For The Nervous Woman,

Or the woman who experiences hot flashes nothing is so good to soothe, quiet and calm the nervous system as a pure glyceric extract of native medical plants, and made without alcohol, which has been sold by druggists for the past forty years, and most favorably known as Doctor Pierce's Favorite Prescription. In younger years some women suffer from dizziness, or fainting spells, hysteria, headache, bearing-down feelings and pain. All these symptoms of irregularity and female disturbance are relieved by the use of this famous "Prescription" of Doctor Pierce.

As a powerful, invigorating tonic "Favorite Prescription" imparts strength to the whole system, and in particular to the organs distinctly feminine. For over-worked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, it is an excellent appetizing cordial and restorative tonic.

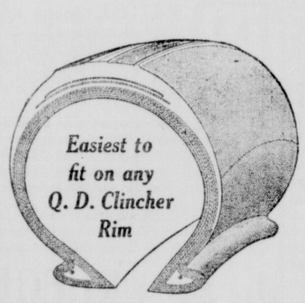

MRS. MCDONALD.

"My disease was called retroversion," writes MRS. LYDIA MCDONALD, of Mecosta, Mich., Route 1. "I had nervous chills and numb spells and they would leave me very weak. Then I had inflammation and the doctor said I had a floating kidney. I doctored seven months with our family physician. He said I would have to have an operation. Then I stopped taking his medicine. After taking three bottles of Dr. Pierce's medicines I have not had any nervous chills or weak spells. I am better than for years.

"My daughter is now taking the 'Prescription' and Dr. Pierce's Golden Medical Discovery, also the 'Pellets' for nervousness and weak, tired feeling. These remedies have helped her ever so much in a short time. We have great faith in your medicines for female troubles."

Dr. Pierce's Pleasant Pellets induce mild natural bowel movement.

CHURCHES UNITED IN CLOSER BONDS

Some weeks ago a committee of three members from each of the official boards of the Methodist Protestant, Methodist Episcopal South, Baptist, and Methodist Episcopal Churches, together with the pastors, met in the Methodist Episcopal Church to discuss the advisibility of having a uniform prayer meeting night. The Baptist Church and the Methodist Episcopal Church South held prayer service on Wednesday evening. The Methodist Protestants on Thursday evening and the Methodist Episcopal Church on Friday evening. Such an arrangement made co-operation next to impossible among the churches and worked hardship upon those societies whose members belonged to each of the churches, since it was impossible to choose an evening for meeting without conflicting with the prayer meeting service of one of the churches. After discussing the joint committee voted unanimously in favor of simultaneous prayer meetings.

It was found then there were fewer conflicts with secular and fraternal organizations which hold week night meetings on Wednesday night than on other evenings of the week. The committee from the Methodist Episcopal Church made the motion that "inasmuch as the Baptists and the Methodist Episcopal Church South hold their meetings for prayer on Wednesday evenings already, and inasmuch as there seems to be fewer conflicts upon that evening than upon any other suitable evening, we recommend to our respective boards that each of the four churches shall hold its prayer service on Wednesday evening of each week." The committee from the Methodist Protestants heartily seconded the motion and the recommendation of the joint committee was ratified by the respective boards. The new order will go into effect on Wednesday evening, June 19, and will be inaugurated by a general exchange of pulpits on Sunday morning next, when the Rev. Floyd W. Putney will occupy the pulpit of the M. E. Church South, Rev. W. W. Beasley the Methodist Protestant, Rev. W. H. Litsinger the Methodist Episcopal and Rev. W. E. Gunby the Baptist.

It is believed that when this new schedule is effected the social and fraternal business organizations of the town will avoid conflict with the general prayer meeting night when possible to do so.

This movement certainly manifests a commendable spirit of unity and co-operation and it is believed that the wisdom of the venture will be early justified by increased attendance and renewed interest at each of the prayer meeting services.—*Easton Star-Democrat*

Rev. Ward Goes To Westminster.

Rev. A. Norman Ward, now in the third year of his pastorate of the Denton Methodist Protestant Church, was on Wednesday elected vice-president of Western Maryland College, and will remove to Westminster to assume the duties of his new position at the beginning of the college term in September. Rev. Mr. Ward is a native of Harford county, Md., being a son of the late John T. Ward, a retired merchant of that county. He was graduated at Western Maryland College, class of 1895, and subsequently took a four years post graduate course at Columbia University. He married Miss Blanche Murchison, of LaGrange, North Carolina, a graduate of Western Maryland College. Mr. Ward went to Denton church in 1910, succeeding Rev. Frank T. Benson, now of Rhode Island Church, Washington. Though yet among the younger men of his church, being but 40 years of age, he is nevertheless easily among the leading ministers of his denomination. Denton church has greatly prospered under his ministry and he is much beloved by church and town.

GOING TO CHILE TO WED.

Miss Bertha Buscher Met Mr. Davis At Betterton.

Leaving Baltimore Friday, Miss Bertha Buscher, daughter of Mr. and Mrs. Frederick Buscher, 238 South Washington street, Baltimore, will go to New York, whence she will sail Saturday for Chile, South America, to be married.

The groom-to-be is Charles K. Davis, a former well-known Baltimore athlete. Since 1910 he has been in Valparaiso, where he is connected with the Braden Cooper Company. He became acquainted with Miss Buscher while on an outing at Betterton, Md. She tripped and fell while walking along the beach. Rushing to her assistance the young athlete raised her to her feet. Nothing more serious than a pair of wet feet resulted from the fall, but Mr. Davis was prettily thanked for his action. Before he left for Chile he obtained the young lady's promise to correspond with him.

SMYRNA plans to have a mammoth Country Fair and Home Coming on July 2nd, 3rd and 4th, and promises that it will be this year the biggest and best ever held there. The fair is arranged and managed by the Twentieth Century Club of Smyrna and the ladies will serve supper on the grounds on all three days. On the Fourth of July, which is Old Home Day and the occasion of the biggest crowd, they will serve luncheon also. Smyrna folks think that there never were deviled crabs and creamed chicken elsewhere to equal those served at their Country Fair. Booths have been arranged for every attraction and the side show has a double bill at each performance. Fattettas Woman's Orchestra will make its first appearance with the "Sweetest Girl in Paris" and songs from Dixie Land. The patriotic celebration on the Fourth of July will be featured by an oration by Hon. Josiah O. Wolcott and music by the Dover Cornet Band.

Helped To Keep Down Expenses

Mrs J. E. Henry, Akron, Mich., tells how she did so: "I was bothered with my kidneys and had to go nearly double. I tried a sample of Foley Kidney Pills and they did me so much good that I bought a bottle, and feel that they saved me a big doctor's bill." Sold by M. A. Toulson, druggist.
