what has relieved him in such a short time from his difficulty of breathing, Cough and suffocation? He will tell you it was "the Olosaonian, or All Healing Balsam." OR

All-Healing Balsam.

Ask your friends if they know of any thing that will so speedily cure a long and tedious Cough, Raising of Blood, Bronchitis, Dyspeptic Consumption, Hoarseness, Influenza, and diseases of the Throat, as the Olosaonian? and they will tell you—No. There never yet has been a remedy introduced to public notice which has been productive of so much good in so short a space of time. Read the following

ASTONISHING CURES.

Wm. Bond, the celebrated Boston cracker baker, 98 Nassau street, Brooklyn, states that his wife has been afflicted with Asthma for 30 years, and could not find permanent relief from the best medical advice which New York and Brooklyn could produce, was induced to try this great remedy. She is now nearly well His daughter, who was suffering from the same disease, tried it, and was also cured by it. Mrs. Bond is now so well that she is able to rise from her bed early in the morning and attend to her usual duties through the day without any annoyance from her distressing malady.

Henry Jackson, 13th street, near the Catholic Cemetry, came to the store for the purpose of obtaining a bottle of the Olosoanian, having been afflicted with the Asthma for more than 30 years, and was so exhausted on his arrival that he could not speak. He purchased a bottle and rode home. Four days afterward he walked from his residence to the office without fatigue, a distance of over two miles, to tell of the wonderful relief which he had experienced from using about one half of one bottle.

CONSUMPTION OF THE LUNGS.

Mr. Comfort, 35 White street, was so low in the month of December last, that he was given up by his physician. His friends entertained no hope of his recovery. He was persuaded to try the Olosaonian, and to his surprise it has so far restored him to health that he is now able to walk about the streets.

Mrs. Attree, the wife of Wm. H. Attree, James Harman, Esq., and George W. Hays, Esq, can all bear testimony from their own experience of the leading properties of this Great Remedy in Consumption of the Lungs.

SPITTING BLOOD.

Mrs. Thoubourne, 352 Monroe street, who had been troubled for a great length of time by a severe cough, and raised quantities of blood, was relieved by one bottle of the Olosaonian, and declare it the greatest remedy in the world.

Dennis Kelly, 26 Water street, was also relieved from the same complaint, although he was very much reduced when he commenced taking it, having been under the care of his physician during the past winter. Although he coughed constantly and was very much troubled with night sweats, two bottles of the remedy enabled him to return to his daily work. He was entirely relieved.

David Henderson, 60 Laight street, G. W. Burrett, formerly of Newark, N. J., Henry Lisbon, 199 Rivington street, and numerous other persons have been speedily and permanently cured of the same complaint by this remedy.

THE ARRAY OF NAMES

which could be produced of persons who have used this great remedy would more than fill a column. Among the number we are permitted to refer to A. M. Biminger, 102 Barclay street; Mr. Wilson of Hoboken; Mrs Bell of Morristown, N. J.; James B. Devoe, 101 Reade street, Mrs. McCaffree, 50 Attorney street; F. Smith, 92 Third avenue; Mrs. Wm H. Attree of this city, and Mrs. Archibald, 35 White street.

The triumphant success which has attended the application of the most wonderful medicine in curing the most severe cases of the different diseases above named—and the high econiums that have been bestowed upon it, wherever it has been introduced, gives me the right to call on the afflicted to resort it at once to the only remedy that can be relied on.

From the New York Mirror

Hunt's Liniment.—This invaluable remedy of the many 'ills that flesh is heir to,' continues to shed its untold benefits upon all classes of society. We have seen a certificate from some of the most respectable, intelligent, and influential citizens of Westchester, where the proprietor resides, who are above all attempts to mislead the public in reference to any medicine, remedy, or preparation; and as this testimony is at once spontaneous and uniform in commending this truly excellent medicine for rheumatism, and various other diseases named in the advertisement, there can be no longer be a reasonable doubt entertained of its extraordinary success and triumph over the maladies in question.

Sing Sing, May 13, 1845.

We, the undersigned, do certify that we have used Mr George E Stanton's External Remedy, called Hunt's Liniment, and have proved it to be fully equal the te the character he gives it. Its healing properties are truly extraordinary; and we most confidently recommend it as one of the most certain external remedies that has yet been discovered

Caleb Roscoe, Editor Westchester Herald; Isaac Birdsall, Inspector M P State Prison; Alb't Lockwood, Judge Court Com'n Pleas, James Locke, the extensive Horticulturist; M Churchill, Principal boarding school; Sam'l F Reynolds, Supreme Court Com'r; R R Voris District Attorney; Theodosius Clark, Pastor M E Church; Robert Wiltse, late agent M P State Prison; Aaron Ward late member of Congress; Munson I Lockwood, clerk of the county; Wm H Peck, Agent M P State Prison; B C Morse, Pastor of the Baptist Church; Benjamin Moore Abraham Kipp; Philip G Van Wyck, Benj Washburn.

The following shows a case of rheumatism cured with only one bottle of Hunt's Liniment. The letter is addressed to Mr Stanton:

Yorktown, June 18, 1845

Sir,—Having cured me of a severe attack of rheumatism, which had rendered me almost helpless, and at the same time made me suffer great pain, I would offer my testimony in favor of the great properties which your externall remedy, Hunt's Liniment is possessed of. I only used one bottle, and with that I consider I have been saved from a protracted and severe illness I am now attending to my business regularly, which is that of a Farmer.

Y'r ob't s't OLIVER VAN CORTLANDT

This liniment is sold at 25 and 50 cents per bottle, by all the principal druggists and merchants throughout the county.

