**All-Healing Balsam.**

Ask your friends if they know of any thing that will so speedily cure a long and tedious Cough, Raising of Blood, Bronchitis, Dyspeptic Consumption, Hoarseness, Influenza, and diseases of the Throat, as the Olosaonian? and they will tell you—No. There never yet has been a remedy introduced to public notice which has been productive of so much good in so short a space of time. Read the following

***ASTONISHING CURES.***

Wm. Bond, the celebrated Boston cracker baker, 98 Nassau street, Brooklyn, states that his wife has been afflicted with Asthma for 30 yeare, and could not find permanent relief from the best medical advice which New York and Brooklyn could produce, was induced to try this great remedy. She is now nearly well His daughter, who was suffering from the same disease, tried it, and was also cured by it. Mrs. Bond is now so well that she is able to rise from her bed early in the morning and attend to her usual duties through the day without any annoyance from her distressing malady.

Henry Jackson, 13th street, near the Catholic Cemetry, came to the store for the purpose of obtaining a bottle of the Olosaonian, having been afflicted with the Asthma for more than 30 years, and was so exhausted on his arrival that he could not speak. He purchased a bottle and rode home. Four days afterward he walked from his residence to the office without fatigue, a distance of over two miles, to tell of the wonderful relief which he had experienced from using about one half of one bottle.

CONSUMPTION OF THE LUNGS.

Mr. Comfort, 35 White street, was so low in the month of December last, that he was given up by his physician. His friends entertained no hope of his recovery. He was persuaded to try the Olosaonian, and to his surprise it has so far restored him to health that he is now able to walk about the streets.

Mrs. Attree, the wife of Wm. H. Attree, James Harman, Esq., and George W. Hays, Esq., can all bear testimony from their own experience of the leading properties of this Great Remedy in Consumption of the Lungs.

***SPITTING BLOOD.***

Mrs. Thoubourne, 352 Monroe street, who had been troubled for a great length of time by a severe cough, and raised quantities of blood, was relieved by one bottle of the Olosaonian, and declare it the greatest remedy in the world.

Dennis Kelly, 26 Water street, was also relieved from the same complaint, although he was very much reduced when he commenced taking it, having been under the care of his physician during the past winter. Although he coughed constantly and was very much troubled with night sweats, two bottles of the remedy enabled him to return to his daily work. He was entirely relieved.

David Henderson, 60 Laight street, G. W. Burrett, formerly of Newark, N. J., Henry Lisbon, 199 Rivington street, and numerous other persons have been speedily and permanently cured of the same complaint by this remedy.

***THE ARRAY OF NAMES***

which could be produced of persons who have used this great remedy would more than fill a column. Among the number we are permitted to refer to A. M. Bininger, 102 Barclay street; Mr. Wilson of Hoboken; Mrs. Bell of Morristown, N. J.; James B. Devoe, 101 Reade street, Mrs. McCaffree, 50 Attorney street; F. Smith, 92 Third avenue; Mrs. Wm. H. Stanton's External Remedy,

CALLED

**Hunt's Liniment,**

Is now universally acknowled to be the infallible remedy for rhumatism. spinal affections, contractions of the muscles, sore throat and quinsy, issues, old ulcers, pains in the back and chest, ague in the breast and face, tooth-ache, sprains, bruises, salt rheum, burns, croup, frosted feet, and all nervous diseases.

The triumphant success which has attended the application of the most wonderful medicine in curing the most severe cases of the different diseases above named—and the high ecomiums that have been bestowed upon it, wherever it has been introduced, gives me the right to call on the afflicted to resort it at once to the only remedy that can be relied on.

*From the New York Mirror*

*Hunt's Liniment*—This invaluable remedy of the many 'ills that flesh is heir to,' continues to shed its untold benefits upon all classes of society. We have seen a certificate from some of the most respectable, intelligent, and influential citizens of Westchester, where the proprietor resides, who are above all attempts to mislead the public in reference to any medicine, remedy, or preparation; and as this testimony is at once spontaneous and uniform in commending this truly excellent medicine for rheumatism, and various other diseases named in the advertisement, there can be no longer be a reasonable doubt entertained of its extraordinary success and triumph over the maladies in question.

Sing Sing May 13, 1846.

