NATURE'S OWN REMEDY!

THE INVALIDS BEST FRIEND!

It is confidently asserted that there never was a medicine which has given such uniform and universal satisfaction, as

Wright's Indian Vegetable Pills

They have stood the severest trials, by curing when all other remedy failed, and have established reputation in the face of the envious slanders which have been raised against them.

Let it be borne in mind that Wright's Indian Vegetable Pills are

No Catch penny Remedy,

the offspring of the hour destined to pass away with it, and be forgotten, but a medicine of sterling value.

For Fever and Ague,

That scourge of the west. Wright's Indian Vegetable Pills stand unrivalled. An instance has never come to our knowledge of these Pills having been taken, without effecting a complete cure. In chills and fever the liver and bilary functions are chiefly disordered, superinduced by great physical debility. When the symptoms first appear, no time should be lost before resorting to these Pills A few doses will give such manifest relief that no persuasion will be necessary to continue the use of them.

For Dyspepsia,

Wright's Indian Vegetable Pills, will be found very superior. In this disease, the gastric juice is weak and deficient in quality. Consequently, the digestion is imperfect and the health impaired. These Pills remove the bile from the stomach, restore its tone, and improve the digestion.

Great Female Medicine!

It would be difficult precisely to tell to which of the two sexes Wright's Indian Vegetable Pills have been the two greatest blessing. But it is very certain that these pills have given health, and spirits, and a good complexion, to hundreds of females, who would without them, have been in their graves. A box of Wright's Indian Vegetable Pills, is an inestimable companion at certain periods.

Valuable Anti Bilious Medicine!

It is well known that the South and West suffer more from bilious disorders than from all others combined. This is partly owing to the climate, but chiefly to the nature of Southern and Western life. The sensations accompanying liver complaint are of the most wretched description. Habitual drunkenness is frequently brought on by liver complaint A patient suffering from this disease, should not be mocked with pretended cures; yet there are very few medicines that are worth a straw in the removal of this complaint Calomel has hitherto been the chief reliance, but the remedy has proved itself worse than the disease! What then shall be done? We say, give Wright's Indian Vegetable Pills a trial. If they do not exceed your expectations, we are willing to bear all the opprobrium of failure.

The following Agencies have been established for the sale of Wright's Indian Vegetable Pills in Kent county:

Sores can be Cured!

All kind of inflamed sores can be cured viz: Burns, Scalds, Cuts, Bruises, Swellings, Chilblains, Chapped Hands, Chafes, Scaldhead, Salt Rheum, Erysipolas, Inflamed Eye Lids, Pimples on the Face, Eruptions of the skin, Inflammatory Rheumatism, Bites of insects, reptiles, animals, and the local Cutaneous Diseases of warm climates. In short, all kinds of sores and outward casualties and inflammation can be cured by Touesy's Universal Ointment, or Master of Pain.

Description of this Ointment, and a brief statement of its properties and powers: It will cure any sore or disease, either external or internal that can be cured by any ointment or Liniment or other External Application. It is the most perfect remover of pain ever applied to the human body. It can always be depended on for the removal or allaying all external inflammation, its healing properties are completely perfect. It is a scientific scientific Compound, the basis of it emanating from one of the first chemists in America. Physicians acquainted with its ingredents, universally prescribe it the most intelligent men in the community keep it in their families as a standard and reliable remedy for all kinds of sores and external diseases it is the cheapest ointment before the public. It is made in the most careful manner great pains being taken in the select on of ingredients and the utmost caution in compounding it.

The idea of promoting insensible perspiration by filling up the pores of the skin with a greasy compound is perfectly ridiculous. Internal disease can never be cured in this way. All that Ointment can do is to cure the diseases on the surface of the body. Touseys Ointment or master of pain, is the most safe complete and perfect remedy ever prepared in the form of Ointment, or Salve—It will cure any and every kind of sore external injury that can be cured by an outward application. To allay the dreadful pain of the most extensive burn of Scald it is unapproachable. To remove the sufferings caused by Salt Rhumb Erysiplast Scald Heae, Quincy, Swelled Facef Broken Brsast, Chapped Handa, sore Lips, Inflamed Eyelids Chilbrains, etc, it cannot be equalled. It is as near infallibility as any human compound can be.

To cure speedily, easily and effectual Bruises, Sprains Inflammatory. Rheumatism. Old sores, Cuts, stiff joints pimples on the face eruptions of the skin bites of insects or reptiles of animals scratches: chafes,&c. it never fails. For the miserable feelings caused by extensive sun burns in the hot season it is a perfect remedy.—Ill residentes of warm climates should keep it on hand—In short, it is a sovereign reliable, never failing remedy for any and all sorts of sores or deseases to which such an article can be applied.

☞Remember the name, Touseys Universal Ointment, or Master Of Pain.)

Thousands have tried and thousands praise it. It is working its way into public favor with rapidity heretofore unknown in the history of medicines.

