Do You Get Up With a Lame Back?

Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Rock Hill Plays a Tie With Washington.

The game of football at Chestertown Saturday between Rock Hill and Washington College resulted in both sides scoring 13 points.

Rock Hill was enabled to tie by reason of a very nice decision of the referee, who declared that one of the visiting men had cornered the ball across exactly at the intersection of the goal line and the side line, although when the ball was downed Washington claimed it was 18 inches out of bounds A protest was made, but the touchdown went. Rock Hill has always been Washington's hoodoo. Last year the teams played a scoreless tie and the year before Washington won by a safety.

It was always the first game on the schedule for the Eastern Shore boys, and somehow they do not get going till Rock Hill throws a scare into them. As the teams lined up Saturday for the kick-off, Washington looked 20 pounds heavier to a man and seemed able to carry its lighter opponents down the field at will. At first it looked as if they would do so, for by straight football they gained down after down until within striking distance of the goal. Then Meekins made a beautiful forward pass to Pfitsch and the first touchdown was scored. Wilkinson kicked goal.

The first touchdown was easy fruit, but Rock Hill began her forward passing, which she worked to perfection, and soon Washington's goal was threatened. It was successfully defended, and Wilkinson was called on to punt. The effort was weak and Rock Hill was still in Washington's territory. An end run by Stanley crossed that intersection and a touchdown resulted.

A failure to kick goal still kept Washington ahead when the first quarter was up. Neither side scored in the second quarter.

In the third Rock Hill again got those fatal forward passes going and soon Fuccy caught one and was over the line like a flash for another touchdown. Goal resulted this time and the score was 13 to 7 for Rock Hill.

In the last quarter Washington for the first time seemed to wake up and played as if it wanted to win. Rock Hill's line was pounded again and again until Biddle crashed through for the second touchdown. A failure to kick goal left the score a tie.

For Rock Hill Fuccy, Stanley and Jamele starred. For Washington Biddle, Garrett, Branham and Strong did good work. The line-up:

Washington.	*Position.*	*Rock Hill.*
Pfitsch, Wallace	Right end	Corbett
Garrett	Right tackle	Collins
Davis	Right guard	Galely
Long	Centre	Strain
Meredith	Left guard	Malone, Bernad / Green
Wilkinson	Left tackle	Tollman
Lewis	Left end	Fink
Meekins	Quarterback	McCarthy, Fuccy
Strong	Right halfback	Jamele
Biddle	Left halfback	Stanley
Branham	Fullback	Fuccy, Miller

Touchdowns—Biddle, Pfitsch, Stanley, Jamele. Referee—Saylor. Umpire—Brennick. Head linesman—Beck. Time of quarters—12 minutes.

NOTICE TO All Persons Concerned

Hereafter the County Commissioners will neither recognize nor pay bills presented by any physician for any post mortem examination of bodies of dead persons. Nor will it pay any bills presented by Justices of the Peace for examining bodies of dead persons unless it can be shown that the Coroner is not accessible and unless the Coroner is first notified of any sudden death.

Only the bill of such physicians as the Coroner or Health Officer of the county may designate to make such an examination will be recognized or paid, and no other physician will be entitled to or receive pay for such services.

This action of the Board is taken because a practice has grown up in this county whereby the Coroner and his Physician examine bodies of the dead; and a Justice of the Peace in the county will summons a Physician and he and such physician examine the same body of such dead person: thus double bills are presented to the county for payment. The county will pay no charge of any peysician for such service exceeding $5.00

By order of the Board,
s21-tf SAM'L HICKS, Clerk.

Antoine Deloria, Postmaster at Garden, Mich., knows the exact facts when he speaks of the curative value of Foley Kidney Pills. He says: "From my own experience I recommend Foley Kidney Pills, as a great remedy for kidney trouble. My father was cured of kidney disease and a good many of my neighbors were cured by Foley Kidney Pills." Sold by M. A. Toulson.

Practical American Modes.

Smart Models And Stylish Outlines That Suit American Wearers—Hats And Footwear.

There is much talk just now of American Fashions but the best dressed women here have always insisted on French styles to suit their own needs and figures. The difference is that the crowd has waked up to the absurdity of many of the extreme modes worn by people with more money than sense.

STREET DRESSES.

Suits are by no means out of style and never will be but street dresses are first favorites, and of course the top coats that everyone must own who selects to wear the coat dress, are here in an endless array of attractive and practical modes, made up in all sorts of materials wool velours, double faced cloths, silk and mohair, plushes, corduroys and velvets as well as serges of all width weaves. Models are not as wide in front as they were last year, and are almost all rounded off in front, and about an eighth shorter than the dress skirt, but for those who prefer there are plenty of coats that completely cover the dress and are in effect a complete street costume, and these are first choice for the woman whose coat must be worn for many occasions, over frocks too light to appear on the street High Robespierre collars and vests of the same period in velvet or plush, or wool embroidery make a coat of plain material stylish and dressy enough to wear for almost any occasion yet do not detract from its practical value for warmth as a protection to the dress.

HATS.

Paris says very small hats, but here in New York we wear any size hat that suits us, and almost any shape. Plush is the popular material for hats and dress trimmings but soft crowns of velvet in puffs or Tam O'Shanter styles are quite as well worn. Scant trimmings are the rule though some of these represent anything but scant expenditure—but one can get pretty, made feathers and wings for very reasonable figures.

THE SILHOUETTE.

No one who wants to look up-to-date can afford to neglect the study of the outline or silhouette This varies each season somewhat. The new styles in corsets have just been launched from an authoritative American manufacturer here who keeps in constant touch with foreign fashion designs, modifying them to suit the requirements of American women. The Redfern and other Warner corsets, are all carefully built to give the correct lines to any figure, without sacrificing comfort, and are sold everywhere with a guarantee that they will not tear, break or rust, which is most satisfactory to the woman who must count her expenditure carefully, as most of us need to do in these times of soaring prices.

WAIST LINES.

Waist lines remain high and large, which is good news to women inclined to embonpoint since the straight silhouette is most complimentary to over-wide hips, while the new sash draperies and tunics soften all the too insistant outlines that have recently been so tiresomely evident. Sleeves are very long except for bridge and dinner frocks, and ruffles finish them, at the wrist and more often than not run up the back seam to the elbow. Necks are usually fashioned so that high or low gamps can be worn at will. The mannish silk shirt is still the favorite with girls, and younger women. This is varied with extra Robespierre collars, jabots, and contrasting neck ties.

FOOTWEAR.

Shoes are no small item when narrow skirts keep the foot constantly in view. Cloth uppers and spats are modish, the latter only practical for a slim well built foot.
