Mrs. Change—"Anty Drudge, I consider you are the best friend I ever had. I am a different woman since you told me about Fels-Naptha Soap. And the children and John are so much happier than they used to be, when I was all tired out and cross."

Anty Drudge—"Well, my dear, perhaps I am to thank for telling you about Fels-Naptha Soap, but Fels-Naptha is your real friend. *It* does your work for you, and has made this fine change in you."

Fels-Naptha Soap is a friend to the whole family. It's a friend to the father and the children, because they come home from school and work to find a rested, smiling mother—even on washday.

Fels-Naptha Soap does the best work in cool or lukewarm water without boiling, hard rubbing or scrubbing.

Follow the directions on the Red and Green Wrapper. Better buy it by the carton or box.

IMPROVED TELEPHONE SYSTEM FOR CHESTERTOWN.

Order has been placed for new switchboard at Chstertown. No more turning of the crank to signal the operator. Equipment to be the same as that in Baltimore.

The Engineering Department of the Chesapeake and Potomac Telephone Company have just given out the details of the new switchboard and operating system to be installed in Chestertown, for which plans and specifications have been prepared.

The new switchboard will consist of four single-position sections, and will be equipped with 300 subscriber lines, 30 rural lines and 20 toll lines.

The operating of this board will be much simpler than the one now in use, as the new switchboard will be equipped with a lamp signal for every line coming in, which will light up the moment the subscriber takes the receiver off the hook.

While every telephone connected with the switchboard has but one place on the board where the subscriber's signal appears, it is possible for any operator working at any position of the switchboard to reach and make connection with any of the telephones in Chestertown. This is made possible by what is known as a "subscribers' line multiple" and is one of the features which have increased the telephone business to the wonderful proportions it has assumed in the last few years.

The new switchboard will be equipped with a calculagraph. This is an instrument used by a toll operator to record the time of a long distance conversation. Its use avoids the chance of an operator making an error in writing down the time. Just as the long distance conversation is started, the operator presses a leaver that stamps the time on the back of the check on which she has recorded the number. At the close of the conversation, she presses the lever again, which again records the time, and stamps on the check in plain figures a record of the time elapsed.

At the time of the installation of the new switchboard, much of the present equipment in the other departments will be replaced. There will be a new hot-water heating system installed, new storage batteries, and new quarters for the wire-chief.

Plans are completed for a rest room for the operators, and better facilities for transacting business with the public in the Commercial Department.

The new type of the telephone service will mean much for Chestertown. It will place it, as far as telephone service is concerned, on a footing with Baltimore and other large cities. In making a telephone call all that will be necessary will be to lift the receiver and give your number to the operator when she says "Number, please."

The improvements will cost several thousand dollars. It is pleasing to note that the telephone company has the faith in the future of Chestertown which the expenditure of this sum of money for improved service indicates.

RESOLUTIONS ADOPTED BY COUNTY TEACHERS INSTITUTE

At the Teachers' Institute held at Chestertown in September, nineteen hundred and thirteen it was resolved that a rising vote of appreciation be given:

To the County Superintendent for his courtesy, interest and untiring efforts to make the institute a success. To the visiting instructors for the valuable thoughts and suggestions given:

To the teachers for their valuable papers, and also to those who aided by discussing the same:

To the music committee and to those who helped them, in addition of these to the social committee for a pleasant half hour:

To the janitor who has had the building ready for us each day. Last, but by no means least, to the County School Board for giving us the privilege of attending the Chautauqua held in connection with the Institute. We hope the School Board will, if they possibly can do so, give us the same opportunity another year, as anything tending to the moral uplift of the many communities here represented, is worth time, money, and strength. We may thus aid in combating the many evil influences which surround our pupils on every hand. Resolved, that that these resolutions be recorded in the minutes of the Institute and a copy sent to each of our county papers.

Signed,
LELIA N. WARE,
MARY W. CARROLL,
SUSIE J. FRAZIER.

Whereas, It has pleased almighty providence in his inscrutable but most wise designs to take from us during the past summer one of our members, Sadie J. Donahoe, by the teachers of the Institute of Kent County.

Resolved, That we are filled with emotions of sorrow and regret at the sudden death of one so young.

Resolved, That in her death, the Kent County Teacher's Association has lost a loyal and devoted member, one ever ready to do her duty.

Resolved, That a copy of these resolutions be given to the Secretary to be recorded in the minutes of the Association, that a copy be sent to her bereaved family and another copy to the county papers for publication.

Signed,
LELIA N. WARE,
MARY W. CARROLL,
SUSIE J. FRAZIER.

In memory of our darling brother, STEPHEN FORD POTTS, who departed this life one year ago today, Sept. 2, 1912.

Our Darling Brother has left us.
His loving face we will see no more,
His gentle voice we will hear no never
Until we meet on yonder shore.
Gone but not forgotten.
BY BROTHER AND SISTER.

Oh the night dew that falls though in silence it weeps,
Shall cover the verdure the grave where he sleeps,
And the tears that we shed though in secret they flow
Shall long keep our memory wherever we go.
BY MOTHER AND FATHER.

SUFFERED AWFUL PAINS

For Sixteen Years. Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Moretown. Vermont.—"I was troubled with pains and irregularities for sixteen years, and was thin, weak and nervous. When I would lie down it would seem as if I was going right down out of sight into some dark hole, and the window curtains had faces that would peek out at me, and when I was out of doors it would seem as if something was going to happen. My blood was poor, my circulation was so bad I would be like a dead person at times. I had female weakness badly, my abdomen was sore and I had awful pains.

"I took Lydia E. Pinkham's Vegetable Compound and used the Sanative Wash and they certainly did wonders for me. My troubles disappeared and I am able to work hard every day."—Mrs. W. F. SAWYER, River View Farm, Moretown, Vermont.

Another Case.

Gifford, Iowa.—"I was troubled with female weakness, also with displacement. I had very severe and steady headache, also pain in back and was very thin and tired all the time. I commenced taking Lydia E. Pinkham's Vegetable Compound and I am cured of these troubles. I cannot praise your medicine too highly."—Mrs. INA MILLSLAGLE, Gifford, Iowa.

The Kent Building and Loan Company

desires to call the public's attention to the VERY BEST method whereby they can save money.

For Fourteen years this Company has continued with marked success and has paid its shareholders on an average of 5½ per cent. on their saving. In view of this liberal policy, it is hardly necessary to advance an argument why you should deposit a small sum weekly, monthly or quarterly with this company. Dues received weekly every Monday evening at the Court House in Chestertown, between 7.30 and 8.30 P. M., or by mail at any time. The last statement of the company showed assets of over $80,000. Three years ago the assets were about $60,000. Shares are 25 cents per week, and we have some leading business men who have over 100 shares and have held shares in this company from the date of its organization. The company operates for the advantage of all its shareholders—not merely for a few—and this policy has resulted in a 5½ per cent. investment which must appeal to any one with any sagacity. Its books are regularly audited and it is managed by a capable and strong body of directors, who give it their constant attention. The condition of the company's business is open at any time to the public. $1 paid weekly earns approximately at the end of 6 years and 6 months from $890 to $400. $1.50 paid weekly means about ½ more.

The officers will be glad to give you further information.
