New York Elections.

WHIGS VICTORIOUS!

The municipal election in New York city on Tuesday last, for Mayor, Aldermen and Assistants, and for Judges of the Superior and Marine Courts, has resulted in a complete Whig victory. Caleb S. Woodhull, the Whig candidate, is elected Mayor by a majority of 4000.

A majority of the Common Council are also Whigs, as well as the successful candidates for the Judiciary.

The vote on the new charter has not yet been counted.

Mr. Copland Whig, has been elected Mayor of Brooklyn.

Accounts from Albany state that Humphreys, Whig, has been elected Mayor by 200 majority.

☞A letter to the Baltimore Sun dated New Orleans, April 11, '49, says:

There are more deaths of cholera in this city, at this time, than your readers have any idea of, but the publication of the bills of mortality, is deemed injurious to business—and hence it is inexpedient. I doubt me much if this same suppression of important information be proper; for I believe some are snared by this quiet, to visit us—and never leave! This, however, is *sub rosa*.

The epidemic has confined itself, so far, pretty generally to the lower classes.—These are principally foreigners; and a traveller on the shell road, the one which leads from the city to the cemeteries and Lake Ponichartrain, is shocked at the number of hearses he meets hurrying to and from the Potttersfield—some with friends, but more alone! It is a sad thing to die here—any place else for me.

The prevalence of the cholera has killed all kinds of business and pleasure, and although the American and St. Charles theatres have kept open, yet they have both lost money. The American closes tomorrow evening, and the St. Charles a week after.

WM. H. HARRISON, a grandson of President Harrison, and well known in Cincinnati as a highly promising young man, who accompanied Col. Webb's California party on their way to the gold region, died of the cholera on the Rio Grande.

DR. MARTIN'S

Universal Purgative Pills,

A Remedy for all seasons, and sale at all times. The most superficial observer is aware that one great cause of disease is Costiveness, and that by the timely taking of a Purgative; the system is often restored to its usual health. By such a course, the lives of hundreds are saved, who would otherwise have fallen victims to disease. These pills remove all irritating matter in the bowels, and exciting the biliary functions to a healthy action. The press is teeming with the recommendations of purgative pills, gotton up by men who know nothing of the effects of medicine on the human system, and hence are endangering the lives of thousands, who are daily using them. In offering, therefore, these pills, we think we are doing a public benefit, as they are the prescription of a regular physician, who has used them in his practice for ten or fifteen years, and with great success.

Martin & Whiteley's

National Tonic,

A CERTAIN CURE FOR

Fever and Ague and Dyspeptia.

IN our Summer and Fall months many sections of our country are prostrated by this disease. It has been our particular study to find out some remedy to stop this truly dreadful scourge, and think by this TONIC we have effected the great object. It is also, we think the very best remedy in Dyspeptia, and if our directions are followed, will not fail to effect a cure. Read the pamphlets which you get from one of our agents, gratis, and we think you will be convinced we are right.

Read the following.

Baltimore, Jan. 11th, 1849.

Messrs. Martin & Whiteley:

Gents:—Having used your National Tonic for Dyspepsia, which has troubled me to a great extent for some years, I am pleased to say to you that it has cured me effectually. I had taken a good deal of medicine, hoping to be relieved, but nothing has done me any service till I took your Tonic.

DR. MARTIN'S Compound Syrup of Wild Cherry, is the best medicine for Coughs, Colds, Consumption, Asthma, Spitting of Blood etc. Read the following:

Dr. Martin—Dear Sir.

Having received such great relief from the use of your Compound Syrup of Wild Cherry, I have determined to send you a statement of my case as it was when I commenced the use of it. I had had for some weeks a violent cough, and was under the care of my family physician, the late Dr R. A. Durkee, whose experience in such matters no man ever doubted, yet my cough continued to increase, and I was so much reduced in flesh, I as well as my family became alarmed. In December last I called on you, as I knew you had for many years back attended my brother, the late Dr. Charles Tilden of Caroline county, Md., whose wife and two children and himself have since died of consumption. You seemed very doubtful of my case, as I thought and remarked you knew of nothing that would benefit me more than the free use of your "Syrup of Wild Cherry," if I would observe a rigid diet, such as laid down in your pamphlet on Consumption, which accompanies each bottle of the Syrup. Upon due reflection I at once commenced following your advice, and soon found a great change for the better, and in a few weeks I was enabled to attend to my business. My children have had violent colds, attended with a cough—such is my confidence in the Syrup I immediately resort to it, and always with success. Parents I think, should always keep it in their houses, as it will relieve the worst cough if taken in time. You can make use of this statement in any way you see proper. Yours respectfully,

THOS. E. TILDEN,
Merchant Tailor.

Read the pamplets, which you can obtain gratis of any of the Agents. Price 75 cents a bottle