We, the undersigned, do certify that we have used Mr George E Stanton's External Remedy, called Hunt's Liniment, and have proved it to be fully equal the to the character he gives it. Its healing properties are truly extraordinary; and we most confidently recommend it as one of the most certain external remedies that has yet been discovered

Caleb Roscoe, Editor Westchester Herald; Isaac Birdsall, Inspector M P State Prison; Alb't Lockwood, Judge Court Com'n Pleas, James Locke, the extensive Horticulturist; M Churchill, Principal boarding school; Sam'l F Reynolds, Supreme Court Com'r; R R Voris District Attorney; Theodosius Clark, Pastor M E Church; Robert Waltse, late agent M P State Prison; Aaron Ward late member of Congress; Monson I Lockwood, clerk of the county; Wm H Peck, Agent M P State Prison; B C Morse, Pastor of the Baptist Church; Benjamin Moore Abraham Kipp; Philip G Van Wyck, Benj Washburn.

The following shows a case of rheumatism cured with only one bottle of Hunt's Liniment. The letter is addressed to Mr Stanton:

Yorktown, June 18, 1845

*Sir.*—Having cured me of a severe attack of rheumatism which had rendered me almost helpless, and at the same time made me suffer great pain, I would offer my testimony in favor of the great properties which your externall remedy, Hunt's Liniment is possessed of. I only used one bottle, and with that I consider I have been saved from a protracted and severe illness I am now attending to my business regularly, which is that of a Farmer.

Y'r ob't s't OLIVER VAN CORTLANDT

This liniment is sold at 25 and 50 cents per bottle, by all the principal druggists and merchants throughout the county.

WHY then will you suffer? *Ague and Fever or Chills and Fever,*

Positively cured in forty eight hours, without any return whatever, it matters not of how long standing, by the use of Dr. GRAHAM'S VEGETABLE SPECIFIC PILLS, the only certain remedy yet discovered. No mercury, quinine or arsenic enters into the composition of these pills.—This loathsome disease, which has heretofore baffled the efforts of the most skillful and scientific physicians, for generations prey upon your constitutions until they become so shattered that you are subject to almost every disease incident to the human hame. Yes, Liver Disease, Jaundice, Dropsy, Enlargement of the Melt, Palpitation of the Heart, slow Fevers, general debility, and a hacking Cough, and finally eventuates in Consumption, and consigns thousands to untimely tombs. Go search amid the malaria districts of our country, on the records of human ruin, you shall find that many thousands of the brave and the beautiful; the graceful and the gifted, have fallen victims from the many causes produced by letting this great destroyer of health prey upon the system. These pills act like a charm on the organs of digestion, and have a special effect in correcting the bile and gall bladder, removing all obstruction to a healthy secretion of bile, and imparting cheerfulness to the mind as well as tone and vigor to the whole constitution, All we ask is, give them a trial.

*"SUGAR COATED" PILLS.*

**Beware! Caution!!**

The increasing popularity of Dr. G. Benj. Smith's improved Indian Vegetable Sugar Coated Pills, has induced a number of persons to make something they call Pills and coat them with sugar, in order to sell them for the genuine, while they do not possess a particle of the goodness, nor even assimilate in appearance to the original Dr. Smith's Pills. In short, they are an intended fraud upon the community.—A minister who at first had an interest in an imitation Sugar Coated Pill, manufactured in Albany N. Y., has given them up, as he says, on account of the miserable dishonest parties concerned in manufacturing them. The same party are now industriously circulating reports calculated to injure Dr. Smith and to affect the reputation of his valuable pills; but rather than notice them in public Dr. Smith s about to institute legal proceeding against them for their slanders, as he has in another case against a similar party, in which he recovered a large amount of damages. These miserable imitators have to resort to the most abominably means to palm off ther counterfeit pills, as the public know that Dr Smith's are the original and genuine. Several instances have come to public notice in which life has been endangered by the unfortunate use of the counterfeits. It is *Dr Smith's* Pills that are doing so much good in the country—as the following plainly show.

*More Ministers*

Use and Recommend Dr. Smith's Pills than all others.

This is to certify that I have used the Sugar Coated Pills, manufactured by G. Benjamin Smith, of New York, for some time, and believe them to be a good medicine; and also, from inquiry in that city, I am persuaded that he is the original inventor, and therefore is entitled to the benefit of the invention.

S. WILLIAMS,

Pastor 1st Baptist Church, Pittsburgh.

