In short, all kinds of sores and outward casualties and inflammation can be cured by Tousey's Universal Ointment, or Master of Pain.

Description of this Ointment, and a brief statement of its properties and powers: It will cure any sore or disease, either external or internal that can be cured by any ointment or Liniment or other External Application. It is the most perfect remover of pain ever applied to the human body. It can always be depended on for the removal or allaying all external inflammation, its healing properties are completely perfect. It is a scientific scientific Compound, the basis of it emanating from one of the first chemists in America. Physicians acquainted with its ingredents, universally prescribe it the most intelligen. men in the community keep it in their families as a standard and reliable remedy for all kinds of sores and external diseases it is the cheapest ointment before the public. It is made in the most careful manner great pains being taken in the select on of ingredients and the utmost caution in compounding it.

The idea of promoting insensible perspiration by filling up the pores of the skin with a greasy compound is perfectly ridiculous. Internal disease can never be cured in this way. All that Ointment can do is to cure the diseases on the surface of the ody. Touseys Ointment or master of pain, is the most safe complete and perfect remedy ever prepared in the form of Ointment, or Salve—It will cure any and every kind of sore external injury that can be cured by an outward application. To remove the sufferings caused by Salt Rhumb Erysipelas Scald Head, Quincy, Swelled Face Broken Breast, Chapped Hands, sore Lips, Inflamed Eyelids Chilblains, &c, it cannot be equalled. It is as near infallibility as any human compound can be.

To cure speedily, easily and effectual Bruises, Sprains Inflammatory. Rheumatism. Old sores, Cuts, stiff joints pimples on the face eruptions of the skin bites of insects, or reptiles of animals scratches: chaps, &c. it never fails. For the miserable feelings caused by extensive sun burns in the hot season it is a perfect remedy.—All residentes of warm climates should keep it on hand—In short, it is a sovereign reliable, never failing remedy for any and all sorts of sores or diseases to which such an article can be applied.

*WHO WILL LONGER HESITATE?* Three new certificates of Cures, by DR. CULLEN'S Indian Vegetable Panacea!!!

*READ THEM!!*

SCROFULA.

Mr. John W. Middleton, No. 85, South Eigth street, gives the following brief history of his case "I have suffered for many years with a severe Scrofula, effecting my *legs, arms and head;* at times not being able to walk without crutches. I had tried almost every thing, before I commenced with your Panacea, but to little purpose. The *Panacea* has proved itself superior to all other medicines I have taken, as that alone has effected the cure."

Mr. Middleton was offered fifteen doliars a week to remain in the office of a certain Doctor in this city, and reprerent the cure as being effected by his medicine; it is unnecessary to say that Mr. M. spurned the villainous offer with indignation. *Mr. M. can be seen at his own residence.*

Phila. Dec. 18th, '47.

ERYSIPELAS.

Mr. B. J. Kensil, a gentleman well known in this city, gives the following information. "I was troubled with a painful leg for about eighteen months, so distressing at times, as to disqualify me from following my business, and deprive me of sleep. I was induced by a friend to make use of your Dr. Cullen's Indian Vegetable Panacea. My leg at the time I commenced the Panacea, was much swollen and inflamed, with a large ulcer open. The leg is now nearly well. Mr. Kensill resides at No 125 Eleventh street.

South Dec. 28, 1847.

SCROFULOUS ULCERS.

Mrs. Mary T. Charles, a highly respectable Lady living in Williamstown, New Jersey, had suffered about nine years with ULCERS on the leg. The attending Physicians said nothing but amputation could save her life. Reading the many astonishing cures performed by DR. CULLEN'S Indian Vegetable Panacea, she sent a friend to procure some of the medicine, but unfortunately she missed the place and got into a Doctor's office, who represented his medicine as the Panacea, and of which she took some twenty bottles, without benefit, before finding her mistade. Her friend then called and procured Dr. Cullen's Panacea, and after using it about ten months Mrs. Charlhs thus writes under date of Dec. 20th, 1847:

*Messrs. Rowand & Walton*—Gentlemen: You request me to inform you how I am getting. I have the pleasure of stating to you that my health is good—I have a good appetite, and my leg, which it was thought would have to be taken off, is now entirely well. MARY T. CHARLES.

The above medicine is for sale at the store of Mr. J. L. STAM, Chestertown.
