MIGHTY MICHIGAN WINS SILVER CUP

Finishes Third Of More Than 100 Cars In 108 Mile Race

The following telegram was received at the Michigan factory, in Kalamazoo, July 10th:

"V. L. Palmer:

Michigan Forty finished third in road reliability race—Camden to Wildwood, New Jersey—one hundred and eight miles. Over one hundred cars entered. Pierce Arrow first. Our prize: Silver Cup. Car driven by Dr. Faulkner, of Bridgeton, New Jersey.

E. F. GERBER."

This is one of many similar performances that the Mighty Michigan Forty has given this season.

The even balancing of all parts to match the strength represented by the Mighty Michigan Motor and Chassis is a characteristic which has become distinctive of this Car. It is asserted that this accounts for the sensational success of the Michigan among medium priced cars. It is an illustration of the value of thirty years manufacturing success behind the product.

POP-CORN IN EAR

Little Miss Atwell Suffers From Ear Ache—Pop-Corn Removed After Being In Her Ear For Six Years

Dr. H. B. Simmons, of Chestertown, performed a slight operation on Addie Gale Atwell, the eight-year-old daughter of Mr. and Mrs. J. W. Atwell, Thursday, by taking a grain of pop-corn out of her ear. This corn had been in Addie's ear since she was two years old, but had not given her any special trouble until about a week ago. The grain was swollen to its double size and had caused considerable pain.

WILSON AND MARSHALL CLUB AT ROCK HALL.

A number of Democratic voters met at the store of W. Reybold Wilson, Knight's Hall and organized a Wilson and Marrhall Club last Tuesday evening, the following having been selected as the officers:

President—George S. Biddle.
Secretary—W. Reybold Wilson.
Treasurer—Noble L. Moffett.
Vice-Presidents—George L. Maslin, Wm. E. Parsons, A. Carroll Willson, T. B. Dudding, R. B. Willson, Chas. E. Davis, Charles Hamicker, Hon. Charles L. Miller, John Brice, Thomas W. Wilkins, George W. Walbert, Charles H. Smith.

The above officials are to act as an executive committee, and are to meet from time to time, or at the call of the president, for the purpose of making plans for the holding of public meetings or adopting methods for conducting the campaign in general.

Considering the enthusiasm displayed at the above meeting, there is no doubt but there'll be something doing from now until next November.

This is to be a campaign of education, and this club proposes to maintain the open-door policy, to make an effort to have a united Democracy, and, if possible, to bring recruits into the fold.

LIGHTNING FREAK.

Mrs. Walter King Knocked to the Floor—Tinware Filled With Holes and a Big Tree Struck.

Mr. and Mrs. Walter M. King, near Chestertown, had a singular experience during a recent thunder storm. They were seated on their porch when a bolt of lightning struck a large tree near the house, followed a clothes line from the tree to the house, passed into the dwelling and put holes through all the tinware that was on a corner shelf. The rattle among the tin was tremendous! Mrs. King was knocked to the floor and lay thers stunned for a few minutes, which seemed longer to Mr. King. She has about recovered from the shock but both feel very shaky now at each recurring thunder storm
