MIGHTY MICHIGAN WINS SILVER CUP

Finishes Third Of More Than 100 Cars In 108 Mile Race

The following telegram was received at the Michigan factory, in Kalamazoo, July 10th:

"V. L. Palmer:

Michigan Forty finished third in road reliability race—Camden to Wildwood, New Jersey—one hundred and eight miles. Over one hundred cars entered. Pierce Arrow first. Our prize: Silver Cup. Car driven by Dr. Faulkner, of Bridgeton, New Jersey.

E. F. GERBER."

This is one of many similar performances that the Mighty Michigan Forty has given this season.

The even balancing of all parts to match the strength represented by the Mighty Michigan Motor and Chassis is a characteristic which has become distinctive of this Car. It is asserted that this accounts for the sensational success of the Michigan among medium priced cars. It is an illustration of the value of thirty years manufacturing success behind the product.

Did You Ever Think Of It In This Way?

¶ If you save $100 from your earnings during a year it is the same amount you would receive on a $2,000 investment for one year at 5 per cent.

¶ To save, one must sacrifice. The best things of life are gained in this way. If you want to lay aside a part of your earnings, come to this bank and open an account. A bank account will assist you greatly in the undertaking.

¶ We welcome the small depositor.

BARN AND STABLE BURNED

The large barn and stable on Mr. Henry Brown's home farm in Quaker Neck was destroyed by fire about 3 A. M. on Saturday morning last. One horse, three cows, three calves, 40 tons of hay and 125 bushels of seed wheat were also burned. The origin of the fire is unknown. The building was comparatively new, having been erected about four years ago to replace one burned at that time. The total loss is estimated at $2,500, partly covered by insurance in the Kent Mutual and James G. Beck's agency.

UNDER KNIFE AT AGE OF 84

After nearly a quarter of her long life spent in blindness, Mrs. Amanda Garrett, 84 years old, of Chestertown, underwent an operation for cataract on the eye in the Franklin Square Hospital, Baltimore, Tuesday, which, it is believed, will restore her sight.

Although weakened by the shock, Mrs. Garrett stood the operation well and was reported resting easily.

Anxiously waiting the result of the delicate operation was her granddaughter, Miss Edna Copper, a senior nurse in the hospital. When her grandmother was removed from the operating table she was taken to the ward over which Miss Copper had charge.

Miss Hannah Garrett, the faithful nurse and devoted daughter, accompanied her mother to Baltimore.
