NATURE'S OWN REMEDY!

THE INVALIDS BEST FRIEND!

It is confidently asserted that there never was a medicine which has given such uniform and universal satisfaction, as

Wright's Indian Vegetable Pills.

They have stood the severest trials, by curing when all other remedy failed, and have established reputation in the face of the envious slanders which have been raised against them.

Let it be borne in mind that Wright's Indian Vegetable Pills are

No Catch-penny Remedy,

the offspring of the hour destined to pass away with it, and be forgotten, but a medicine of sterling value.

For Fever and Ague,

That scourge of the west. Wright's Indian Vegetable Pills stand unrivalled. An instance has never come to our knowledge of these Pills having been taken, without effecting a complete cure. In chills and fever the liver and bilary functions are chiefly disordered, superinduced by great physical debility. When the symptoms first appear, no time should be lost before resorting to these Pills. A few doses will give such manifest relief that no persuasion will be necessary to continue the use of them.

For Dyspepsia.

Wright's Indian Vegetable Pills, will be found very superior. In this disease, the gastric juice is weak and deficient in quality. Consequently, the digestion is imperfect and the health impaired. These Pills remove the bile from the stomach, restore its tone, and improve the digestion.

Great Female Medicine!

It would be difficult precisely to tell to which of the two sexes Wright's Indian Vegetable Pills have been the two greatest blessing. But it is very certain that these pills have given health, and spirits, and a good complexion, to hundreds of females, who would without them, have been in their graves. A box of Wright's Indian Vegetable Pills, is an inestimable companion at certain periods.

Valuable Anti Bilious Medicine!

It is well known that the South and West suffer more from bilious disorders than from all others combined. This is partly owing to the climate, but chiefly to the nature of Southern and Western life. The sensations accompanying liver complaint are of the most wretched description. Habitual drunkenness is frequently brought on by liver complaint. A patient suffering from this disease, should not be mocked with pretended cures; yet there are very few medicines that are worth a straw in the removal of this complaint. Calomel has hitherto been the chief reliance, but the remedy has proved itself worse than the disease! What then shall be done? We say, give Wright's Indian Vegetable Pills a trial. If they do not exceed your expectations, we are willing to bear all the opprobrium of failure.

The following Agencies have been established for the sale of Wright's Indian Vegetable Pills in Kent county:

LET ITS WORKS PRAISE IT.

Sores can be Cured!

All kind of inflamed sores can be cured viz: Burns, Scalds, Cuts, Bruises, Swellings, Chilblains, Chapped Hands, Chafes, Scaldhead, Salt Rheum, Erysipelas, Inflamed Eye Lids, Pimples on the Face, Eruptions of the skin, Inflammatory Rheumatism, Bites of insects, reptiles, animals, and the local Cutaneous Diseases of warm climates. In short, all kinds of sores and outward casualties and inflammation can be cured by Tousey's Universal Ointment, or Master of Pain.

Description of this Ointment, and a brief statement of its properties and powers; it will cure any sore or disease, either external or internal that can be cured by any ointment or Liniment or other External Application. It is the most perfect remover of pain ever, applied to the human body. It can always be depended on for the removal or allaying all external inflammation, its healing properties are completely perfect. It is a scientific scientific Compound, the basis of it emanating from one of the first chemists in America. Physicians acquainted with its ingredients, universally prescribe it the most intelligent men in the community keep it in their families as a standard and reliable remedy for all kinds of sores and external diseases it is the cheapest ointment before the public. It is made in the most careful manner great pains being taken in the select on of ingredients and the utmost caution in compounding it.

The idea of promoting insensible perspiration by filling up the pores of the skin with a greasy compound is perfectly ridiculous. Internal disease can never be cured in this way. All that Ointment can do is to cure the diseases on the surface of the body. Tousey's Ointment or master of pain, is the most safe complete and perfect remedy ever prepared in the form of Ointment, or Salve. It will cure any and every kind of sore external injury that can be cured by an outward application. To allay the dreadful pain of the most extensive burn of Scald it is unapproachable. To remove the sufferings caused by Salt Rhumb Erysipelas Scald Head, Quincy, Swelled Facef Broken Breast, Chapped Hands, sore Lips, Inflamed Eyelids Chilbrains, etc, it cannot be equalled. It is as near infallibility as any human compound can be.

To cure speedily, easily and effectual Burns, Erysipelas Inflammatory, Rheumatism, Old sores, Cuts, stiff joints pimples on the face eruptions of the skin bites of insects or reptiles of animals scratches, chafes, &c. it never fails. For the miserable feelings caused by extensive sun burns in the hot season it is a perfect remedy.—All residents of warm climates should keep it on hand.—In short, it is a sovereign reliable, never failing remedy for any and all sorts of sores or diseases to which such an article can be applied.

