To The Traveling Public

We wish to announce that in establishing our route from Chestertown to Tolchester we do so expecting to live up to our advertisement; that is—

Make the Trip Rain or Shine, Good Roads or Muddy Roads,

and we will meet every boat from Baltimore, including the Moonlight Trip, after the season at Tolchester opens up.

We ask your support in this enterprise.

Ride in the Car that will be there at all times to meet you.

Fare 75c Each Way

Kent News $1.00 Per Year in Advance.

Count the Steps to Your Telephone

How many steps do you take when the telephone bell rings? Install an extension station at a convenient point, and save those steps. Get the talk without the walk.

The cost is so trifling that it is the least important part of the transaction. May we hear from you?

COUNTING THE DAYS.

Chautauqua is Now the Delightful Anticipation of Many Kent Countian's. First Preparatory Work Done This Week. Who the Guarantors Are.

The first 1913 Chautauqua advertisements appeared last week in the KENT NEWS, and this is the sign for great activity all along the line.

OFFICERS.

Fred G. Usilton, President; T. D. Bowers, Secretary; Mrs. M. P. Finley, Solicitor.

GUARANTORS.

James G. Beck, W. W. Beck, William B. Copper, Thomas W. Eliason, A. A. Harris, W. W. Hubbard, H. C. Hughes, D. S., H. Jefferson & Bro., C. C. Jones, Charles E. Kirby, J. S. Kreeger, W. P. Newman, T. W. Perkins, E. F. Perkins, L. B. Russell, W. F. Russell, H. B Rote, George R. Rouse, A. Parke Rasin, H. B. Simmons, A. L. Sparks, H. G. Simpers, William M. Slay, J. L. Smyth, M. W. Thomas, M. A. Toulson, J. D. Urie, H. W. Vickers, Jr., W. Irving Walker, L. W. Wickes.

The Chautauqua is the most successful of modern institutions for combining entertainment and instruction. Its lectures, magicians, musicians, and readers are among the best that the country affords, and it is real factor for good, appealing as it does to the highest culture and best intellectual taste in the community.

The progressive Chautauqua is a wonderful arrangement. First the advertising crew goes from town to town putting up posters, distributing leaflets, visiting committees and stirring up anticipation generally. Later comes the group of energetic college boys with their car of freight. When they have driven their stakes, hoisted their canvas roof, clapped their platform into place, put the chairs or benches into order, the service of the seven days' engagement has just begun.

At each town's Chautauqua the program is practically the same in the events and order in which they come. One man, besides the college boys and the leaders of the Junior work, belongs to a town through the whole week. This is the platform superintendent, who also gives the series lecture. Rev. E. R. Perry, of Swarthmore College, will perform this duty for Chestertown this year.

A Chautauqua would not be possible for most towns except through this co-operative circuit plan. The expense of putting on an independent Chautauqua, providing the same program which the Swarthmore Association presents, with tent rental and other expenses would amount to about three thousand dollars.

Any community may consider itself fortunate that can have a week of this great intellectual and artistic festival.

ENTRIES FOR BOAT RACES.

Following are the entries for the boat races to be held at Chestertown, Thursday morning, Aug. 28th, together with the several committees in charge of the event.

Owner	Name of Boat	Type	Class

Judges—Capt. T. D. France, Curtis Crane, Prof. J. S. W. Jones, Major John K. Cree.

BETTERTON DEVELOPMENT.

An Advancement Committee has been organized in Betterton by prominent men of affairs to put forth every effort toward the enlargement and further development of that popular Kent county bay side resort and the general benefit of Kent county and the peninsula at large. This move is in support of the plans now being carried out by the recently incorporated Delaware Advancement Company, of which Victor Torbert is president. Mr. Torbert is a native Marylander, and has long been identified with prominent publishing and advancement interests. It is intended to widely set forth the many advantages and attractions of Betterton and Kent county in order that the highest type of citizens be attracted here both as visitors and permanent residents. The publications while handsomely illustrated, so as to set forth our resources and natural advantages, are high, clean and dignified, being based on the true and famous history of the sections to which they will appear. The members of the Betterton Advancement Committee are:

Howard Turner, Howard F. Owens, Charles H. Brice, James H. Covington, F. S. Groves, John S. Oxens, Clarence Newsome, A. F. Suplee, James T. Crew, George W. Mann.

VICTOR TORBERT, publisher, was in Chestertown Tuesday, in general consultation with citizens of the town and county, in regard to the forthcoming Illustrated History of Kent county, which will be issued by the Delaware Advancement Company, of which he is president. The company will issue a series of histories to the counties of the Delaware Peninsula, and that of Cecil county is in course of preparation and will come from the presses the coming Christmas season. A large number of prominent men are identified with the enterprise, and a wide interest is manifested already in Kent county. Plans are now being completed for the work here.

Artist — "Anty Drudge, the Progressive Housewives' Club want your picture to hang in their Clubroom. They want me to paint it. Will you have time to sit for me?"

Anty Drudge — "Young man, I use Fels-Naptha Soap to help me with my work, so it's no use asking me if I have time to do anything. I always have time."

Fels-Naptha Soap gives you time, because it does better work in half the time it ever took the old way. Even on Washday, it saves several hours of hard work, and gives you a chance to rest.

Fels-Naptha is the cool-water, no-hard-rubbing soap which makes your work easy.

Full directions are on the red and green wrapper.

Fels & Co., Philadelphia.

Leading Head-to-Foot Outfitters for Men and Boys.

Once Upon a Time

ONCE there was really no way out of it for the farmer. Plodding home from the field with his team at close of day, he saw before him the waiting small jobs about the house, barn, and yard, jobs that took time and labor, and never seemed to end. There was water to be pumped, wood to be sawed, various machines to be run by hand. It was a dreary prospect—but that was once upon a time. Today he lets the engine do it.

Buy from the I H C engine line. I H C engines are built right and consistently all through, to work efficiently for years. Whether you want it for sawing, pumping, spraying, electric light plant, for running separator, or repair shop, or for all sorts of tiresome energy-wasting small farm jobs, you have need of an

I H C Oil and Gas Engine

An I H C engine will develop from ten to thirty per cent more than its rated capacity. Perfect combustion makes it economical in fuel consumption. Its simplicity makes it practically trouble-proof.

I H C engines are built in vertical, horizontal, stationary, portable, skidded, air-cooled and water-cooled styles. The line includes sawing, pumping and spraying outfits. Sizes from 1 to 50-horse power. They operate on gas, gasoline, kerosene, naphtha, distillate and alcohol. I H C oil tractors range in size from 6-12 to 30-60-horse power, for plowing, threshing, etc.

Have the I H C local dealer demonstrate the engine to you and explain its various points. Get catalogues from him, or write the
