milford, Del., Rev. Dr. J. S. Bowers, president, will not be at Kennedyville, as announced, for Sunday the 19th inst. Notice of his official visit will be given later.

Kennedyville M. P. Church services for Sunday the 12th—Sunday School 9.30 a. m.; sermon to the Patrons of Husbandry at 10.30; Song service at 7.30 p. m., followed by brief sermon, topic, "The Voice of Moses Out of the Burning Bush," and its lessons. Everybody invited. Come and worship with us.
