Those of us who heard the great debate at the Lyric Monday night and those who have followed up the press reports of the same can only say, hurrah for Rayner, Three cheers for Cockran.

Three yoke of oxen hitched to a thribble set of timber wheels presented a novel sight to many of our people a few days ago. It has been a long time since a yoke of oxen were seen in this section before.

The grand festival and supper of Wesleyan M. P. Church is due this (Saturday) evening Everybody come to it. Those failing to be there will be sorry when they hear of the success of every feature of the affair.

Capt. Charles Kerr, Jr. left the river Monday evening in the bugeye Laura J. heavily loaded with oysters and was caught in a gale outside of the Patapsco and both masts of the vessel were carried away. Capt. Henry Smith, also from the Chester, took the disabled craft in tow reaching the city Tuesday morning.

Not for many years has there been such a demonstration of joy and religious enthusiasm at a public service as was witnessed in the M. E. Church last Sunday morning. The pastor, Rev. Mr. Prettyman preached a splendid and most timely sermon on the theme, The Progress of the Faith, dealing briefly with the various changes from Roman Catholicism down to Methodist Episcopalism.

SHORTLY after the return of the parade of the Wild West show in Georgetown last Friday, one of the bronco horses broke loose and ran madly through the large crowd of people about the show ground, jumping fences and carriages. The cow-punches finally corraled it, but not before it had knocked down and slightly hurt Elsie Bailey, a small girl, and Mrs. Frank Hitchens. Mrs. Hitchens was hurt about the hip during the fall when the horse's hoof hit her and a board which was knocked from a fence which it jumped was thrown upon her.

TO PROSPECTIVE
Tomb-Stone Buyers

Any one who may desire a duplicate of the Topping Monument can get it here at home for considerably less than what was paid for this one. I will save you all extra expense that a dealer away would have in erecting one here. You will not be asked to pay a penny until the work is completed. Then if it is not as good in every respect as the one now erected, you are not obliged to accept it. You take no chances whatever when you deal with me.

In all classes of Monument and Tomb-Stone Work you will find my prices lower than city prices. We are always glad to give estimates.

IN MEMORIAM.

In loving remembrance of my dear husband, ISAAC SIMMS, who passed away three years ago, October 12th.

In memory I often think
Of the one I loved so dear;
The vision is so clear sometimes
I think he must be near.

Do not ask me if I miss him.
Oh, there is a vacant place;
Oft I think I hear him calling,
Or I see his smiling face.

Dear husband, you have left me,
In sorrow, grief and pain;
But in a brighter home than ours
I hope we'll live again. WIFE.

Fine Quinces.—Ex-Sheriff John Silcox, brought to the NEWS office on Saturday last eleven quinces that weighed seven pounds. They were grown on a four-year-old tree in the yard of Mr. Thomas Clements, Chestertown, and were beauties.

Planning For Christmas—We learn Mr. Wm. Medders, of Wm. Medders & Co., of Still Pond, is now in New York arranging for a great Christmas. These people go into the Christmas business on a large scale, and it is one of the interesting sights in the county to visit their busy place at Christmas time.

Beauties.—Mr. W. R. Glenn left at the NEWS office this week a sample of his Lankford apples. They are beauties. Mr. James W. Chapman also left us a sample of his apples which are also fine big fellows.

Western Md Today.—The strong Western Maryland College foot ball team will play Washington College this afternoon at 3 o'clock on the Washington College grounds.

Resources Increased from $15,228 21 to $177,269.87

The People's Bank of Chestertown has been engaged in business just two years, having opened its doors September 1, 1910.

The record of these two years, as shown by the following tabulated summary of resources, indicated in the sworn statements made to the State Banking Commissioner and published at intervals of about three months, is an exhibition of substantial growth and development extremely gratifying to the officials and directors and must be likewise to all stockholders and friends of the bank.

To grow in resources from $15,000 in September, 1910, to more than $177,000 in September, 1912, in the face of local conditions, is certainly an achievement worthy a feeling of satisfaction and pride. It is moreover a marked testimonial of public confidence in the business integrity of the management and an unfailing augury of the stability and permanent success of the institution.

TUESDAY, SEPTEMBER 24th, was the opening for showing the latest styles and best values in FALL AND WINTER HATS. We are pleased to state that MISS HOLSTON, the expert trimmer, is with us again this season. Four assistants are in the work room. With such competent help and large and well selected line of Millinery to show you, we take pleasure in soliciting your trade in this Department.

SUITS

To make provision for our growing trade in Ready-to-Wear Goods, we now utilize one-half space of the second floor for SUITS and COATS. Our Suits and Coats are made for us by the reliable firm of Strawbridge & Clothier, and a shipment of over one hundred suits is here from which you can make a splendid selection.

Also, we take special measurements for suits and guarantee a fit.

FALL SHOES

We feel a just pride when it comes to the matter of SHOES. The praises of the J. & K. Shoes have been sung ever since the line has been represented in our store. Their wearers in this locality are getting acquainted with their merits as to style and quality and are swelling the chorus in their praise, so that this season we expect to distribute just double the number of fine shoes as was sold last season. No need to go to the city now, for no better shoe than the J. & K. is to be found.
