TO PROSPECTIVE

Tomb-Stone Buyers

Any one who may desire a duplicate of any of the stones erected in Chester Cemetery by outside parties can get it here at home, and in every instance but one at considerably less. I will save you all the extra expense that a dealer away would have in erecting one here. You will not be asked to pay a penny until the work is completed. Then if it is not as good in every respect as the one now erected, you are not obliged to accept it. You take no chances whatever when you deal with me.

In all classes of Monument and Tomb Stone Work you will find my prices lower than city prices. We are always glad to give estimates.

CONGRESS IS DEMOCRATIC

Wilson's Followers Will Control Both Branches.

MANY LEADERS DEFEATED

Ex-Speaker Joseph Cannon Loses His Seat In Lower House, and Norris, Dixon, Bourne and Kenyon, Progressives, Are Retired From Senate.

Washington, Nov. 7.—The new congress will be Democartic in both its branches. The senate will probably stand 52 Democrats and 44 Republicans and the house 292 Democrats, 129 Republicans and 14 Progressives.

"Uncle Joe" Cannon has been defeated, and Colonel Roosevelt's son-in-law, Nicholas Longworth, of Cincinanti, slipped in by a narrow margin, as did also Sereno E. Payne, of New York, at present chairman of the minority in the house, and John Weeks, of Massachusetts.

The Democratic gain in Massachusetts was not anywhere nearly as great as the enthusiastic Bay State leaders imagined. In Ohio the indications are that the Republicans will have only two or three congressmen, while in the present house they have five. There will be eighteen Republican congressmen from New York as against fourteen in the present house.

In the senate the Progressive leaders were smitten hip and thigh. George W. Norris and Joseph M. Dixon, the national Progressive chairman, are surely defeated, as are probably Jonathan Bourne, of Oregon, and William S. Kenyon, of Ohio. Governor Stubbs, of Kanas, will probably fail on the election.

In the seante the Democratic gains are as follows:

One in Colorado, where Senator Guggenheim retires; one in Iowa, where Senator Kenyon retires; one in Montana, where Senator Dixon goes out; one in Nebraska to take the place of Senator Norris Brown; one in New Jersey to take the place of Senator Briggs, and probably one in Nevada, taking the place of Senator Massey.

In Massachiusetts it is expected that on joint ballot for United States senator the legislature will be very close.

Of sixty candidates for the house of representatives so far known to be elected, 32 are Republicans, 27 are Democrats, 3 are Progressives and 1 is a Socialist. This is a gain for the Democrats ,and there is a possibility that the Progressives may hold the balance of power.

The terms of thirty-one United States senators will expire on March 4, 1913. In addition to most of these four seats now vacant were involved in the elections.

CONNECTICUT FOR WILSON

Democrats Also Elected Entire State Ticket.

Hartford, Conn., Nov. 7.—Connecticut swung back to the Democratic ranks. The vote of the state shows the choice of electors who will cast the seven votes of the state for Woodrow Wilson, that decision being made by a plurality of 10,000.

Baldwin, the Democratic governor of the state, is re-elected by a plurality that threatens to exceed 15,000 The election of five Democratic congressmen is indicated.

The large plurality of Governor Baldwin carried the entire Democratic state ticket with it, something that has not happened in Connecticut in this geenration of voters. Governor Baldwin ran well ahead of Governor Wilson.

The Democrats will control the state senate, thus making certain the ability of the governor to secure confirmation of his appointments.

The house is close and the Progressives may have the balance of power The state does not choose a United States senator, however, this year.

VERMONT STANDS BY TAFT

Apparently Only New England State In Republican Column.

White River Junction, Vt., Nov. 7.—President Taft was the winner in Vermont by a plurality of 924 over Colonel Roosevelt. Mr. Taft reecived a total of 23,247 votes; Colonel Roosevelt, 22,323, and Governor Wilson, 15,397.

An analycis of the returns shows that Colonel Roosevelt reecived the largest support in the farming districts, where President Taft's Canadian reciprocity policy was said to be unpopular. The cities and towns contributed heavily to Mr. Taft's vote.

West Virginia For Wilson.

