Mrs. Lela Love, wife of Wiley Love, a farmer lying near Covena, Ga., says: "I have taken Foley Kidney Pills and find them to be all you claim for them. They gave me almost instant relief when my kidneys were sluggish and inactive. I can cheerfully recommend them to all sufferers from kidney troubles." Sold by M. A. Toulson, druggist.

Helped To Keep Down Expenses

Mrs. J. E. Henry, Akron, Mich., tells how she did so: 'I was bothered with my kidneys and had to go nearly double. I tried a sample of Foley Kidney Pills and they did me so much good that I bought a bottle, and feel that they saved me a big doctor's bill." Sold by M. A. Toulson, druggist.

NO ONE STRONGER THAN HIS STOMACH.

The celebrated Dr. Abernethy of London was firmly of the opinion that disorders of the stomach were the most prolific source of human ailments in general. A recent medical writer says: "every feeling, emotion and affection reports at the stomach (through the system of nerves) and the stomach is affected accordingly. It is the vital center of the body * * * * *." He continues, "so we may be said to live (*through*) the stomach." He goes on to show that the stomach is the vital center of the body. For weak stomachs and the consequent indigestion or dyspepsia, and the multitude of various diseases which result therefrom, no medicine can be better suited as a curative agent than

MRS. MURKEN.

Dr. Pierce's Golden Medical Discovery.

"Several months ago I suffered from a severe pain right under the breast-bone," writes Mrs. G. M. MURKEN, of Corona, Calif. "I had suffered from it, off and on, for several years. I also suffered from heart-burn, did not know what was the matter with me. I tried several medicines but they did me no good. Finally, I was told it was my liver. I did not dare to eat as it made me worse. Whenever I swallowed anything it seemed that I would faint—it hurt so. I grew very thin and weak from not eating. Was told to take Dr. Pierce's Golden Medical Discovery. I took five bottles of it, and could feel myself getting better from the first dose. I could eat a little without pain and grew strong fast. To-day I am strong and well and can do a big day's work with ease. Can eat everything and have put on flesh wonderfully. I will say to all sufferers write to Dr. Pierce. He has my undying gratitude."

"Send Out a New Wheel for My Mower!"

"Gosh, that's a relief! Suppose I hadn't had a telephone. It would have meant a trip to town, a day lost—and here I am right in the midst of harvesting."

When things go wrong, when troubles come a-visiting, then is the time when a Rural Telephone gets in its heavy work.

YOU can't afford to be without one. You should write to-day for our new booklet, "What Uncle Sam Says about the Rural Telephone." It is free.

SCHEDULE FOR TO-DAY.
Chestertown at Blacks.
Lynch-Worton at Millington.

In one of the prettiest games ever played on Ford's field and before one of the largest crowds of the season, the locals sent the strong Kennedyville team down to defeat by the score of 3 to 2. Up until the eighth inning the contest was a pitchers duel between Sparks of Chestertown and Smith, of Kennedyville, with honors about equal. The first scoring was registered by the visitors in their half of the eighth, when with three on a ball hit to Derringer, at short, took a bad bound allowing the Kennedyvillians to tally twice. The locals in their half of the eighth with a great effort were able to push three runs across the pan. Derringer was the stellar cloutsmith for the locals; W. Hill's hitting featured for the visitors.

Batteries—Chestertown, Sparks and Robinson; Kennedyville, Smith and W. Hill. Umpires—Wilmer and Nickerson.

Millington, June 8—The locals had little difficulty in defeating the Still-Pond-Betterton team here today, score 6 to 2. Batteries—Millington, Beck and Gibbs; Still Poud-Betterton, Gosman and E. Crew.

Lynch, June 8.—In a close game here today Blacks defeated the locals 14 to 12. Batteries—Lynch-Worton, Lee and Jones; Blacks, Logan and Cropper.

Washington Reserves lost to Centreville High on the latter's ground Saturday by the score of 16 to 2. Tucker, the High School pitcher allowed only one hit. Batteries—Reserves, Barnes, Custer and Knotts; Centreville, Tucker and Whiteley.

Jarman Makes Record.

The friends of Mr. Frank Jarman, son of Dr. Jarman, Chestertown, will be glad to hear of his success with the Chillicothe team. The following clipping is from the local daily of Lima, Ohio:

"The Babes made it two out of three of the games played thus far, yesterday when they defeated Lima in the third clash between the two teams. The count was 8 to 0 with the Stogies on the short end. The defeat was due mainly to the stellar pitching of Jarman, the Chillicothe twirler, who held the Cigarmakers hitless for six rounds and allowed them only two bingles during the whole nine innings of play.

"Jarman is a youngster who joined the Babe team on its former trip to this city, and has done good work for Rayn ever since. The heaving of yesterday was his best exhibition this season and one of the finest that has been seen on the local lot for many a moon. Defeated here on his initial game in the league on May 22, when the Stogies hit him for eight bingles, netting them as many tallies, Jarman came back with a determination to win. He carried out his vow with a vengeance putting on the whitewash for nine rounds, and finishing the game without being scored on.

"Smokey Hobbs, the center fielder of the locals was the first man to break into the hit column, when he rapped one to centre for a base. Clare, who was sent out to left in Jimmy Burke's place, was the only other man who was able to connect safely with the delivery of the Babe hurler, doubling to left in the eighth.

"While the Babes seemed destined to win owing to the pitching of Jarman, the score could have been made closer by better work in the field by the Lima team. Six errors were responsible for four of the runs obtained by the visitors."

GALENA ITEMS.

Rev. A. P. Prettyman, our much esteemed assistant pastor, has accepted an appointment at Milville, Del. We are sorry to have Mr. Prettyman and his family leave us, as he has been in our town fifteen years assisting in all good work, and will be missed by all the community.

Mr. Michael Moffett and daughter, Mr. George Moffett and mother, of Kenton, Del., spent Sunday with their sister, Mrs. M. E. Pierce.

Miss Lucy Ford is visiting relatives near Marydel.

The Galena Baseball Team met and organized last Monday morning with William Dempsey manager. They expect to have their first game at Black's on Thursday.

Our pastor, Rev. R. H. Lewis, is still on the sick list, but much improved. Rev. John Thornton, who is engaged in city mission work in Wilmington, filled the pulpit last Sunday.

Mr. Thomas Brockson, of Philadelphia, who has been visiting his mother, Mrs Walter Hadley, returned on Monday to resume his duties.

Mrs. Joseph Dixon and Mrs. William Wood are on the sick list.

The Ladies Aid Society was entertained at the home of Mrs. Bisene Chrisfield on Tuesday evening. A large number was present and all enjoyed a social evening.
