A BLOOD MEDICINE WITHOUT ALCOHOL.

Recently it has been definitly proven by experiments on animals that alcohol lowers the germicidal power of the body and that alcohol paralyzes the white corpuscles of the blood and renders them unable to take up and destroy disease germs. Disease germs cause the death of over one-half of the human race.

A blood medicine, made entirely without alcohol, which is a pure glyceric extract of roots, such as Bloodroot, Queen's root, Golden Seal root, Mandrake and Stone root, has been extensively sold by druggists for the past forty years as Dr. Pierce's Golden Medical Discovery. The refreshing influence of this extract is like Nature's influence—the blood is bathed in the tonic which gives life to the blood—the vital fires of the body burn brighter and their increased activity consumes the tissue rubbish which has accumulated during the winter.

MRS. HEYES.

Dr. R. V. Pierce, the founder of the Invalids' Hotel and Surgical Institute, and a physician of large experience and practice, was the first to make up an ALTERATIVE EXTRACT of roots, without a particle of alcohol or narcotic.

"It is with the greatest of pleasure, that I write to let you know of the great benefit I received from the use of your medicines and self-treatment at home," writes MRS. WM. HEYES, of Ladysmith, B.C. "I suffered for three years from a running sore. Consulted four doctors but they failed to mend or give relief. Finally I was told I was in consumption and would have to consult a specialist concerning my ear, that the dead bone must be cut out before the wound would heal. A kind friend advised me to write to Dr. Pierce, which I did, and after seven months' use of the treatment the sore is healed, and I enjoy better health than I ever did. I dressed the wound with Dr. Pierce's All-Healing Salve and took the 'Golden Medical Discovery' and 'Pleasant Pellets' for my troubles. I shall always recommend your medicines."

Dr. Pierce's Pleasant Pellets regulate liver and bowels.

THEIR RECORDS

The American Issue, published by the Anti-Saloon League, has the following in regard to the records made by Kent's representatives:

Senator W. W. Beek, Democrat, voted right and made clear that he would not stand for dilatory tactics.

Both delegates from Kent county are Democrats. Mr. C. L. Miller is entitled to special mention by reason of the fact that he was seriously ill with inflammatory rheumatism, and at great personal discomfort made it a point to be at Annapolis and present at every roll call. He was also one of the local option members of the Temperance Committee and signed the minority report.

Mr. James G. Harris lined up with the Baltimore City liquor ring notwithstanding the fact that his good old father from the same county, who for the two preceding sessions had stood for the bill, was praying that his son would do the same.
