Valuable Farm for SALE.

THE subscriber will sell at private sale the *HATCHESON FARM*, situated in the lower part of Kent county, Maryland, on the main road leading from the lower Church to Rock Hall and adjoining the lands of Mrs. Everett and others. The location is excellent, being in a good neighborhood, within 1½ miles of a public landing and within 2½ miles of Rock Hall, having communication with Baltimore twice a week. His object in selling is, that he may give his undivided attention at home. The tract contains **213½ ACRES**. About 29 acres of which is in

Wood and Timber,

a portion of which is Chesnut with some white oak.

This farm has been in a rapid state of improvements for some time past. Eight hundred dollars have been expended in the various improvements, and his unremitted personal attention has been given to it. The most difficult and expensive obstacles have been overcome, and the purchaser will be able to increase his crops annually with ordinary care. A large amount of ditching has been done in the most thorough manner by hauling off the headlands and scouring out the ditches.—Twenty *five hundred* bushels of stone lime has been recently applied—thirty five acres are well set in young clover—twenty acres open fallow was broken up in May and a large quantity of manure applied.—This will be sown in wheat together with other 20 to 25 acres, making 40 to 50 acres in wheat this fall. There was grown on the farm this year 400 bus. wheat and 450 bus. oats—60 to 65 acres in corn, which looks well.

The buildings consist of very comfortable two story Dwelling with two rooms below and three above, in good order with kitchen attached; a large Barn, has just been put in complete repair with a small granary, good stabling and corn sheds. There is also a good Corn-house and meat-house.

All the fencing about the yard and garden is new and of the best of materials.—There is a small apple orchard of good fruit, together with a variety of other fruit trees. From 5 to 10 acres is in

MEADOW,

from which is now being cut a large quantity of excellent hay.

Possession will be given on the first of January next, and the privilege during the present year of making improvements, and possession of a part of the dwelling if desired. Persons disposed to purchase will find Mr. Godwin, my agent, on the premises ready to shew the Farm to any one else who may call.

For terms apply to George Vickers, Esq. my Agent and Attorney in Chester Town, or to the subscriber at his residence in Pipe Neck.

Piano Forte Manufactory.

VERY IMPORTANT INVENTION.

IT has long been a question among teachers and amateurs of music, as to the most suitable touch for a Piano Forte. Some at this time contend for a light touch, while others, with equal ability advocate the heavy. This question is now permanently settled. WISE & BROTHER have invented a contrivance by which the same Instrument may be instantly set to any required touch, by the turning of a single screw, varying, if necessary, three hundred and sixty-five differences. The advantages of this are evident, both to teachers and amateurs, as lessons may be practiced on the heavy, and exhibited on the lighter touch, to suit exactly any physical capacity which is agreeable to fact and progressive lessons. The contrivance is simple, and may be applied to any common Piano. A patent is about to be taken for the improvement.
