MARRIED,

On the 5th ult., by Rev. Mr. Pierson, Mr. Ashberry Sappington, to Miss Hannah Ann Allen, all of this county.

On the 26th ult., by the same, Mr. Charles W. Jester, to Miss Susanna Wilson, all of this county.

On the 28th ult., by Rev. John Owen, Dr. Thos. N. Tayman, to Miss Jane E., only daughter of the late Gen'l Reed, all of this county.

DIED.

In this place, on Tuesday evening last, Mr. Aaron Roeder.

At the residence of his mother in the vicinity of Chester Town, after an illness of ten days, on Tuesday last, Thomas, youngest son of the late John Usilton Esq., aged about 18 years. The deceased was a moral and exemplary youth, and in the several relations which he held, conducted himself in a proper and becoming manner. He was amiable, affectionate, and respectful, and bid fair to be a comfort and solace to an aged mother in the decline of life, but alas, the ways of Providence are past finding out, and it may be, that Thomas has been taken thus early to avoid some great afflictions that might have befallen him in manhood. About a year since, he followed an indulgent and beloved Father to the Tomb. How important is it to be always ready when the "bride groom cometh," and to the young what a solemn practical lesson does the death of the lamented youth, teach. S.

Let all the world know that Sellers Vermifuge is the best in use! Here is the proof.

LICKING STATION, Ky. Dec 17th, 1846.

Mr. R. E. Sellers:—I have the pleasure to inform you that I have used in my practice your celebrated Vermifuge with the most happy results I have formerly used Fahnestock's but being persuaded to try yours, I have found it far superior in every respect, and can say without the fear of contradiction, that your Vermifuge possesses more virtue than any I ever used, and most cordially recommend it to the attention of the public. I will state a case where I gave one vial of your Vermifuge: My brother's child was *pining and wasting to a mere skeleton;* in 30 hours after I gave the Vermifuge, the enormous quantity of *upwards of six hundred worms* were passed. The child that was given up as lost, is now well and as hearty as any in the neighborhood
