Description of this Ointment, and a brief statement of its properties and powers; It will cure any sore or disease, either external or internal that can be cured by any ointment or Liniment or other External Application. It is the most perfect remover of pain ever applied to the human body. It can always be depended on for the removal or allaying all external inflammation, its healing properties are completely perfect. It is a scientific scientific Compound, the basis of it emanating from one of the first chemists in America. Physicians acquainted with its ingredents, universally prescribe it the most intelligent men in the community keep it in their families as a standard and reliable remedy for all kinds of sores and external diseases it is the cheapest ointment before the public. It is made in the most careful manner great pains being taken in the select on of ingredients and the utmost caution in compounding it.

The idea of promoting insensible perspiration by filling up the pores of the skin with a greasy compound is perfectly ridiculous. Internal disease can never be cured in this way. All that Ointment can do is to cure the diseases on the surface of the body. Touseys Ointment or master of pain, is the most safe complete and perfect remedy ever prepared in the form of Ointment, or Salve—It will cure any and every kind of sore external injury that can be cured by an outward application. To allay the dreadful pain of the most extensive burn of Scald it is unapproachable. To remove the sufferings caused by Salt Rhumb Erysiplast Scald Head, Quincy, Swelled Facef Broken Brsast, Chapped Hands, sore Lips, Inflamed Eyelids Chilbrains, etc, it cannot be equalled. It is as neat infallibility as any human compound can be.

To cure speedily, easily and effectual Bruises, Strains Inflammatory. Rheumatism. Old sores, Cuts, stiff joints pimples on the face eruptions of the skin bites of insects or reptiles of animals scratches: chafes, &c. it never fails. For the miserable feelings caused by extensive sun burns in the hot season it is a perfect remedy.—All residentes of warm climates should keep it on hand—A short, it is a sovereign reliable, never failing remedy for any and all sorts of sores or descases to which such an article can be applied.

NATURE'S OWN REMEDY!

THE INVALIDS BEST FRIEND!

It is confidently asserted that there never was a medicine which has given such uniform and universal satisfaction, as

Wright's Indian Vegetable Pills.

They have stood the severest trials, by curing when all other remedy failed, and have established reputation in the face of the envious slanders which have been raised against them.

Let it be borne in mind that Wright's Indian Vegetable Pills are

No Catch-penny Remedy,

the offspring of the hour destined to pass away with it, and be forgotten, but a medicine of stering value.

For Fever and Ague,

That scourge of the west. Wright's Indian Vegetable Pills stand unrivalled. An instance has never come to our knowledge of these Pills having been taken, without effecting a complete cure. In chills and fever the liver and bilary functions are chiefly disordered, superinduced by great physical debility. When the symptoms first appear, no time should be lost before resorting to these Pills A few doses will give such manifest relief that no persuasion will be necessary to continue the use of them.

For Dyspepsia,

Wright's Indian Vegetable Pills, will be found very superior. In this disease, the gastric juice is weak and deficient in quality. Consequently, the digestion is imperfect and the health impaired. These Pills remove the bile from the stomach, restore its tone, and improve the digestion.

Great Female Medicine !

It would be difficult precisely to tell to which of the two sexes Wright's Indian Vegetable Pills have been the two greatest blessing. But it is very certain that these pills have giveh hsalth, and spirits, and a good complexion, to hundreds of females, who would without them, have been in their graves. A box of Wright's Indian Vegetable Pills, is an inestimable companion at certain periods.

Valuable Anti Bilious Medicine!

It is well known that the South and West suffer more from bilious disorders than from all others combined. This is partly owing to the climate, but chiefly to the nature of Southern and Western life. The sensations accompanying liver complaint are of the most wretched description. Habitual drunkenness is frequently brought on by liver complaint A patient suffering from this disease, should not be mocked with pretended cures; yet there are very few medicines that are worth a straw in the removal of this complaint. Calomel has hitherto been the chief reliance, but the remedy has proved itself worse than the disease! What then shall be done? We say, give Wright's Indian Vegetable Pills a trial. If they do not exceed your expectations, we are willing to bear all the opprobrium of failure.

The following Agencies have been established for the sale of Wright's Indian Vegetable Pills in Kent county:

John Russell, Chestertown.
Wiley & Perkins, do
Nathan Peacock, Georgetown X Roads.
Daniel Hanes, Sull Pond.
Henry Blackiston, Rock Hall.
W R Foreman, Chesterville.
Sam'l Cooper, Urieville.
Walker & Bell, Millington.
B. C. Wells, Head of Sassafras.

Offices devoted exclusively to the sale of Wright's Indian Vegetable Pills, wholesale and retail, 169 Race st. Phil.; 288 Greenwich st. N Y; and 198 Tremont st Boston.

BALTIMORE

Piano Forte Manufactory.

VERY IMPORTANT INVENTION.

IT has long been a question among teachers and amateurs of music, as to the most suitable touch for a Piano Forte. Some at this time contend for a light touch, while others with equal ability advocate the heavy. This question is now permanently settled. WISE & BROTHER have invented a contrivance by which the same Instrument may be instantly set to any required touch, by the turning of a single screw, varying, if necessary, three hundred and sixty-five differences. The advantages of this are evident, both to teachers and amateurs, as lessons may be practiced on the heavy, and exhibited on the lighter touch, to suit exactly any physical capacity which is agreeable to fact and progressive lessons. The contrivance is simple, and may be applied to any common Piano. A patent is about to be taken for the improvement.
