Ask the Suffere

FROM

ASTHMA

what has relieved him in such a short time from his difficulty of breathing, Cough and suffocation? He will tell you it was "the Olosaonian, or All Healing Balsam." Ask the Consumptive what has allayed his Cough, removed the Pain in his Side and Chest, checked his night sweats and placed the rose of health upon his cheek? and he will tell you

SHERMAN'S OLOSAONIAN,

OR

All-Healing Balsam.

Ask your friends if they know of any thing that will so speedily cure a long and tedious Cough, Raising of Blood, Bronchitis, Dyspeptic Consumption, Hoarseness, Influenza, and diseases of the Throat, as the Olosaonian? and they will tell you—No. There never yet has been a remedy introduced to public notice which has been productive of so much good in so short a space of time. Read the following

ASTONISHING CURES.

Wm. Bond, the celebrated Boston cracker baker, 98 Nassau street, Brooklyn, states that his wife has been afflicted with Asthma for 30 yeare, and could not find permanent relief from the best medical advice which New York and Brooklyn could produce, was induced to try this great remedy. She is now nearly well His daughter, who was suffering from the same disease, tried it, and was also cured by it. Mrs. Bond is now so well that she is able to rise from her bed early in the morning and attend to her usual duties through the day without any annoyance from her distressing malady.

Henry Jackson, 13th street, near the Catholic Cemetry, came to the store for the purpose of obtaining a bottle of the Olosoanian, having been afflicted with the Asthma for more than 30 years, and was so exhausted on his arrival that he could not speak. He purchased a bottle and rode home. Four days afterward he walked from his residence to the office without fatigue, a distance of over two miles, to tell of the wonderful relief which he had experienced from using about one half of one bottle.

CONSUMPTION OF THE LUNGS.

Mr. Comfort, 35 White street, was so low in the month of December last, that he was given up by his physician. His friends entertained no hope of his recovery. He was persuaded to try the Olosaonian, and to his surprise it has so far restored him to health that he is now able to walk about the streets.

Mrs. Attree, the wife of Wm. H. Attree, James Harman, Esq., and George W. Hays, Esq., can all bear testimony from their own experience of the leading properties of this Great Remedy in Consumption of the Lungs.

SPITTING BLOOD.

Mrs. Thoubourne, 352 Monroe street, who had been troubled for a great length of time by a severe cough, and raised quantities of blood, was relieved by one bottle of the Olosaonian, and declare it the greatest remedy in the world.

Dennis Kelly, 26 Water street, was also relieved from the same complaint, although he was very much reduced when he commenced taking it, having been under the care of his physician during the past winter. Although he coughed constantly and was very much troubled with night sweats, two bottles of the remedy enabled him to return to his daily work. He was entirely relieved.

David Henderson, 60 Laight street, G. W. Burnett, formerly of Newark, N. J., Henry Lisbon, 199 Rivington street, and numerous other persons have been speedily and permanently cured of the same complaint by this remedy.

THE ARRAY OF NAMES

which could be produced of persons who have used this great remedy would more than fill a column. Among the number we are permitted to refer to A. M. Bininger, 102 Barclay street; Mr. Wilson of Hoboken; Mrs. Bell of Morristown, N. J.; James B. Devoe, 101 Reade street, Mrs. McCaffree, 50 Attorney street; F. Smith, 92 Third avenue; Mrs. Wm H. Attree of this city, and Mrs. Archibald, 35 White street.

From the New York Mirror

Hunt's Liniment.—This invaluable remedy of the many 'ills that flesh is heir to,' continues to shed its untold benefits upon all classes of society. We have seen certificate from some of the most respectable, intelligent, and influential citizens of Westchester, where the proprietor resides, who are above all attempts to mislead the public in reference to any medicine, remedy, or preparation; and as this testimony is at once spontaneous and uniform in commending this truly excellent medicine for rheumatism, and various other diseases named in the advertisement, there can be no longer be a reasonable doubt entertained of its extraordinary success and triumph over the maladies in question.

I only used one bottle, and with that I consider I have been saved from a protracted and severe illness I am now attending to my business regularly, which is that of a Farmer.

No mercury, quinine or arsenic enters into the composition of these pills.—This loathsome disease, which has heretofore baffled the efforts of the most skillful and scientific physicians, for generations prey upon your constitutions until they become so shattered that you are subject to almost every disease incident to the human frame. Yes, Liver Disease, Jaundice, Dropsy, Enlargement of the Melt, Palpitation of the Heart, slow Fevers, general debility, and a hacking Cough, and finally eventuates in Consumption, and consigns thousands to untimely tombs. Go search amid the malaria districts of our country, on the records of human ruin, you shall find that many thousands of the brave and the beautiful; the graceful and the gifted, have fallen victims from the many causes produced by letting this great destroyer of health prey upon the system. These pills act like a charm on the organs of digestion, and have a special effect in correcting the bile and gall bladder, removing all obstruction to a healthy secretion of bile, and imparting cheerfulness to the mind as well as tone and vigor to the whole constitution All we ask is, give them a trial.

