In loving remembrance of our loved one, Mrs. JOSEPHINE TAYLOR, who departed this life four years ago, May 17, 1909.

My dear wife, I miss you so,
All through the day, wher'er I go;
I miss you all through the weary hours.
Just as the birds miss sunshine and flowers.
DEVOTED HUSBAND.

Mother loved us, oh, so dearly,
And we loved her, too, with all our hearts;
There never was a day so sad and dreary
As the one we had to part.
LOVING CHILDREN.

Could those sightless, sunken eyes,
Closed beneath the soft brown hair;
Could the mute and stiffened lips
Move again in pleading prayer;
Still, how still, tho words would be,
"Let me hide myself in Thee."
LOVING MOTHER.

Oh, how I loved my sister dear,
No tongue on earth can tell;
But Jesus loved her dearer,
And called her home to dwell.
SISTER MAGGIE.

Advice to truckers.—One of Queen Anne's county's most successful truckers recently stated his remedy for the watermelon bugs. He says he has splendid success in the use of Scoth Snuff and a large stone. He sprinkles the snuff on the vines and when the bug attacks the vine he gets the snuff on him which causes a desire to sneeze. The bug flies to the highest object in sight and lights upon the stone, throws back his head to sneeze and brings it down on the stone with a whack that kills him. He says sometimes he kills enough to nearly hide the stone. Truckers, try it.

PROGRESSIVE CLUB.

The Betterton Progressive Club held its last meeting until Fall last week and after the business meeting at which they elected three new members, the meeting was adjourned and a smoker was held. Mr. Howard Turner acted as toast master and called on various members for a talk. The president, Mr. J. H. Gooding reviewed the work of the Club for the past year and saw much valuable work for the club, not only in this community, but for the surrounding district. Talks were also given by Rev. S. S. Hepbron, Mr. Harry Willis, Secretary Green and others, all seemed to feel that the influence of the club was for the uplift and betterment of Betterton.

Improvement of the town is the motte and it is a matter of pride all are taking in the building now being erected by Mr. F. S. Groves, of Ericsson line of steamers. He is enthusiastic on the future of our town, and an inspection of the building shows a house of comfort and luxury.

The contractor of this building, Mr. Pippin, of Chestertown, is doing the work to the entire satisfaction of Mr. Groves, and it can be readily seen that he is building it in a manner that shows his ability as a master builder and a high conception of what is necessary in a home for the comfort of the occupants. The Club adjourned and all showed a zeal commendable for next year. Make our motto, "To work for the advancement of the town," more forceful and faithful. Yours truly,

JOHN F. GREEN, Sec'y.