☞Remember the name, Touseys Universal Ointment, or Master Of Pain.)

Thousands have tried and thousands praise it. It is working its way into public favor with rapidity heretofore unknown in the history of medicines.

No family should be without it. The agents will furnish the public gratis, with books describing this ointment. ☞Each box of the genuine Touseys universal Ointment or master of pain has the signature of S. tousey written on the outside label in black ink. NO CURE NO PAY.

WHY then will you suffer? *Ague and Fever or Chills and Fever,*

Positively cured in forty eight hours, without any return whatever, it matters not of how long standing, by the use of Dr. GRAHAM'S VEGETABLE SPECIFIC PILLS, the only certain remedy yet discovered. No mercury, quinine or arsenic enters into the composition of these pills.—This loathsome disease, which has heretofore baffled the efforts of the most skillful and scientific physicians, for generations prey upon your constitutions until they become so shattered that you are subject to almost every disease incident to the human frame, Yes, Liver Disease, Jaundice, Dropsy, Enlargement of the Melt, Palpitation of the Heart, slow Fevers, general debility, and a hacking Cough, and finally eventuates in Consumption, and consigns thousands to untimely tombs. Go search amid the malaria districts of our country, on the records of human ruin, you shall find that many thousands of the brave and the beautiful; the graceful and the gifted, have fallen victims from the many causes produced by letting this great destroyer of health prey upon the system. These pills act like a charm on the organs of digestion, and have a special effect in correcting the bile and gall bladder, removing all obstruction to a healthy secretion of bile, and imparting cheerfulness to the mind as well as tone and vigor to the whole constitution. All we ask is, give them a trial.

Dr. Martin's compound syrup of Wild Cherry.

This Compound is one of the best remedies ever offered the public in Coughs, whether arising from Colds or the Whooping Cough, or that dreadful malady, Consumption. Few remedies, in the short time it has been before the public, have effected so many cures. The proprietors are every day receiving orders for it at a distance, in which they have been highly gratified to learn its good effects. The Bishop of the Protestant Episcopal Church of Maryland, (the Righ. Rev'd. W. R. Whittingham) has authorised us to say he has used it in his own person with decided benefit; and our Medical friends do not scruple to recommend it as one of the best remedies in Consumption, Bronchitis, Asthma, &c., which they have ever met with. Tae following is from a highly respectable physician on Kent Island, whom we made acquainted with the preparation.

Kent Island, June 22, 1847.

Dr. Martin—Dear Sir: Since my return home, I prescribed your Syrup of Wild Cherry, in several cases; one in particular, a case of Asthma of long standing (about 12 years, a neighbor and patient of mine.—Her disease has never been benefitted by any Medicine which rhe has taken, and for the last year or two she has been confined entirely to the house. I do not know that she has had a good night rest for a long time, but since she commenced taking your medicine (and she has only taken one bottle,) she is enabled to go to bed and sleep well all night I think the medicine will make a perfect cure her husband, Mr. Earcikson, is a merchant here, and says if you will send him some of it, he will act as your agent.

Indian Vegetable Panacea.

Persons affected with Scrofula, Kings' Evil Cancer, Erysipelas, Old Sores, Ulcers, Tetter, Mercurial Diseases, or any other complaints arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine.

Read! Read!! Read!!!

We, the undersigned having visited Mr. Isaac Brooks, Jr., at the office of Messrs. Rowand & Watson, 376 Market street, Philadelphia, consider his case the most remarkable one we have ever witnessed or heard of. His disease was *Scrofula*, and terrible must have been his twelve years' conflict with the destroyer.. His palate, the entire roof of his mouth, nose, upper lip, the lower lid of the right eye, have all been destroyed, his face *nearly eaten up* and part of the Jaw Bone carried away.—And yet we can give no description of his case. Mr. B. informe us that in January last the whole interior of his mouth, as well as most of his face, was a mass of deep and painful ulcers. On the 14th of January last, he commenced taking Dr. Cullen's Indian Vegetable Panacea, which checked the disease in a few days, and from that time the cure has progressed without intermission. New flesh has supplied the place of the deep ulcers, and though badly disfigured, his face is sound, and his general health is restored. We are assured that in the treatment of Mr. Brook's case, no Mercurials, Ointments, or Caustic Applications have been used—in fact, the panacea alone, has wrought this wonderful change.

The veracious testimony attached to the Native Preparation of Capt. Brants Indian Remedies is a sufficient attestation to their merits. The soothing influence of the Pulmonary Balsam over the raging tortures of the CONSUMPTIVE'S COUGH, the cessation of their pains, the increase facility afforded to the expectoration, the absence of those debilitating night sweats altogether produce the consciousness of relief and permanent cure in the patient's mind.
