The Junior League picnic of last Thursday afternoon was a time long to be remembered by the Juniors. From the loading up of the wagons, thro' all the games on the beautiful lawn of Mr. Hiram C. Powell, refreshments, and that ride home when the Juniors were so full of life they couldn't help calling out between their hymns:

"Who are we? Who are we?
Junior Leaguers, don't you see"

no one could doubt that the children were happy, and a camera caught every smile and kept them for winter.

Rev. Alfred Smith brought us a message Sunday morning from St. Matthew 10:40.

The Epworth League, last Sunday evening, was in charge, Miss Pearle Ford, subject: "The Attestation of Scripture." NOVEL EXHIBITS

Kent County Pythians will be interested in the great exposition to be held in Baltimore, Oct 1 to 12. Miss Ida Crew, of this county, is a member of the committee in arranging for the affair and says it will be a big show.

The keel of the Mayflower, the replica exhibition ship, which will be one of the most interesting features of the big exposition to be held in the Fifth Regiment Armony has been laid under direction of George Geiwitz, the artist, who is superintending the construction buildings. Work has already begun on a number of the buildings which will represent the various States, Territories and provinces.

While the Mayflower will not be in the center of the hall, its masts will tower 40 feet above the papier-mache water over which the vessel will apparently be sailing. Visitors will be permitted to board the famous ship, and will be greeted by men and women in Pilgrim costumes, carring out the historical accuracy of the exhibit. Characteristic of Boston, inside will be a "Book Mart," where autographed copies of the works of Col. Theodore Roosevelt, William Jennings Bryan, Woodrow Wilson, James Whitcomb Riley and other noted authors will be displayed.

Just off the port bow of the ship will be a pile of rocks, which might be taken at first glance, in the view of the fact that the exhibit is from Massachusetts, for Plymouth Rock. This will be the home of the witches of Marblehead, and young girls in high, peaked black hats and flowing black robes of witches, will concoct horrid mixtures, decide the election in advance and do many other wonderful things. A Boston Tea Party will be another feature of the Massachusetts exhibit. A replica of the Alamo will represent the State of Texas. The Knights of Pythias of Panama have already shipped a most interesting collection of exhibits, which will be displayed at the exposition in a little native village or group of huts. A big relief map of the canal, more than nine feet long, will give the layman a clear idea of how the big ditch is constructed and how the biggest steamship in the world will be lifted over a mountain range.

Of great interest to local Pythians, who are holding the fair with the idea of raising at nucleus for a building fund with which to erect a suitable castle, will be the Indiana exhibit, which will be a small replica of the 10 story Pythian castle in Indianapolis. While small compared with the real temple in the Indiana city, it will actually have ten stories, all of which may be entered by visitors and in which will be displayed the exhibits of the State of Indiana.

FOR FLETCHER'S

CASTORIA

Anty Drudge Makes a Donation.

He—"I venture to ask, madam, if you would endeavor to spare me something for the Home for Broken Down Washerwomen?"

Anty Drudge—"Certainly. I'll donate a box of Fels-Naptha soap. Tell them to use it according to directions, and they will still be able to do washing, because the Fels-Naptha way banishes all the back breaking and hard rubbing of wash day; and cuts washday work in half."

Why do so many women who do their own work grow old before their time?

The weekly washing, they will tell you, is responsible for their breaking down. And they tell the absolute truth if they wash in the old-fashioned way.

Continual rubbing on the washboard is so bad on the back.

And standing over steaming suds paves the way for colds.

But the Fels-Naptha way is just as different from the old way of washing as Fels-Naptha is different from all other soaps.

Only cool or lukewarm water needed, in winter or summer, and very little rubbing required.

In a nutshell Fels-Naptha does most of the work itself without human assistance.

In using Fels-Naptha, follow the easy directions printed on the red and green wrapper.
