Sheriff, & Collector's NOTICE.

THE undersigned, respectfully informs the public, that his BOOKS have been completed, and he is now ready and waiting, to receive, public dues.

The late period at which he was enabled to complete his books and the present advanced stage of the season, will make it absolutely necessary, that he should hasten his collections, to meet the urgent demands of the State, for money to discharge the accruing interest of her public debt.

The State Government has adopted and prosecutes, a rigid system of accountability and collection, from public officers, and a failure to pay promptly, is visited with suits upon their Bonds, with a denial of continuance, and an award of Judgment and Execution at the first term. No excuse can stay the power of the State or alter her determination. It cannot therefore be expected, that the collector will incur such heavy and serious responsibilities and expenses, and wait from month to month for the convenience of those who may be indebted. The expenses of the county are considerable and requires speedy payment, and the collector's duty, to the State and county—to his securities and himself, forbids delay.

The Sheriff and Collector, therefore, with a pressing earnestness, calls upon all persons indebted for

TAXES AND FEES,

to call at his office and liquidate their accounts,—not in *part*, but in *full*. His anxious desire, is to avoid, everything unpleasant in the execution of his office, but he cannot, under *any circumstances*, suffer himself and securities to be sued, and therefore invokes every one indebted, to make immediate payment.

Sh'ff and Collector.