Wheeling, W. Va., Nov. 7.—Republican leaders in the state concede that Wilson has carried the state, but they claim that the Republicans have elected Howard Sutherland as congressman-at-large. Democrats concede the election of Dr. Hatfield as governor of West Virginia over W. R. Thompson, Democrat. Socialists polled a large vote in the coal fields. Liquor men admit that the state has gone dry by a large majority.

Idaho Goes For Taft.

Boise, Idaho, Nov. 7.—The returns show that Taft has carried the state by 8000, and that the legislature will be safely Republican on joint ballot, thus assuring the election of two Republican United States senators.

WOMEN SHOULD BE PROTECTED

Against So Many Surgical Operations. How Mrs. Bethune and Mrs. Moore Escaped.

Sikeston, Mo.—"For seven years I suffered everything.

I was in bed for four or five days at a time every month, and so weak I could hardly walk. I cramped and had backache and headache, and was so nervous and weak that I dreaded to see anyone or have anyone move in the room. The doctors gave me medicine to ease me at those times, and said that I ought to have an operation. I would not listen to that, and when a friend of my husband told him about Lydia E. Pinkham's Vegetable Compound and what it had done for his wife, I was willing to take it. Now I look the picture of health and feel like it, too. I can do my own housework, hoe my garden, and milk a cow. I can entertain company and enjoy them. I can visit when I choose, and walk as far as any ordinary woman, any day in the month. I wish I could talk to every suffering woman and girl."—Mrs. DEMA BETHUNE, Sikeston, Mo.

Murrayville, Ill.—"I have taken Lydia E. Pinkham's Vegetable Compound for a very bad case of female trouble and it made me a well woman. My health was all broken down, the doctors said I must have an operation, and I was ready to go to the hospital, but dreaded it so that I began taking your Compound. I got along so well that I gave up the doctors and was saved from the operation."—Mrs. CHARLES MOORE, R. R. No. 3, Murrayville, Ill.

HURLOCK PROPERTY SOLD.

The largest sale of real estate in Queen Anne's county in the last ten or fifteen years was made Tuesday afternoon, when Senator J. Frank Harper, Trustee, sold the Hurlock estate, near Chestertown, in Queen Anne's county, the total sales aggregating $48,989.23

"The Home Farm," consisting of 127½ acres of land, was sold to Mr J. Carroll Seney, of Price, for $101.25 an acre, or a total cost of $12,909 38.

The Cosden-Hendrix Farm of 211 acres was purchased by Edward H. Parker, a wealthy resident of Salem, Mass., at $73 05 an acre, or a total of $15,440 50.

The "Clements Rolph Farm," consisting of 408 7-10 acres, and the largest tract of the lot, was purchased by Edwin W. Corwin, of Newburg, New Jersey, at $50 50 an acre, or a total of $20,630.35.

The property was owned prior to his death by the late S. R. Hurlock, of Queen Annes county, and is considered by many to be among the finest in the state. The bidding on the property was spirited and a large crowd attended the sale. Twenty-two automobiles were lined up along Lawyers' Row during the sale, showing that many from a distance came to bid on the property.

COAL FAMINE ON "SHORE."

A coal famine exists on the Eastern Shore. Dealers in Denton, Ridgely, Greensboro, Easton and scores of other towns in Maryland and Delaware have failed to have their summer orders for coal filled up to this time, and it is now said that there is no likelihood of these orders being reached by the operators and commission men within the next two or three months. In the past few days local dealers have been advised that no assurances could be given as to when their summer orders would be filled, but that if they must have coal right away it would be furnished at a ruling price at the mines of $5.50 to $6 This would make the cost to the consumer about $9 a ton. In view of the coal famine the wood trade is reviving, and it is expected that before long large supplies will be brought in to be sold at fancy prices. Many families will lay aside coal stoves and use airtight heaters. We are glad to say that Chestertown's dealers have laid in a good stock but this is rapidly being delivered.

LADIES who are casting about for Christmas money should remember that the old straw stack is good hard dollars if sold to the American Straw broad Company, Chestertown. This company is paying $2.50 per ton for straw and doubtless on many Kent farms many dollars will go to waste in useless straw. Read the advertisement of the company in this issue and get in touch with them to-day.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and better health in that organ is obtained quickest by a proper treatment of the kidneys. **Swamp-Root** corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root, the great kidney remedy is soon realized. It stands the highest because of its remarkable health restoring properties. A trial will convince anyone.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.
