THE NIAGARA SHOWER-BATH

AN ENTIRELY NEW ARTICLE FOR SHOWER BATHING,
With old or Warm Water.

A great and important improvement is made in this Shower Bath over all others, by throwing the water immediately on the body without wetting the head, unless at the will of pleasure of the bather; but greater point is gained by being enabled to bathe with warm water, which no other Shower Bath is adapted to—and most important of all, the Bathcan be medicated without injury to the hair.

Many persons cannot take a cold bath—their case is met in this, as they can regulate the temperature of the water to suit their wish and commence bathing at any season of the year without any unpleasant result. Ladies can have the advantage of bathing without wetting the head or covering the same.

The arrangements are simple and complete, and not liable to get out of order.—The Bath can be adjusted to suit any heighth, from a small child to the tallest person. When the door is closed, the fixtures are hid and the outside appearance is that of a neat piece of furniture.

They have received the approbation of several midical gentlemen—others are requested to call and examine them.

Manufactured by the Pantetee.

BATHING Read What Armstrong says:
Donot omit ye who would health secure,
That daily fresh ablution, that shall clear
The sluices of the skinn, enough to keep
The body sacred from indecent soil.
Still to be pure, even if it did not conduce
(As much as it does) to health, very greatly worth,
You daily pairs: 'tis this adorns the rich;
The want of this is poverty's worst foe
With this external virtue, age maintains.
A decent grace; without it, youth and charms
Are loathsome."

50,000 *VICTIMS EVERY YEAR*

Fall a Prey to Consumption, Asthma and Raising Blood, Hectic Fever and night Sweats.

Mrs. Adams, 126th st., Harlem, suffered a year with a cough, pain in the chest, night sweats, and all the aggravated systems of Consumption, nothing relieved her till she tried Sherman's Balsam—half a bottle cured her.

Ulcerated Lungs and Liver.

Mr. E. T. Lawrence, Jackson st. Brooklyn, after years of suffering, and treated by various physicians, was pronounced incurable from ulcerated lungs and liver. Dying, as was supposed, he tried the Balsam, its effects were most miraculous; two bottles cured him.

Pleurisy and Consumption.

Mrs. Baggas, resided at 88 Sheriff-Street, 70 years old, has been subject to attacks of pleurisy and consumptive coughs for years. This Balsam has saved her from very great suffering.

Asthma and Consumption.

L. J. Beals, 19 Delancey-street gave it to his sister in law who had been an invalid for years from Asthma; to another 8s in consumption. It relieved them at once, so that they travelled several hundred miles.

Spitting Blood

Is always alarming. It leads to the worst kind of Consumption, and unless arrested in time is generally fatal. Sherman's All-Healing Balsam is the best remedy known; it heals the wounded or ruptured blood vessels of the lungs, and thereby effects a permanent cure, while other remedies only stop the blood for the time. A few doses of this Balsam will satisfy the most skeptical that it is the medicine required—It has been successful in many cases, and that too where they had run into a rapid decline, or, as mord generally expressed, "Hasty Consumption." Young persons, or those of middle age, are morh subject to these attacks than the aged.

Price 25 cents and $1 per bottle.

Dr. Sherman's Bough and Worm Lozenges, and Poor Man's Plasters, sold as above.
