SAMUEL HICKS, CLERK.

WE ARE trying to give to the tax-payers in this block a simple explanation of the difference between the Cash Levy and the Certificate Levy, also we are giving you a comparative statement of the indebtedness of the county when the levy was struck in 1910, and what it is to-day in 1913. Further, we compare the interest paid out on that debt then and now.

The Cash Levy is to pay cash for the various items as allowed in it; for instance, we strike the levy the first week in June. All allowed in that Cash Levy is paid in cash, or rather, an order on the Treasurer, which is the same. This comes from the taxes he is collecting.

This is not the case with the Certificate Levy, which is nothing more or less than an interest-bearing note for such things as are not allowed in the Cash Levy. The Certificate Levy, as you see published, is for certificates issued from June the 10th, 1912, to the time of striking the levy on June the 6th, 1913, and are not paid until January the 1st, 1914.

Suppose, at the first meeting of this board, which will be June the 10th, there should be a bill presented for $100, there would be added to this bill interest to the amount of $9.32, for it would not be due until January the 1st, 1915, and be provided for at the time of striking the levy in June, 1914, it at that time being a part of the county's indebtedness.

If the above-mentioned bill had been in the Cash Levy there would be no interest.

Bonded debt of Kent County at time of striking the levy in 1910	$25,000.00
Certificate debt of Kent County at time of striking the levy in 1910	85,757.21
Total debt of Kent County in 1910	$110,757.21
Bonded debt of Kent County at time of striking levy in 1913	$20,000.00
Certificate debt of Kent County at time of striking the levy in 1913	12,202.51
Total debt of Kent County in 1913	$32,202.51
Total debt of Kent County in 1910	$110,757.21
" " " " " 1913	32,202.51
Decrease in debt of Kent County in 3 years	$78,554.70
Interest paid on Certificates issued by Kent County in levy of 1910	$4,328.75
Interest paid on Certificates issued by Kent County in levy of 1913	590.26
Decrease of interest in comparative years	$3,737.49

ANOTHER FISH STORY.

A most remarkable fish story comes from Bay Hundred District, this week, a story unusual even for the Eastern Shore, with all its wonders of the deep. Mr. Samuel Bridges, one of the prominent fishermen of Wittman, was ill when the herring season closed May 25, so that he was unable to go out into the Bay and take up his pound nets. Friday he was sufficiently recovered to do so. When he went out to the nets, he found such a wonderful catch of rock that he could scarcely believe his eyes. He succeeded in landing the fish many of which were of remarkable size, running up as large as three feet long. He shipped the fish to Baltimore at once, and received from the consignment at 14 cents a pound nearly nine hundred dollars, or more for his day's catch than he had received, for all the other fish he had shipped during the season. Mr. Bridges was commiserating himself because his sickness had prevented him from looking after his interests properly, but he and his friends are now convinced that many a seeming hardship in life is a blessing in disguise.—Easton Gazette.

THE firm of J. G. Harrison & Sons, Nurserymen, of Berlin, Md., will entertain on the lawn of Mayor Orlando Harrison, the Maryland State Horticultural Society and the Peninsula Horticultural Society on July 31. Invitations will be extended to members and officers of Pennsylvania, New Jersey, Virginia and Virginia Horticultural Societies. The Harrison orchards show prospects of an immense peach crop, and the methods used in saving and growing this peach crop should be of interest to all peach growers.

Mrs. Faded — "You'd never think that fifteen years ago I was a real good-looking woman. There's nothing takes it out of you like washing, scrubbing and cleaning."

Anty Drudge—"That's so—unless you are sensible and wash and scrub and clean the easy way, with Fels-Naptha Soap."

No woman wants to look old and ugly. You don't have to. Hard work is what puts tired lines in your face, bends your back and spoils your figure. If you could find a way to ease up you'd be glad, wouldn't you? There is a way; a cool-water, no-hard-rubbing way; it's a good way, and it's cheap. It's the Fels-Naptha way, and it's very simple.

All you need to do is to buy a cake of Fels-Naptha Soap. Your cure begins right away, if you follow directions.

Full directions on the red and green wrapper.

About one month ago after being urged by many of my friends all over the County, I gave my consent to serve as a candidate for Treasurer and I take this method to further announce my candidacy for that office.
