ROCK HALL NOTES.

Sunday was observed as World's Temperance Day in the M. E. Sunday school and the superintendent's review of the lesson was practical and forceful not only from the demon of rum standpoint, but also that which is contrary to God is contrary to all of good, hence leads to all of woe.

It is pleasing to many of our people to note the continued popularity of Rev. John W. R. Sumwalt, Dist Supt. of Washington, District Baltimore Conference. He has received a call from a Pittsburgh church whose property is valued at $500,000. Rev. Sumwalt is a relative of the Hersch family of this place. As a boy he spent his summer vacations here and quite a number of the young men here have "Jack" in pleasing remembrance. It is not known if Bishop Cranston will consent to Mr. Sumwalt's transfer.

An "old field nor wester" on Saturday made it hot for the river oystermen who had to skidadle against a terrific wind and sea. Some were blown to the Queen Anne's shore, others were disabled and were assisted to harbor. Some failed to reach their home harbor until Sunday.

As soon as Gov. Wilson was elected down went the price of oysters to thirty cents, is the lament of some of our tongmen.

Rumors are afloat here concerning the next postmaster. The G. O. P. fellows seem more anxious for Downey's hide than the Democrats are. Best go slow. Downey has made an efficient postmaster. While "there are others" and other splendid locations, its best to go slow.

Mrs. W.T. Harrison, who was seriously injured by a fall a month ago, was taken on the advice of her physician to the Md. General Hospital last Friday for an operation.

As a result of a wager on the Presidential election between Mr. and Mrs. J. R. Ryan, Jr., the former is daily feasting on chocolate cake.

GRANGE NOTES.

Still Pond Grange held a very interesting and profitable meeting on Tuesday afternoon in Harper's Hall. In spite of the horse racing attractions elsewhere a very good crowd was present and our Lecturer, Mrs. Moore had arranged a very good program.

Mrs. S. C. Crewe gave a talk on "Exterminating the red ant," Mrs. Wm. Medders gave one of Dorothy Dix's pieces on "The Trials of being a woman," Rev. S. S. Hepbron talked of the Grange and Grange work and told how hard it was to get the farmer—the most hospitable man in the world—to come together and make a union of any sort. Why it takes either a big dinner or a horse race to get a bunch of them together—even though they are convinced that in "union there is strength." When the farmers of Kent county wake up to the fact that the Grange in other States stands for something and adds something to the bank account perhaps we can get them to join and attend meetings. But somehow, every farmer thinks his way is the best and he "does not want any advice."

Owing to the fact that so many Grangers expect to attend May week in Baltimore, we will have no meeting next Tuesday. On the afternoon following, November 18, a "Woman's Suffrage meeting" will be held and many interesting things promised. Bear in mind the date, gentlemen especially are invited to come and their wives *talk*.

On Nov. 5th Fairlee Grange held a meeting full of interest—Mrs. Morris run a membership, etc. Mr. Jones his first gave a paper on "How I and was house were I a woman," those who thought was a vacum cleaner answer to replete with wisdom, as we would I followed Mr. Romie Skirden common "If I were not myself, of greater rather be," was full of the Batchelor sense and fun. of $10,000,000 for Pensions, A fund its and Life Insurance will be Sick B on January 1st for the 175,000 availa es of the Bell system and associ employ terests and their families and ciate ents, amounting altogether to depe than a quarter of a million people. mon $10,000,000 fund will be made Th year to year by annual appropriafro on the part of the American Teleand Telegraph Company and Associated Companies, and the Western Telegraph Company and the tern Electric Company.

The plan for the distribution of this fund has been characterized as the most liberal, comprehensive and ideal ever inaugurated. President T. N. Vail has provided combined benefits for superannuation, sickness, accident and death for an industrial army more than twice as large as the standing army of the United States.

This provision is made entirely at the expense of the various companies interested, without contributions of any kind from the employees themselves. The application of these varied benefits will be strictly democratic and will be for the benefit of all employees of every rank. The plan will provide for free change of employment from one company to another, with full credit for combined terms of service.

The Bell system and associated interests provide employment for about 175,000 people; of this number 130,000 are employees of the Bell Telephone System. The total yearly pay for the whole group is about $115,000,000, something over $80,000 000 being paid out in wages by the Bell telephone system alone.

A FINE ENTERTAINMENT

The first of a series of four entertainments to be held during the winter, under the auspices of Fairlee Grange, was given Tuesday evening to a large and appreciative audience by the "Nordland Girls." Each one was an artist in her profession. Miss Munson's art as reader and manager is of a kind that suggested to her hearers in a refined and intelligent way the thoughts, feelings and emotions of the writer whose creations she portrays, and Miss Lindahl is unquestionably the best Norwegian soprano in America. Her grace of manner and purity of tone creates the most favorable impressions. The violinist, Miss Webster, also charmed her audience, rendering difficult selections with ease and skill. Miss White, the 'cellist, manifested every essential to meet the highest requirements of her company and the audience, while Miss Peterson proved an accomplished accompanist, to the delight of everyone.

On December 19 Miss Marion Ballow Fisk, "Cartoonist Lecturer," will speak to the eye, which is said to be the window of the soul. The Grange is to be congratulated that they secured this high class of talent.

On February 15 and March 19 others quite as good will be present.

RESOLUTIONS OF RESPECT.

Fairlee Grange No. 249, realizing most deeply the great loss it has sustained in the death of Sister ETTA F. KILBOURN, desire to place upon record this tribute of its appreciation of her work for the good of the Order, and to recall her prompt and faithful attendance to all the meetings of the Grange and her willing and efficient service wherever needed.

As a neighbor, she was most faithful, ever ready to minister to those in need and to sympathize with those in trouble or sorrow.

As a friend she was kind, sincere and true, and in all the various walks of life maintained a well balanced and christian character.

The sudden passing from us of such a useful and beautiful life has cast a gloom of sorrow over us. Therefore, it is resolved by a rising vote that we extend to the bereaved family—the husband, the nephew, the mother and father—our deepest and most heartfelt sympathy in this hour of their great sorrow, and request a copy of these resolutions be sent to the family and the county papers and that a page of the minutes be set apart on which to subscribe this memorial of our love and esteem.