*From the Blue Hen's Chicken. (Del.)*

We call the attention of our readers to the certificate of Rev S. Williams, Pastor of 1st Baptist Church, Pittsburgh, in relation to Dr Smith's Pills. We can ourselves bear testimony to the excellence of these Pills, one of us having used them and experienced great relief from them

The above is the best paper in the State of Delaware.

The "Improved Indian Vegetable Pills," (Sugar Coated,) are certainly doing much good in the whole country, and are highly esteemed, if one half is true that people write and say about them. They are so easy in their operation that all like them. The editor of the Northern State Journal, one of the largest and best papers in the Stat of N. Y.,) writes as follows:

*Watertown, May 31, 1846.*

Dr G. Benj. Smith—

Dear Sir; I was laid up with a bad cold some time since, my return from from N. Y, and during my my illness I made trial of your pills and I must say I found them excellent. They are the best medicine for the purposes they are intended, that I have yet seen, I seldom take pills, but I found yours entirely free from the objections to which other pills are liable I hope they will continue to be a source of profit to you as I doubt not they will be a means of relief to be afflicted on a large scale.

Yours truly, J GREEN

Dr G Benj. Smith—

Dear Sir; Your agent left with me a lot of your Sugar Coated Pill, and I have but a few boxes left. Every box I have sold has given entire satisfaction I have taken them myself and I consider them the best pills I have ever used; and I am not afraid to recommend them to the public. I wish a further supply at once.

Yours respectfully,

JACOB KIBLER, P. M.

*Huntington, Ind., June 21, 1846.*

Dr. Smith—

Dear sir: I am most out of your "Indian Vegetable Sugar Coated Pills," and find them selling so fast that I think you had better send me two gross immediately—They give such general satisfaction that people come at least twenty miles for them and as it is generally known I am agent for them, I would be very sorry to get out.

Yours respectfully,

When we wish to restore a swamp or morass to fertility, we drain it of the superabundant waters: in like manner if we wish to restore the body to health, we must cleanse it of all impurity.

**GATLING'S PATENT SEED PLANTING HARROW.**

THE undersigned would respectfully invite public attention to the above mentioned drill, for planting wheat, other small grain and seeds, as possessing many advantages over any similar machine now in use, amongst which is the simplicity of construction to which this machine has been reduced compared with others, or perhaps we should say, the perfection to which it has been brought, to do the same work with equal precision, and entirely clear of the usual objections attending new inventions—complicated machinery.

Gatling's invention, stripped of all useless fixtures makes it easily and speedily repaired, and the low price at which it can be furnished, puts it within the reach of every farmer. This machine performs the tripple work of harrowing planting and covering at the same movement, thereby saving much time and labor to the agriculturists—and will, no, doubt, if we can judge from the rapid encroachments made and still making upon the old system, be the means of entirely changing the mode of planting wheat in this country, as its economy of grain, ground and time, will everywhere recommend it in the place of broadcasts. The machines have been in use two seasons, and wherever introduced reported to have given entire satisfaction.

The undersigned are the legal representatives of R. J. Gatling, patentee for and in the counties of Kent and Queen Anne's, in the State of Maryland. The price of a machine having five drills $25; more or less drills will vary the price according to cost of material. All persons intending to adopt this machine will please send in their orders, otherwise they may not get them this fall, as we shall not get more castings than will be sufficient to fill orders, excepting those intended to supply brakages should any occur.

A new volume of this old and popular agricultural work, commencee on the 1st of July, It is published on the first of every month, each No. containing 32 large octavo pages, at $1 per annum—6 copies for $5—13 copies for $10.

The *American Farmer* has now been in existence since 1819, and was the first periodical ever published in the United States, devoted exclusively to the interests of the cultivators of the soil—many similar works have since sprung into existence, and have passed away, whilst the *pioneer* in the good cause has steadily pursued its way, and in its ripe old age, evinces all the freshness and vigor of youth. The publisher feels conscious, that his numerous patrons will bear him out in the assertion, that at no stage of its existence has his journal been received more favor than at the present time. Gentlemen of the high est standing, and eminent for their zeal and devotion to their time honored calling who have been subscribers to the work since its first appearance to the present time (and we have a number of them still on our list,) have but recently borne testimony to the fact, that it is not excelled in point of practical utility by any of the numerous journals with which our country now abounds. Whilst these assurances are flattering to our pride, they will serve as a stimulus to future exertions. All communications to be addressed to
