AN UP-TO-DATE SERMON.

Rev. G. A. Morris, the esteemed pastor of St. James M. P Church, in his sermon last Sunday took for his subject "Jonah." Speaking of Woodrow Wilson he said that he was a great admirer of him, but that Wilson was not a God to be worshipped but a leader of men. He said that it was not what Wilson thinks or any other man thinks, but what the individual thinks as to who we should support for Senator. Although being a great admirer of Wilson yet he is not going to bring about a millenium. He said if the present Democratic administration does not bring about some relief in the industrial and civic life of the oppressed then four years from now there will be such a political upheavel that will stagor the most powerful politician.

Mr. Morris also complimented the inaugural speech of Vice-President Marshall as a most splendid effort. The sermon was listened to with much interest by the congregation.

The Spring Presents the Best Time to Buy Your Home or an Investment in Land.

I have 30 Valuable Farms in Kent alone, which can be bought at prices that will make these propositions superior to anything in which you could invest for a sure, steady investment.

These farms are for sale—not put up because they are worthless—but because the owners, for reasons of health, or too much land to till, or wanting a smaller farm, or too much in debt, are in a measure compelled to sell.

The list I can submit to you is the result of careful investigation, and contains tracts of land that will prove a profitable investment for your Funds.

The proportion of wise investments is greater in Real Estate than in any other line of investment.

Humidor Linens

SOME people go so far as to judge the general tone of a housewife's tastes by the kind of Linens she uses in the home. If you wish to have splendid judgment passed upon you use HUMIDOR LINEN, Strawbridge & Clothier's Brand and sold exclusively at this store. When the stamp "Humidor Linen" appears you will know it is

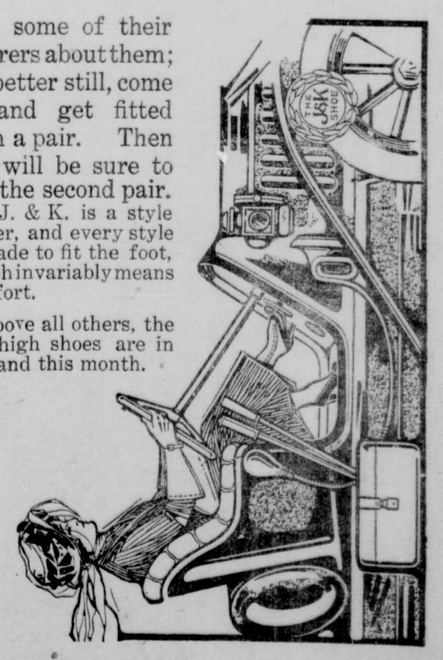

pure linen, whether it be Table Linen, Napkins, Towels, Toweling, Crashes or any kind of Dress Linen. Exclusive patterns—guaranteed wear.

Shoes That Are In Demand

THE J. & K. Shoes are making friends all the while, and "There's a Reason."

Ask some of their wearers about them; or, better still, come in and get fitted with a pair. Then you will be sure to get the second pair. The J. & K. is a style leader, and every style is made to fit the foot, which invariably means comfort.

Above all others, the tan high shoes are in demand this month.
