The FARMER and His Banker

OUR BANK never fails to give as good service to the FARMER as it gives to any business man. As a matter of fact few banks could exist in this day and age of the world without the co-operation of the farmer.

It will pay every FARMER to carry a checking account with this bank.

Our burglar proof vault, together with conservative management, makes our bank an absolutely safe place for your money. Deposit your savings and grow with a growing bank in a growing community.

Accounts may be opened by mail and monies withdrawn in this way with equal facility. The rural mail route solves the problem.

It is not always necessary to come to the bank to do your banking.

AN EXPLANATION.
During the very heavy gale Thursday morning, December 12, 1912, the new hay barrack on Arcadia farm, tenanted by Mr. Howard Reese, blew over. It was mechanically constructed by Mr. Azariah M. Kendall, Fairlee, and it was not any fault of his that the building went over. I make this explanation in justice to Mr. Kendall, whom I regard as a very competent builder. MALCOLM W. HILL.
