Both the combatants were desperately wounded. N. Clement Thomas was shot through the right lung, and M. Coetlogeon in the left side. M. Clement Thomas was in great danger.

DIED.

On Thursday, after a long and painful illness, Capt. Richard Baker, a respectable and beloved citizen.

Died at her residence in Philadelphia on the 1st inst. in the 69th year of her age Mrs. Sarah Clayton widow of the late Jas. Clayton of Del, and sister of Macall Medford late of this county.

☞Among the many blessings attendant upon improvements in the social condition, and the advances of our race in intelligence, is the prolongation of human life. With the increase of intelligence has grown up a knowledge for the elements of health and a regard for them and commensurately with the strides of science have we acquired the means of arresting disease, and averting its ravages. Notwithstanding the progress we have made, statistics show that even now, one sixth of the whole population die annually of consumption.

One of the most important discoveries of the age, in ameliorating the condition of this large class of suffering humanity, is

DR. WISTAR'S BALSAM OF WILD CHERRY.

What time establishes and consecrates, what experience adopts and confirms, what all men in all places unite in saying is good and valuable, is so no doubt. A popularity of this sort fixes in society its roots so deep and so strong, that time cannot destroy it. The success which has attended this medicine for several years past, has overcome the prejudice of all respectable men, and the article has taken a stand among the first class of discoveries and blessings of the age; and when resorted to in season eradicates the disease for which it is reccommended.

None genuine, unless signed I BUTTS on the wrapper.

WHOLESALE DEALERS IN

British, French, German & American

DRY GOODS,

THE present mode of doing business (we mean the CREDIT SYSTEM) is now carried to such an extent; that it is only attended with disaster and vexation to the cash and prompt solvent buyer, by increasing the number of his competitors, but unless every precaution and the utmost prudence is observed, the wholesale dealer is involved in difficulty and two-thirds, at least, who embark in the credit business, are reduced by *bad debts* to absolute bankruptcy.

With this truth before us, we have determined to change our system of business, by selling only for cash, or on very short time for prompt payment, and beg leave to call the attention of purchasers to the advantages we can offer as enducements to examine our stock.

Possessing every facility for purchasing at the lowest cash prices, and all times ready to avail ourselves of a fall in the market; watching every Auction sale in this, and not unfrequently in the neighboring cities; we feel confident of our ability to sell, at least a *portion of our stock lower* than the same articles can be bought elsewhere, and the whole at the smallest possible advance.

Our stock will embrace every article usually found in a Wholesale Dry Good establishment, and we respectfully invite your attention when in our city, knowing that, the many inducements we can offer, we cannot fail to convince the doubting and incredulous, that the small advance charged upon the cost will not include losses by bad debts and lawyer's fees, or expenses of a travelling collector; and, to every cash buyer, who will spare the time to give our stock a careful examination, we pledge ourselves to sell him a satisfactory bill *or compel other houses to sell him cheaper than they have ever done before.* To conclude, we promise it shall be our constant aim, in our intercourse with the retail dealer, not only to make it *his interest* to purchase of us, but by pursuing a course of strict integrity, to merit his confidence, custom and influence.

DR. MARTIN'S

Universal Purgative Pills,

A Remedy for all seasons, and safe at all times. The most superficial observer is aware that one great cause of disease is Costiveness, and that by the timely taking of a Purgative, the system is often restored to its usual health. By such a course, the lives of hundreds are saved, who would otherwise have fallen victims to disease. These pills remove all irritating matter in the bowels, and exciting the biliary functions to a healthy action. The press is teeming with the recommendations of purgative pills, gotten up by men who know nothing of the effects of medicine on the human system, and hence are endangering the lives of thousands, who are daily using them. In offering, therefore, these pills, we think we are doing a public benefit, as they are the prescription of a regular physician, who has used them in his practice for ten or fifteen years, and with great success.

Martin & Whiteley's

National Tonic,

A CERTAIN CURE FOR

Fever and Ague and Dyspepsia

IN our Summer and Fall months many sections of our country are prostrated by this disease. It has been our particular study to find out some remedy to stop this truly dreadful scourge, and think by this TONIC we have effected the great object. It is also, we think the very best remedy in Dyspepsia, and if our directions are followed, will not fail to effect a cure. Read the pamphlets which you get from one of our agents, gratis, and we think you will be convinced we are right.

Read the following.

Baltimore, Jan. 11th, 1849.

Messrs. Martin & Whiteley:

Gents:—Having used your National Tonic for Dyspepsia, which has troubled me to a great extent for some years, I am pleased to say to you that it has cured me effectually. I had taken a good deal of medicine, hoping to be relieved, but nothing has done me any service till I took your Tonic.

DR. MARTIN'S Compound Syrup of Wild Cherry, is the best medicine for Coughs, Colds, Consumption, Asthma, Spitting of Blood etc. Read the following:

Dr. Martin—Dear Sir.

Having received such great relief from the use of your Compound Syrup of Wild Cherry, I have determined to send you a statement of my case as it was when I commenced the use of it. I had had for some weeks a violent cough, and was under the care of my family physician, the late Dr. R. A. Durkee, whose experience in such matters no man ever doubted, yet my cough continued to increase, and I was so much reduced in flesh, I as well as my family became alarmed. In December last I called on you, as I knew you had for many years back attended my brother, the late Dr. Charles Tilden of Caroline county, Md., whose wife and two children and himself have since died of consumption. You seemed very doubtful of my case, as I thought and remarked you knew of nothing that would benefit me more than the free use of your "Syrup of Wild Cherry," if I would observe a rigid diet, such as laid down in your pamphlet on Consumption, which accompanies each bottle of the Syrup. Upon due reflection I at once commenced following your advice, and soon found a great change for the better, and in a few weeks I was enabled to attend to my business. My children have had violent colds, attended with a cough—such is my confidence in the Syrup I immediately resort to it, and always with success. Parents I think, should always keep it in their houses, as it will relieve the worst cough if taken in time. You can make use of this statement in any way you see proper. Yours respectfully,

THOS E. TILDEN,

Merchant Tailor.

Read the pamplets, which you can obtain gratis of any of the Agents. Price 75 cents a bottle.