No family should be without it. The agents will furnish the public gratis with books describing this ointment. ☞Each box of the genuine Youseys universa Ointment or master of poin has the signature of S. tou sey written on the outside Label in black ink, Never purchase a box, unless the signature can be seen. Price 25 cents per box, or five boxes for $1.

Dr. Martin's compound syrup of Wild Cherry.

This Compound is one of the best remedies ever offered the public in Coughs, whether arrising from Colds or the Whooping Cough, or that dreadful malady, Cousumption, Few remedies, in the short time it has been before the public, have effected so many cures. The proprietors are every day receiving orders for it at a distance, in which they have been highly gratified to learn its good effects. The Bishop of the Protestant Episcopal Church of Maryland, (the Righ. Rev'd. W. R. Whittingham) has authorised us to say he has used it in his own person with decided benefit; and our Medical friends do not scruple to recommend it as one of the best remedies in Consumption, Bronchitis, Asthma, &c., which they have ever met with. The following is from a highly respectable physician on Kent Island, whom we made acquainted with the preparation.

Kent Island, June 22, 1847.

Dr. Martin—Dear Sir: Since my return home, I prescribed your Syrup of Wild Cherry, in several cases; one in particular, a case of Asthma of long standing (about 12 years, a neighbor and patient of mine.—Her disease has never been benefitted by any Medicine which she has taken, and for the last year or two she has been confined entirely to the house. I do not know that she has had a good night rest for a long time, but since she commenced taking your medicine (and she has only taken one bottle,) she is enabled to go to bed and sleep well all night I think the medicine will make a perfect cure her husband, Mr. Earcikson, is a merchant here, and says if you will send him some of the will act as your agent.

WHO WILL LONGER HESITATE? Three new certificates of Cures, by Dr. CULLEN'S Indian Vegetable Panacea!!!

READ THEM!!

SCROFULA.

Mr. John W. Middleton, No. 85, South Eigth stree, gives the following brief history of his case "I have suffered for many years with a severe Scrofula, effecting my *legs, arms and head;* at times not being able to walk without crutches. I had tried almost every thing, before I commenced with your Panacea, but to little purpose. The *Panacea* has proved itself superior to all other medicines I have taken, as that alone has effected the cure."

Mr. Middleton was offered fifteen dollars a week to remain in the office of a certain Doctor in this city, and represent the cure as being effected by his medicine, it is unnecessary to say that Mr. M. spurned the villainous offer with indignation. *Mr. M. can be seen at his own residence.*

Philad. Dec. 18h, '47.

ERYSIPELAS.

Mr. B. J. Kensil, a gentleman well known in this city, gives the following information. "I was troubled with a painful leg for about eighteen months, so distressing at times, as to disqualify me from following my business, and deprive me of sleep. I was induced by a friend to make use of your Dr. Cullen's Indian Vegetable Panacea. My leg at the time I commenced the Panacea, was much swollen and inflamed, with a large ulcer open. The leg is now nicely well. Mr. Kensill resides at No 125 Eleventh street.

South Dec. 28, 1847.

SCROFULOUS ULCERS.

Mrs. Mary T. Charles, a highly respectable lady living in Williamstown, New Jersey, had suffered about nine years with ULCERS on the leg. The attending Physicians said nothing but amputation could save her life. Reading the many astonishing cures performed by DR. CULLEN'S Indian Vegetable Panacea, she sent a friend to procure some of the medicine, but unfortunately she missed the place and got in to a Doctor's office, who represented his medicine as the Panacea, and of which she took some twenty bottles, without benefit, before finding her mistade. Her friend then called and procured Dr. Cullen's Panacea, and after using it about ten months Mrs. Charlis thus writes under date of Dec. 20th. 1847:

Messrs. Rowand & Walton—Gentlemen: You request me to inform you how I am getting, I have the pleasure of stating to you that my health is good—I have a good appetite, and my leg, which it was thought would have to be taken off, is now entirely well. Mary T. Charles.

The veracious testimony attached to the Native Preparation of Capt. Brants Indian Remedies is a sufficient attestation to their merits. The soothing influence of the Pulmonary Balsam over the raging tortures of the CONSUMPTIVE'S COUGH, the cessation of their pains, the increase facility afforded to the expectoration, the absence of those debilitating night sweats altogether produce the consciousness of relief and permanent cure in the patient's mind. Add to these the

CELEBRATED REMEDY

FOR DEAFNESS.

PAINS in and discharge of matter from the ear, together with all other unpleasant symptoms, which either accompany, or announce approaching deafness.

This invaluable medicine is the result of a long and faithfully pursued course of experiments instituted with the sole view to discover (if possible) a certain, and at the same time a safe remedy for this dreadfully afflicting disorder, and being extensively used in the private practice of the subscriber during the last eight years, in very numerous cases with the most remarkable success, is now offered to the public, for the benefit of those, who from distance, or other circumstances,—cannot have the personal attention of the proprietor in the fullest confidence of its efficacy and in this firm belief that it will not disappoint the expectations of those who may have occasion for its use; in short that it is the most valuable article ever offered to the public for this disease.