Yes, Liver Disease, Jaundice, Dropsy, Enlargement of the Melt, Palpitation of the Heart, slow Fevers, general debility, and a hacking Cough, and finally eventuates in Consumption, and consigns thousands to untimely tombs. Go search amid the malaria districts of our country, on the records of human ruin, you shall find that many thousands of the brave and the beautiful; the graceful and the gifted, have fallen victims from the many causes produced by letting this great destroyer of health prey upon the system. These pills act like a charm on the organs of digestion, and have a special effect in correcting the bile and gall bladder, removing all obstruction to a healthy secretion of bile, and imparting cheerfulness to the mind as well as tone and vigor to the whole constitution All we ask is, give them a trial.

"SUGAR COATED" PILLS.

Beware! Caution!!

The increasing popularity of Dr. G. Benj. Smith's improved Indian Vegetable Sugar Coated Pills, has induced a number of persons to make something they call Pills and coat them with sugar, in order to sell them for the genuine, while they do not possess a particle of the goodness, nor even assimilate in appearance to the original. Dr. Smith's Pills. In short, they are an intended fraud upon the community.—A minister who at first had an interest in an imitation Sugar Coated Pill, manufactured in Albany N. Y., has given them up, as he says, on account of the miserable dishonest parties concerned in manufacturing them. The same party are now industriously circulating reports calculated to injure Dr. Smith and to affect the reputation of his valuable pills; but rather than notice them in public, Dr. Smith is about to institute legal proceeding against them for their slanders, as he has in another case against a similar party, in which he recovered a large amount of damages. These miserable imitators have to resort to the most abominably means to palm off ther counterfeit pills, as the public know that Dr Smith's are the original and genuine. Several instances have come to public notice in which life has been endangered by the unfortunate use of the counterfeits. It is *Dr Smith's* Pills that are doing so much good in the country—as the following plainly show.

More Ministers

Use and Recommend Dr. Smith's Pills than all others.

This is to certify that I have used the Sugar Coated Pills, manufactured by G. Benjamin Smith, of New York, for some time, and believe them to be a good medicine; and also, from inquiry in that city, I am persuaded that he is the original inventor, and therefore is entitled to the benefit of the invention.

S. WILLIAMS,

Pastor 1st Baptist Church, Pittsburgh.

From the Blue Hen's Chicken. (Del.)

We call the attention of our readers to the certificate of Rev. S. Williams, Pastor of 1st Baptist Church, Pittsburgh, in relation to Dr. Smith's Pills. We can ourselves bear testimony to the excellence of these Pills, one of us having used them and experienced great relief from them.

The above is the best paper in the State of Delaware.

The "Improved Indian Vegetable Pills," (Sugar Coated,) are certainly doing much good in the whole country, and are highly esteemed, if one half is true that people write and say about them. They are so easy in their operation that all like them. The editor of the Northern State Journal, one of the largest and best papers in the Stat of N. Y.,) writes as follows:

Watertown, May 31, 1846.

Dr G. Benj. Smith—

Dear Sir: I was laid up with a bad cold some time since my return from from N. Y, and during my my illness I made trial of your pills and I must say I found them excellent. They are the best medicine for the purposes they are intended, that I have yet seen, I seldom take pills, but I found yours entirely free from the objections to which other pills are liable I hope they will continue to be a source of profit to you as I doubt not they will be a means of relief to be afflicted on a lage scale.

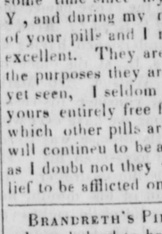

BRANDRETH'S PILLS.—This medicine is acknowledged to be one of the most valuable ever discovered as a purifier of the blood and fluids. It is superior to Sarsaparilla, whether as a sudorific or alterative, and stands infinitely before all the preparations and combinations of Mercury. Its purgative properties are alone of incalculable value, for these pills may be taken daily for any period, and, instead of weakening, by the cathartic effect, they add strength by taking away the cause of weakness. They have none of the miserable effects of that deadly specific, Mercury.—The teeth are not injured—the bones and limbs are not paralyzed—no; but, instead of these distressing symptoms, new life and consequent animation is evident in every movement of the body.

These Pills, for colds, coughs, tightness of the chest, rheumatism in the head or limbs, will be found superior to any thing imagined of the powers of medicine; and in bilious affections, dispepsia, and in all diseases peculiar to women, they should be resorted to at once. These Brandreth Pills will be found deserving of all praise.

Beware of Counterfeits!—The followin are the duly appointed Agents for the sale of the genuine Brandreth Pills in Kent co.

IT IS WRITTEN

In the book of nature and of common sense, that the natural vegetable productions of every country are, if properly applied amply sufficient for the cure of every malady incident to each peculiar climate.

Wright's Indian Vegetable Pills

of the North American College of Health, are composed of plants which grow spontaneously on our own soil, and are therefore better adapted to our constitutions than medicines concocted from foreign drugs, however well they may be compounded; and as they are founded upon the principle that the human body is in truth

Subject to but one Disease,

viz: corrupt humors, and that the said medicine cures this disease on

Natural Principles

by cleansing and purifying the body; it will be manifest, that if the constitution be not entirely exhausted—a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a swamp or morass to fertility, we drain it of the superabundant waters: in like manner if we wish to store the body to health, we must cleanse of all impurity.

Wright's Indian Vegetable Pills

will be found one of the best, if not the very best medicine in the world for carrying out this grand purifying principle, because they expel from the body all morbid and corrupt humors, the cause of disease, in an easy and natural manner; and while they every day

Give Ease and Pleasure,

disease of every name is rapidly driven from the body.

The following Agencies have been established for the sale of Wright's Indian Vegetable Pills in Kent county:

John Russell, Chestertown.
Nathan Peacock, Georgetown X Roads.
