MIGHTY MICHIGAN WINS SILVER CUP

Finishes Third Of More Than 100 Cars In 108 Mile Race

The following telegram was received at the Michigan factory, in Kalamazoo, July 10th:

"V. L. Palmer:

Michigan Forty finished third in road reliability race—Camden to Wildwood, New Jersey—one hundred and eight miles. Over one hundred cars entered. Pierce Arrow first. Our prize: Silver Cup. Car driven by Dr. Faulkner, of Bridgeton, New Jersey.

E. F. GERBER."

This is one of many similar performances that the Mighty Michigan Forty has given this season.

The even balancing of all parts to match the strength represented by the Mighty Michigan Motor and Chassis is a characteristic which has become distinctive of this Car. It is asserted that this accounts for the sensational success of the Michigan among medium priced cars. It is an illustration of the value of thirty years manufacturing success behind the product.

CHEERING SIGNS.

Some of Chestertown's most enterprising citizens are endeavoring to organize a company for the manufacture of furniture. Several meetings have been held and the affair is taking definite form. It is a good thing and should have the encouragement of all citizens and the backing financially of men of ability.

There are some indications which point to the resumption of operations at the Chestertown Strawboard mill. Supt. Quantz was here a few weeks ago with mill owners who thoroughly inspected the plant, and there are many reasons to hope for an early beginning of operations here.

SUGAR PLANTATION SOLD.

The Cuban sugar plantation in which the late Chas. T. Westcott, Esq., W. W. Hubbard and Alday Clements, of Kent, had large holdings has been sold at a good figure. Mr. W. W. Hubbard, the president of the company at the time o sale, held a "love-feast" at his handsome home on Chester river Wednesday, the Baltimore guests coming on Commodore Evans' elegant yacht. James W. Chapman, Jr., Esq., represented Mr. Westcott's holdings. A sumptuous dinner was spread and enjoyed.

It is reliably reported that each of the Kent countians had $46,000 worth of stock in the plantation.

A JOINT picnic will be held in Klinefelter's Grove by the Grangers of Kent and Queen Anne's on Saturday, Aug. 10. The full program and committees will meet at the Voshell House next Tuesday afternoon at 2 o'clock.