"SUGAR COATED" PILLS.

Beware! Caution!!

The increasing popularity of Dr. G. Benj. Smith's improved Indian Vegetable Sugar Coated Pills, has induced a number of persons to make something they call Pills and coat them with sugar, in order to sell them for the genuine, while they do not possess a particle of the goodness, nor even assimilate in appearance to the original. Dr. Smit 's Pills. In short, they are an intended fraud upon the community—A minister who at first had an interest in an imitation Sugar Coated Pill, manufactured in Albany N. Y., has given them up, as he says, on account of the miserable dishonest parties concerned in manufacturing them. The same party are now industriously circulating reports calculated to injure Dr. Smith and to affect the reputation of his valuable pills; but rather than notice them in public. Dr. Smith s about to institute legal proceeding against them for their slanders, as he has in another case against a similar party, in which he recovered a large amount of damages. These miserable imitators have to resort to the most abominably means to palm off ther counterfeit pills, as the public know that Dr. Smith's are the original and genuine. Several instances have come to public notice in which life has been endangered by the unfortunate use of the counterfeits. It is *Dr Smith's* Pills that are doing so much good in the country- as the following plainly show.

More Ministers

Use and Recommend Dr. Smith's Pills than all others.

This is to certify that I have used the Sugar Coated Pills, manufactured by G. Benjamin Smith, of New York, for some time, and believe them to be a good medicine; and also, from inquiry in that city, I am persuaded that he is the original inventor, and therefore is entitled to the benefit of the invention.

S. WILLIAMS,

Pastor 1st Baptist Church, Pittsburgh.

From the Blue Hen's Chicken. (Del.)

We call the attention o' our readers to the certificate of Rev. S. Williams, Pastor of 1st Baptist Church, Pitts-burigh, in relation to Dr. Smith's Pills. We can ourselves bear testimony to the excellence of these Pills, one of us having used them and experienced great relief from them.

The above is the best paper in the State of Delaware.

The "Improved Indian Vegetable Pills," (Sugar Coated,) are certainly doing much good in the whole country, and are highly esteemed, if one half is true that people write and say about them. They are so easy in their operation that all like them. The editor of the Northern State Journal, one of the largest and best papers in the Stat of N. Y.,) writes as follows:

Watertown, May 31, 1846

Dr G. Benj. Smith—

Dear Sir: I was laid up with a bad cold some time since my return from from N. Y., and during my my illness I made trial of your pills and I must say I found them excellent. They are the best medicine for the purposes they are intended, that I have yet seen, I seldom take pills, but I found yours entirely free from the objections to which other pills are liable I hope they will continu to be a source of profit to you as I doubt not they will be a means of relief to be afflicted on a lage scale.

Yours truly,

J. GREEN

Tonawanda, Pa, Sept 18, 1846

Dr. G. Benj. Smith—

Dear Sir: Your agent left with me a lot of your Sugar Coated Pills, and I have but a few boxes left. Every box I have sold has given entire satisfaction. I have taken them myself and I consider them the best pills I have ever used; and I am not afraid to recommend them to the public. I wish a further supply at once.

Yours respectfully,

JACOB KIBLER, P. M.

Huntington, Ind., June 21, 1846.

Dr Smith—

Dear sir: I am most out of your "Indian Vegetable Sugar Coated Pills," and find them selling so fast that I think you had better send me two gross immediately—They give such general satisfaction that people come at least twenty miles for them and as it is generally known I am agent for them, I would be very sorry to get out.

Yours respectfully,

SAML. MOORE & CO.

BEWARE!!!

If G. Benj. Smith, be not written with a pen on the bottom of the box, all "Sugar Coated" Pills are Counterfeit!

WILL be done by the same old PEMPERANCE COON in the neatest and best manner and at the shortest notice.—Since the subscriber had the honor to publish his *Total Abstinence Pledge*, six months ago, he has remained as true to his promise, as the Sun in his course and the moon in shedding her mild, but effulgent light. No dogs have barked, no children have annoyed him, and no woman has "made faces" at him, except in the way of agreeable smiles. he has been able to walk erect, at all hours, and to step a *right line*, with as much precision, as it is drawn.

