HENRY COHEE and THOMAS H. WHALAND, vs ROBERT BUCHANAN. } In Chancery 15th June 1847.

THE object of the Bill filed in this cause is to obtain a decree for the sale of the Real Estate of Philip Buchanan for the payment of a mortgage due the complainant Henry Cohee, and the payment of his debts generally, his personal Estate being insufficient for that purpose. The Bill states that the said Philip Buchanan hath departed this life having previously in due form of Law made and executed his last Will and testament, by which he devised his Real Estate to his brother Lawrence Buchanan during his natural life and after his death to the children of his brother James Buchanan. The Bill also states that the said Philip Buchanan at the time of his death was seized and possessed of certain Real Estate lying and being in Kent county, a part of which was conveyed to him by deed by a certain Samuel G. Kennard and the residue was devised to him by the last will and testament of his mother a certain Ann Hackett, That the said Ann Hackett at the time of her death was indebted to a certain Thomas Walker in the sum of $708 87-100 to secure the payment thereof she executed a mortgage upon her real estate, and which mortgage debt remains due and unpaid. That the said Ann Hackett by her said last will and testament devised thirty acres being a part of her real estate to her son James Buchanan, and the residue to her son the said late Philip Buchanan and his heirs upon condition that he should board her son Lawrence Buchanan during his natural life if he should remain in the family, or if he left the family to pay him the sum of fifty dollars annually during his life and also to pay her son Robert Buchanan twenty dollars upon his arrival at the age of twenty-one years, and which said legacies are expressly charged upon the said lands in the hands of the said Philip Buchanan. The Bill also states that Philip Buchanan appointed James B. Ricaud his executor who accepted the trust and bonded before the Orphans Court of Kent county, and that the personal estate of the said Philip Buchanan is insufficient for the payment of his debts. The Bill also states that Robert Buchanan one of the defendants resides out of the State of Maryland.

It is thereupon adjudged and ordered that the complainants by causing a copy of this order to be inserted once a week for one month, in some newspaper before the twentieth day of August next, give notice to the said absent defendant of the substance and object of the Bill that he may be warned to appear in this Court in person or by a solicitor on or before the fifteenth day of December next to shew cause if any he hath why a decree should not be passed as prayed.

NATURE'S OWN REMEDY!

THE INVALIDS BEST FRIEND!

It is confidently asserted that there never was a medicine which has given such uniform and universal satisfaction, as

Wright's Indian Vegetable Pills.

They have stood the severest trials, by curing when all other remedy failed, and have established reputation in the face of the envious slanders which have been raised against them.

Let it be borne in mind that Wright's Indian Vegetable Pills are

No Catch-penny Remedy,

the offspring of the hour destined to pass away with it, and be forgotten, but a medicine of sterling value.

For Fever and Ague,

That scourge of the west. Wright's Indian Vegetable Pills stand unrivalled. An instance has never come to our knowledge of these Pills having been taken, without effecting a complete cure. In chills and fever the liver and bilary functions are chiefly disordered, superinduced by great physical debility. When the symptoms first appear, no time should be lost before resorting to these Pills. A few doses will give such manifest relief that no persuasion will be necessary to continue the use of them.

For Dyspepsia,

Wright's Indian Vegetable Pills, will be found very superior. In this disease, the gastric juice is weak and deficient in quality. Consequently, the digestion is imperfect and the health impaired. These Pills remove the bile from the stomach, restore its tone, and improve the digestion.

Great Female Medicine!

It would be difficult precisely to tell to which of the two sexes Wright's Indian Vegetable Pills have been the two greatest blessing. But it is very certain that these pills have given health, and spirits, and a good complexion, to hundreds of females, who would without them, have been in their graves. A box of Wright's Indian Vegetable Pills, is an inestimable companion at certain periods.

Valuable Anti Bilious Medicine!

It is well known that the South and West suffer more from bilious disorders than from all others combined. This is partly owing to the climate, but chiefly to the nature of Southern and Western life. The sensations accompanying liver complaint are of the most wretched description. Habitual drunkenness is frequently brought on by liver complaint A patient suffering from this disease, should not be mocked with pretended cures; yet there are very few medicines that are worth a straw in the removal of this complaint. Calomel has hitherto been the chief reliance, but the remedy has proved itself worse than the disease! What then shall be done? We say, give Wright's Indian Vegetable Pills a trial. If they do not exceed your expectations, we are willing to bear all the opprobrium of failure.

The following Agencies have been established for the sale of Wright's Indian Vegetable Pills in Kent county:

John Russell, Chestertown.
Wiley & Perkins, do
Nathan Peacock, Georgetown X Roads.
Daniel Hanes, Sull Pond.
Henry Blackiston, Rock Hall.
W R Foreman, Chesterville.
Sam'l Cooper, Urieville.
Walker & Bell, Millington.
B. C. Wells, Head of Sassafras.

Offices devoted exclusively to the sale of Wright's Indian Vegetable Pills, wholesale and retail, 169 Race st. Phil.; 288 Greenwich st. N Y; and 198 Tremont st Boston.

IT NEVER FAILS.

DR CULLEN'S

Indian Vegetable Panacea

Persons affected with Scrofula, Kings' Evil, Cancer, Erysipelas, Old Sores, Ulcers, Tetter, Mercurial Diseases, or any other complaints arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine.

Read! Read!! Read!!!

We, the undersigned having visited Mr. Isaac Brooks, Jr., at the office of Messrs. Rowand & Watson, 376 Market street Philadelphia, consider his case the most remarkable one we have ever witnessed or heard of. His disease was *Scrofula*, and terrible must have been his twelve years' conflict with the destroyer.. His palate, the entire roof of his mouth, nose, upper lip, the lower lid of the right eye, have all been destroyed, his face *nearly eaten up*, and part of the Jaw Bone carried away — And yet we can give no description of his case. Mr. B. informe us that in January last, the whole interior of his mouth, as well as most of his face, was a mass of deep and painful ulcers. On the 14th of January last, he commenced taking Dr. Cullen's Indian Vegetable Panacea, which checked the disease in a few days, and from that time the cure has progressed without intermission. New flesh has supplied the place of the deep ulcers, and though badly disfigured, his face is sound, and his general health is restored. We are assured that in the treatment of Mr. Brook's case, no Mercurials, Ointments, or Caustic Applications have been used—in fact, the panacea alone, has wrought this wonderful change.

J W Jones, M D South Second, st, Phil. E W Carr, 440 N Fourth, ab. popular st, N Liberties; C W Appleton, M D 46, south st, Phila.; Wm Steeling, M D Camden, New Jersey; J H Potter, Manufacturer of Mineral Teeth, 109 South ninth st, Phila.; E A Wollenwiber, editor "Philadelphia Democrat," 277 N Third st.; George W Metz brush maker, 317 Market st, Phila; Rev A D Gillette, pastor of Eleventh Baptist Church, Phila; John Bell, Erie street, Philadelphia, (North American office; John W. Ashmead, 60 South sixth st. do; Peter Sken Smith, editor Native Eagle, do; Joel Bodine, glass manufacturer, Williamstown, N J; L B Coles, M D. Boston, Mass.; Russell Canfield, physiologist, Phila.; Thomas S. Roby M D, Harrisburgh.

The above named gentleman, (constitution but a small portion of those who have visited Mr. Brooks, at our office in Philadelphia, and would certify to the same facts if necessary,) are well known, and their high standing in society, precludes the idea of their lending their names to carry on an imposition.

And here we say, without the fear of contradiction, that we have not found a case of Scrofula or other disease for which we recommend the panacea, which the medicine has not speedily arrested.
