REPORT OF THE AUDITING COMMITTEE OF KENT COUNTY, MD.

To the Honorable Board of County Commissioners for Kent County, Maryland.

GENTLEMEN:—In compliance with an Act of the General Assembly of Maryland, passed January, 1904, we, having been appointed auditors for Kent county, beg leave to state, we have examined the books, accounts, vouchers and papers of the office of the County Commissioners, Treasurer, Board of School Commissioners and Trustees of Almshouse, and submit the following report as shown in

EXHIBITS

In order that the succeeding Auditing Committee, as well as the general public, may understand the work done by the auditors, we wish to state that we have compared the assessment books of the county with the tax books of the Treasurer and verified them. We have traced each bill presented, through the books of the County Commissioners, to Treasurer, to the checks returned. We have left in the Commissioners' office a list of all orders and certificates which have not been paid. We would suggest that on June 1st, the Treasurer should have his bank book balanced, and give to the County Commissioners a statement of all monies received and from what source, together with a list of insolvent and delinquent tax-payers at that time, which list, we think, should be published in the county papers.

We desire to call special attention to the Almshouse Exhibit, and would recommend the sale of the Almshouse Farm.

You will also see that Exhibit showing expenditures for 1912-13 make the amount $97,057.13, while the Treasurer's expenditures are $111,162.55. The former is made up of Orders and Certificates for 1912-13, while the latter is made up of Orders of 1912-13, and paid, and Certificates of 1911-12 paid in 1912-13.

Mrs. Goodsense—"Send me a carton of Fels-Naptha, too. I'm nearly out. I like to keep plenty on hand, because it's the greatest help I know of to women who do their own work."

Anty Drudge—"I'm glad to hear you talk so, Mrs. Goodsense. I wish more women would buy Fels-Naptha Soap by the box or carton. I'd rather get out of toilet soap, because I often use Fels-Naptha for my hands. It doesn't hurt the skin."

When you buy a box of Fels-Naptha, you buy more than a box of soap—you buy rest and comfort.

Fels-Naptha will do your work the easy, sensible way; and it will do the *hard, tiresome,* part of your work *for* you.

Fels-Naptha Soap works best in cool or lukewarm water.

By following the directions on the Red and Green Wrapper you can save time, strength and trouble. Better buy it by the carton.
