MIGHTY MICHIGAN WINS SILVER CUP

Finishes Third Of More Than 100 Cars In 108 Mile Race

The following telegram was received at the Michigan factory, in Kalamazoo, July 10th:

"V. L. Palmer:

Michigan Forty finished third in road reliability race—Camden to Wildwood, New Jersey—one hundred and eight miles. Over one hundred cars entered. Pierce Arrow first. Our prize: Silver Cup. Car driven by Dr. Faulkner, of Bridgeton, New Jersey.

E. F. GERBER."

This is one of many similar performances that the Mighty Michigan Forty has given this season.

The even balancing of all parts to match the strength represented by the Mighty Michigan Motor and Chassis is a characteristic which has become distinctive of this Car. It is asserted that this accounts for the sensational success of the Michigan among medium priced cars. It is an illustration of the value of thirty years manufacturing success behind the product.

Did You Ever Think Of It In This Way?

¶ If you save $100 from your earnings during a year it is the same amount you would receive on a $2,000 investment for one year at 5 per cent.

¶ To save, one must sacrifice. The best things of life are gained in this way. If you want to lay aside a part of your earnings, come to this bank and open an account. A bank account will assist you greatly in the undertaking.

¶ We welcome the small depositor.

KILLED A COW!

Miscreants driving along the public road in Quaker Neck Sunday shot and killed a fine cow belonging to Mr. James Walbert. The cow was at pasture with other cattle in the field which bordered the public road. Mr. Walbert bought the cow and calf two weeks ago for which he paid $60 cash.

Mr. W. C. Townsend reports that there were a couple of drunken colored men in the Neck Sunday. They drove into a flock of sheep and one of the men was so incensed that he pulled out a pistol and was about to shoot the sheep which impeded his travel, but his companion prevented him. The officers are trying to find the culprit.
