CONSTABLE W. M. DUNN A SHERLOCK HOLMES

One day last week the house of Mr. Harry Stevens, near Sudlersville, was entered and robbed of three five dollar gold pieces, and when no trace of the intruder could be found, Mr. Stevens called in Constable William M. Dunn, of Church Hill, who, upon making an examination of the premises, found that entrance to the house had been made through a window, and under the window the ground showed the imprint of a shoe with a peculiar mark upon the heel, which Dunn asserted was made by a baseball cleat, and asked Mr. Stevens if he knew of anyone who wore such shoes around the place. Mr. Stevens said he did but that the wearer was beyond suspicion.

Mr. Dunn stuck to his decision and as a result went to town, accompanied by Mr. Stevens. The latter pointed out the party he had seen around his house with the baseball shoes and Dunn went up to him and told him that he was wanted and to hand out the money. The young man, Mr. Harry Beck, of Millington, remarking that he guessed the "jig was up," handed to Mr. Dunn the three gold pieces, and as a result was arrested and tried before Justice William Harrington, at Barclay, on July 11, and held for the action of the grand jury at the November term of the Circuit Court in five hundred dollars bail, in default of which he is now confined in Centreville jail.—Centreville Record.

CHECKED PARCELS COST RAISED.

An additional revenue of $50,000 will find its way into the treasury of the Pennsylvania Railroad Co. as the result of a change made Tuesday in the charges of checking parcels in Broad Street Station, Philadelphia. The charge of 5 cents for each package left in the station for 24 hours was advanced to 10 cents and persons who wish to store an additional sum of 5 cents for each one. The railroad officials offer an explanation for the change in a notice posted in the station which reads in part: "The same charge that is made in large cities on the company's lines." The notice is signed by F. J. McWade, general baggage agent. According to one of the attendants in the parcel room, the number of parcels handled daily is about 3,000. The increased charges bassed on this number means that the company will make an extra $50,000 annually.

Extreme Meeting.

"Jack did rather a paradoxical literary feat the other day."

"What was it?"

"Landed a sea tale."

SEVEN YEARS OF MISERY

How Mrs. Bethune was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Sikeston, Mo. — "For seven years I suffered everything. I was in bed for four or five days at a time every month, and so weak I could hardly walk. I had cramps, backache and headache, and was so nervous and weak that I dreaded to see anyone or have anyone move in the room. The doctors gave me medicine to ease me at those times, and said that I ought to have an operation. I would not listen to that, and when a friend of my husband's told him about Lydia E. Pinkham's Vegetable Compound and what it had done for his wife, I was willing to take it. Now I look the picture of health and feel like it, too. I can do all my own housework, work in the garden and entertain company and enjoy them, and can walk as far as any ordinary woman, any day in the week. I wish I could talk to every suffering woman and girl, and tell them what Lydia E. Pinkham's Vegetable Compound has done for me."—Mrs. DEMA BETHUNE, Sikeston, Mo.

Remember, the remedy which did this was Lydia E. Pinkham's Vegetable Compound.

It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means have failed. Why don't you try it?

Heavy Burden.

"Pa, what is an incubus?"

"Half the time these days, my son it's an automobile."

Sunlight for little pigs is almost as essential as food.

Rape is one of the best crops for temporary hog pasture.

Late hatched turkeys should never be used for breeding purposes.
