FOR WOMEN ONLY.

That is the nature of Dr. Pierce's Favorite Prescription—the one remedy for women which contains no alcohol and no habit-forming drugs. Made from native medicinal forest roots. Dr. Pierce tells its every ingredient on the bottle-wrapper. Prominent physicians and some of the best medical authorities endorse these ingredients as being the very best known remedies for ailments and weaknesses peculiar to women.

MRS. COFFEY.

This is what MRS. GERTIE L. COFFEY, of Longstreet, Ky., says: "I feel it my duty to write and tell you what your medicines have done for me. I was a great sufferer for six years from a trouble peculiar to women, but I am pleased to say, after taking four bottles of your 'Favorite Prescription' I am entirely rid of that dreadful disease and feel like a new woman. When I first wrote you for advice I only weighed 115 pounds—now I weigh 125.

"I thank you very much for your kindness. You have been as a father to me in advising me what to do, so may God bless you in every effort you put forth for good.

"I hope this testimonial will be the means of some poor suffering woman seeking health."

Dr. Pierce's Medical Adviser, newly revised up-to-date edition, answers hosts of delicate questions about which every woman, single or married, ought to know.

7.30 P. M.—Sunday School Rally, addresses by Dr. Macnichol.

In conjunction with the above named exercises a Souvenir booklet is being published for distribution. This booklet will contain a historical sketch of the Church, by Hon. Jas. S. Harsis, a membership directory, a Sunday School directory, a list of the officials &c. Also pictures of the church, the pastor, Jas. S. Harris president of the Board o. Trustees, and Aunty Clements the oldest living member.

We congratulate the members and friends of this church on their ecclesiastical pride and christian loyalty as revealed in the improvements thus far made and their contemplated plans for the future. The church, as it now stands, is doubtless the most beautiful and comodious country church on the Eastern Shore. And it is interesting to know that it is the oldest continously organized Methodist Society on the Delmarvia Peninsula. The original edifice, of which the present is a successor, was probably erected sometime during the Revolutionary War. It is a notable fact that Bishop Asbury, the pioneer organizer of Methodism established a preaching place here in 1772. It is also of interest to know that Ezekiel Cooper, Bishop Whatcoat and Bishop Scott were pastors of this church befcre they were called to their official positions.

The improvements that have been made are as follows: the exterior repaired and painted, the auditorium newly frescoed, a Pitner lighting system installed within and without, a new carpet presented by the "Ladies' Aid Society," and a new organ installed as the result of the generosity of one of the members. The total cost is about $1200.

The Pastor anticipates something more than passing interest in an improved edifice and the 140th anniversary exercises. He hopes that back of all this will come renewed interest in the life of the church and a genuine Spiritual revival.
