ONLY A BOX.

Only a box secure and strong
Rough wooden and six feet long
Lying here in the drizzling rain
Waiting to take the north bound train.

Only its owner just inside
Cold lifeless and glassy eyed
Little to him if the train be late
Nothing has he to do but wait

Only an open grave somewhere
Ready to close when he gets there
Turfs, grasses and flowerts sweet
Ready to press him neath their feet

Only a band of friends at home
Waiting to see the traveler come
Naught will he tell of the distant land
He can not even press their hand

But they will softly for him await
He will move about in state
They will give him when he appears
Sorrow pity and tender tears

He has no gifts for a child's delight
He has no stories wierd and bright
He did not come with any thing
He had not even himself to bring

Only a box secure and strong
Rough, wooden and six feet long
Angles guide that soulless breast
Into a long and peaceful rest.

KENNEDYVILLE NOTES.

Miss Bessie Jewell, teacher of Piney Neck school, spent Sunday with her parents and attended the M. P. Church service in the morning, teaching her interesting class of boys in the Sunday school.

Mr. W. M. Clendaniel was with his family from the end of the week until Monday, when he left Kenndeyville by the Penna railroad for the hospital in Baltimore where he is under treatment, for his affliction He is looking well and is bright and cheerful and seems to be getting along nicely to the delight of his large circle of friends.

It is wounderful how well our Grange meetings are attended these dark nights when the roads are in bad condition. It goes to show the deep interest the Patrons and Maids of Husbandry have in the many good features of the organization, immensely profitable, socially, and greatley helpful to its members from agricultural, sanitary educationol and many other standpoints.

At the meeting of our Grange Monday evening about half a dozen more new names were proposed for membership The session was particularly interesting and profitable, and the Worthy Lecturer's question box entertainment gave all something to do, which was hugely enjoyed by all present. Next Monday evening Miss Emma Shafer, who returned home last week from College Park, where she took in the full course on Domestic Science, will make her report. A number of the Lecturer's programme for same evening is the question, "How can the Parcels Post System be made more beneficial to both the producer and the consumer."

The Aid Society of the M. P. Church is taking on new life. Its efficient officers are: Mrs. Dr. J. W. Urie, president; Miss Emma Shafer, secretary and Mrs. James H. Weer, Sr., treasurer. The meeting last Friday evening in the home of Mrs. Lulu Dukes, was largely attended when several new members were received. The music was fine and the humorous reading by Mrs. Mullineaux was much enjoyed.

At the business meeting of said C. E. Society held last week in the home of Dr. and Mrs. J. W. Urie, Miss Annie Weer, president, the following named persons were named by the prayer meeting committee as leaders for February: D. T. Nickerson, Feb 2nd. Mrs L. A. Pennington, for Feb. 9th. Mr. H. E. Seney, Feb. 16th. Mrs. F. H. Mullineaux for Feb. 23rd Sunday next, the 2nd, of Feb. is Christian Endeavor thirty second year anniversary day. Born Feb 2nd, 1881. A special service with music, flags and banners of decoration and a most interesting program under the leadership of D. T. Dickerson. A large attendance is solicited. Come and help to celebrate the great day.

RESOLUTIONS OF RESPECT.

In the death of Mrs. Matilda Brinsfield, Betterton M. E. Church and the Ladies Aid Society (of which she was vice president at the time of her death), and a wide circle of friends have lost a most faithful and a valued friend.

As a member of our church and the Ladies' Aid Society she was always closely identified with every plan for their progress and welfare, being actively engaged so long as physical health permitted.

With kind words and loving deeds, she showed the sweetness of her Christian character, and the thoughtfulness of her mind and heart for every one, and especially those in trouble and sorrow. Therefore, be it

Resolved That we will greatly miss our dear departed sister, and that we will cherish, with loving remembrance, her noble Christian life among us. That we extend our sympathy and love to her bereaved son and daughters in their great sorrow and commend them to the blessed Savior who alone can comfort in our times of greatest loss, and may they realize that while their precious mother has left them she is not dead but is living in a far happier home with her God, and though she cannot come back to them, they may follow in her Christian footsteps and some day meet her again in Heaven. Be it also

Resolved, That a copy of these resolutions be sent to the bereaved family, a copy spread on the minutes of the Ladies Aid Society of our church, and a copy sent to the county papers for publication.

LIFE'S STRUGGLE WITH ILLNESS

Mrs. Stewart Tells How She Suffered from 16 to 45 years old—How Finally Cured.

Euphemia, Ohio.—"Because of total ignorance of how to care for myself when verging into womanhood, and from taking cold when going to school, I suffered from a displacement, and each month I had severe pains and nausea which always meant a lay-off from work for two to four days from the time I was 16 years old.

"I went to Kansas to live with my sister and while there a doctor told me of the Pinkham remedies but I did not use them then as my faith in patent medicines was limited. After my sister died I came home to Ohio to live and that has been my home for the last 18 years.

"The Change of Life came when I was 47 years old and about this time I saw my physical condition plainly described in one of your advertisements. Then I began using Lydia E. Pinkham's Vegetable Compound and I cannot tell you or any one the relief it gave me in the first three months. It put me right where I need not lay off every month and during the last 18 years I have not paid out two dollars to a doctor, and have been blest with excellent health for a woman of my age and I can thank Lydia E. Pinkham's Vegetable Compound for it.

"Since the Change of Life is over I have been a maternity nurse and being wholly self-supporting I cannot over estimate the value of good health. I have now earned a comfortable little home just by sewing and nursing since I was 52 years old. I have recommended the Compound to many with good results, as it is excellent to take before and after childbirth."—Miss EVELYN ADELIA STEWART, Euphemia, Ohio.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
