THE ORIGINAL AND ONLY

Genuine INDIAN MEDICINE

Russelsville, Putnam co.; Ind., July 1, 1847.

Dr. Wright: Some time since your agent left me a supply of your Indian Vegetable Pills. I have found said Pills to be in great demand lately for the cure of Fever and Ague. Mr James Boyd has a son who has a son who has been laid up with Fever and Ague, and had tried other remedies, all of which proved of no avail. He determined to buy you Indian Vegetable Pills, and by using one box is now sound and well. Mr. T. Spencer had a daughter, Mr. Hugh Groves a son, and Mr. Charles Nicolas and three of his family, were all down at the same time with fever and ague, and had also tried the various other remedies without effect. Your Indian Vegetable Pills soon restored them to perfect health. I can assure you, from what I have seen, your Indian Vegetable Pills may be relied on for perfect cure of Fever and Ague. Yours respectfully,

JACOB DURHAM, P. M.

Also an acting Justice of the Peace.

This is to certify, that I was entirely cured of the chills and fevers of several months' standing, by the use of four doses, of four pills each, of Wright's Indian Vegetable Pills, after taking medicine from a regular physician for some time, and have had no symptoms of them since, which has been about one year ago.

J. W. SPENCER.

Texas, Champaign co., Ohio.

This is to certify, that I was cured of the chills and fever, by the use of one box of Wright's Indian Vegetable Pills, after having had three attacks of it.

Sores can be Cured !

All kind of inflamed sores can be cured viz: Burns, Scalds, Cuts, Boils & Swellings, Chilblains, Chapped Hands, Chaps, Scalehead, Salt Rheum, Erysipelas, Inflamed Eye Lids, Pimples on the Face, Eruptions of the skin, Inflammatory Rheumatism, Bites of insects, reptiles, animals, and the local Cutaneous Diseases of warm climates. In short, all kinds of sores and outward casualities and inflammation can be cured by Touesy's Universal Ointment or Master of Pain.

Description of this Ointment, and a brief statement of its properties and powers; It will cure any sore or disease, either external or internal that can be cured by any ointment or Liniment of other External Application. It is the most perfect remover of pain ever applied to the human body. It can always be depended on for the removal or allaying all external inflammation, its healing properties are completely perfect. It is a scientific scientific Compound, the basis of it emanating from one of the first chemists in America. Physicians acquainted with its ingredients, universally prescribe it the most intelligent men in the community keep it in their families as a standard and reliable remedy for all kinds of sores and external diseases it is the cheapest ointment before the public. It is made in the most careful manner great pains being taken in the select on of ingredients and the utmost caution in compounding it.

The idea of promoting insensible perspiration by filling up the pores of the skin with a greasy compound is perfectly ridiculous. Internal disease can never be cured in this way. All that Ointment can do is to cure the diseases on the surface of the body. Touseys Ointment or master of pain, is the most safe complete and perfect remedy ever prepared in the form of Ointment, or Salve—It will cure any and every kind of sore external injury that can be cured by an outward application. To allay the dreadful pain of the most extensive burn of Scald it is unapproachable. To remove the sufferings caused by Salt Rheum Erysipelas Scald Head, Quincy, Swelled Face Broken Breast, Chapped Hands, sore Lips, Inflamed Eyelids Chilblains, etc, it cannot be equalled. It is as near infallibility as any human compound can be.

To cure speedily, easily and effectual Bruises, Sprains Inflammatory Rheumatism. Old sores, Cuts, stiff joints pimples on the face eruptions of the skin bites of insects or reptiles of animals scratches: chafes, &c. it never fails. For the miserable feelings caused by extensive sun burns in the hot season it is a perfect remedy.—Ill residentes of warm climates should keep it on hand—nAshort, it is a sovereign reliable, never failing remedy for any and all sorts of sores or deseases to which such an article can be applied.

Donot omit ye who would health secure,
That daily fresh ablution, that shall clear
The sluices of the skinn, enough to keep
The body sacred from indecent soil.
Still to be pure, even if it did not conduce
(As much as it does) to health, very greatly worth,

The want of this is poverty's worst foe.