He can now sleep with his conscience undisturbed and in the enjoyment of good health, is at all times ready to engage in work, and has a desire to be constantly employed. His old appetite for drink is gone, and he would now, sooner take a dose of "Brandreth's Pills," (from 2 to 20 according to the directions on the box) than drink a drop of Alcohol, in the shape of Beer, Wine, Brandy, Whiskey, Gin, Cordial, No. 6 or *Composition*.

To his brother mechanics, some of whom, will take a glass at 12, a drink between meals, and at other times get "a drop" in one eye, if not in both, he would refer to a Proverb of Solomon, the wisest man, and the great Architect and master builder:

"Wine is a mocker—strong drink is raging, and whosoever is deceived thereby, is not wise."

"Look not upon the wine when it is red, when it giveth his colour in the cup. At the last, it biteth like a serpent and stingeth like an adder."

It is the *Alcohol* that *bites* and *stings*, and hence when a man drinks too much his brain becomes "over-excited," and he is very apt to see "*Snakes*," and sometimes 'little 'Devils."

The only true and safe path is the one marked out by 'total abstinence"- this track, the undersigned, intends to walk in, day and night, and if by industry, attention to business and strict temperance, he can secure the patronage of the community he will assuredly do so. He is no "Irishman" and has neve been at "Cork," but has seen a great many "drawings" of it.

He resides in Chester Town—but will readily go into the country when requested. He has worked upon the best jobs, can give the most satisfactory refereneces, and shall be very happy to serve the public in his line of business. His prices shall be moderate, for having ceased to waste money in buying Liquor, the use of which, caused him to lose much valuable time, he is enabled now to do more work, with greater satisfaction to his employers and himself, and make more money at less prices.

The undersigned would have all men to reform—he boasts not of his resolution, but hopes, to be able to hold out to the end. Although, he could not boast with Will Tunnell in the 'Spectator,' that he had drank "23 Hogsheads of brandy, 4 tons of port, ½ a kilderkin of small beer, 19 barrels of cider and 3 glasses of champaign—besides assisting at 400 bowls of punch, not to mention sips, draws, and whets, without number"—yet he was becoming a "hard case," and would soon have been ruined, had he not reformed. If he could only see the still "hard cases," reformed, he should be greatly gratified. It is supposed by some that there is a decay of moisture in the earth—it is ascribed by some to the excessive growth of vegetation which incorporate into their own substance many fluid bodies that never return again into their former nature. But his own opinion is, that the greater cause is, the immense quantity of *liquids*, which are drank by human beings!! Let the drunkard reflect, that his very course, may be productive of drought and short crops, and let him once more be a man. He believes with the Duke of Richmond, that when a man takes *too much* he never has *enough*.

Wishing that "Cold Water," abundant crops, high prices for grain and produce, and a plenty of work, may become the order of the day, and wishing health and happiness to all, he subscribes himself

HEMSLEY'S WORM DESTROYING SYRUP,

Prepared by R. F. Hemsley, Pharmaceutist, Easton, Md. and by Hemsley & Bros. 47 Ann street, New York.

Various remedial agents have been resorted to from time immemorial for the expulsion of worms. Among the most popular of the present era, and one we may add, without ostentation, destined to stand unrivalled in the class of anthelmintic remedies, is that offered to the public under the title of "*Hemsley's Worm Destroying Syrup*" Its qualities have already stood the test of years, and innumerable evidences of the most striking success in its administration have been from time to time furnished. The ingredients are at once safe and efficient, and the composition prepared upon strict chemical principles. The united testimony of eminent medical gentlemen, to whom it has been submitted, is a strong proof of its claim upon general patronage. But a stronger proof of its merits is the fact, that it has never, in a single instance, when properly administered, failed to produce a cure; and whenever it has been introduced, it has become with Physicians, as well as with all others, the only medicine prescribed for worms.

RECOMMENDATIONS.

We, the undersigned, having prescribed "*Hemsley's Worm Destroying Syrup*," frequently in our practice, and witnessed its uniform success, can confidently recommend it to be a safe and certain remedy for worms, and believe it to be superior to any thing ever used in such cases.

Trist Thomas, MD	Chris. C. Cox, MD
J. A. Muse, MD	Jas. Dawson, MD
W. H. Thomas, MD	H. R. Pitts, MD

I have tried in a desperate case of worms "*Mr. Wm. Hemsley's Worm Destroying Syrup*," and it proved immediately efficacious This case had baffled the skill of a Physician previously, and the disease must have killed the servant. I feel it my duty to give this certificate in favour of this valuable medicine.

SAM'L HAMBLETON, Jr.

Attorney at Law.

Easton, March 30th, '44

Having freely used "Hemsley's Worm Destroying Syrup" in my family for more than two years past, I unhesitatingly recommend it as a safe and effectual vermifuge and decidedly prefer it to any other worm medicine I have ever used.
