THIS medicine was prepared by a regular physician and is the result of an extensive practice of several years, in a bilious climate. It is entirely a vegetable preparation, and may be taken by any one with perfect safety to the most delicate constitution.

Numerous certificates from men of the highest respectability testifying to the great efficacy of this medicine can be seen on application to the undersigned.

The following extract is from the 'Farmer's and Emigrant's Hand Book,' a valuable work of about 500 pages, recently published by Messrs Appleton & Co., New York. In chapter 8, page 535, the author in speaking of Fever and Ague, remarks:

'There is a most admirable medicine sold in most of the Western cities which we in conscientiously recommend for FEVER and AGUE and other bilious diseases, it is the India Cholagogue which is prepared by Dr Osgood of New York, who has made the billious disorders of the West his special study. We are no friend to those medicines usually called patent, but we have had ample opportunity of knowing the invaluable effects of the Cholagogue, in billi us cases.'

Extract of a letter from Messrs Scattergood, Haverstick & Co., of Philadelphia;

Dr. C. Osgood,—Respected Friend,—We have had occasion to see the good effects of thy medicine, in the case of young man who had been troubled with chills a long time and could not get clear of them ut since he commenced taking a bottle of thy preparation has entirely recovered, and is now becoming quite stout.

Respectfully thy friends,
SCATTERGOOD & HAVERSTICK &Co

From Rev. Charles Reighley, Chaplain of the United States Army to the Agent at Detroit:

My Dear Sir—I feel not the slightest hesitancy in saying that I consider the Indian Cholagogue an invaluable medicine in billious affections. My reason is simply this,—I have used it. On my recommendation many others have used it; and I have yet to learn the instance in which it has failed to effect a cure.

Respectfully,
CHARLES REIGHLEY.

HIGHLY IMPORTANT

TO HOUSE-PAINTERS, HOUSE-KEEPERS, AND OTHERS.

Valuable Discovery in the Art of Painting

James Cuppuck, of Mount Holly, N. J has discovered a new process of preparing and mixing common white lead paint and all delicate colors, by which their liability to change and lose their color and lustre in the shade or dark is completely obviated.

It is a well known fact that white paint in parlors and other shut-up rooms, in passages and behind doors and shutters almost invariably assume a dirty, smoky yellow hue, soon after being applied, when excluded from the direct rays of light.

Every good painter must desire to remedy this acknowledged evil. This he may now easily and cheaply do, and be enabled to perform good work that will be useful and satisfactory to his customers, and thereby secure him increased patronage by embracing the present opportunity to avail himself of this desirable improvement in his art.

Please call at this office to examine certificates, &c. and to learn how the necessary information may be obtained.

GRAIN FANS.

☞ *WARNING TO THE AGRICULTURAL PART OF THE COMMUNITY.*—There are men hailing Wind Mills, or Grain Fans about trying to deceive the public by telling them they are the same as mine, and to some people they tell anything to effect a sale. I am, under great obligation to the Agricultural part of the community for the patronage bestowed on me for the last three years, in Nashville Co., Del., second to none for enterprise; and also to those of Cecil, Kent and Queen Annes and other counties in Maryland. Be cautious who you buy fans from, as there are some men making fans and using my invention without paying me for it. I have the Patent Right for the whole United States, and have never yet sold any Rights to any one. My Patent is dated at Washington D. C. March 20th. 1847.

I have made great improvements in my $5 000 Premium Grain fans, within the last 2 years, having put in an additional improvement so as to use 2 screens at once, and screen out all the cockle and cheat and leave the seed grain clear of all impurities.

All grain fans that are genuine have my name on them "J. Bamborough, Latest improved, Premium awarded 18 times, Letters; Patent March 28. 1847." Price $5500 on the directions I am making 300 this year in Elkton, Md.; also, in Lancaster city, and New Hope, Bucks county Pa. Orders sent to either of these places, will be thankfully received and punctually attended to. Wholesale or retail, different prices and sizes Patent rights for sale at reasonable rates I can give 4.500 recommendations if necessary, but I think a fair trial and they will recommend themselves.

Be cautious who you buy fans from; unless my name is on them I will hold the purchaser or the user responsible for my patent right. I am very much pleased to think my patent grain fans are justly spoken of, but I think the public had better be on their guard not to be deceived by imposters. Look and see if the fans have marked on them, "J. Bamborough, Latest Improved, Premium awarded 18 times, Letters patent, March 20th 1847." Eight premiums were awarded to me last fall, and 2 silver medals for the best grain fans. "A word to the wise is sufficient. JOHN BAMBOROUGH. Patentee.

N. B. My fans are painted blue this year, and they cannot be excelled by any others in the United States, to my knowledge, and I offer a premium of $15,000 if they are excelled satisfactorily. Patronise Home Industry. I have been 16 years in the business.

"We would sooner have one of J. Bamborough's combined, Patented, Latest improved Premium awarded 18 times and 2 silver medals, grain fans, than any other we ever saw or used. Recommendations similar to the above from thousands of persons in Del, Md, Pa, and N. J.

Orders sent for fans will be attended to and they will be delivered 200 miles and upwards. Wholesale and Retail by J. Bamborough, Patentee.

SHERIFF & COLLECTORS Notice.

THE undersigned, Late Sheriff and Collector Kent County, having recently received from the Executive a demand for a large sum of *MONEY* to aid in paying the State debt, takes this method of notifying all who are in arrears for to come forward and settle their claims by the first of

AUGUST.

As the State must be paid, promptly, and will take no excuse—the subscriber will be under the necessity of closing his BOOKS in justice to himself. He will therefore give orders to his deputies to close their BOOKS according to Law, and to commence doing so without distinction as to persons on the first day of AUGUST next. As indulgence beyond that time cannot be given or expected, he hopes that all who are in arrears will come forward and liquidate their accounts as soon as possible.

SWAYNES CELEBRATED VERMIFUGE,

"A safe and effectual remedy for Worms Dyspepsia, Cholera Morbus, sickly or Dyspeptic children or adults, and the most useful Family Medicine ever offered to the public."

THIS REMEDY is one which has proved successful for a long time, and it is universally acknowledged by all who have tried it to be far superior (being so very pleasant to the taste, and at the same time effectual) to any other medicine ever employed in diseases for which it is recommended. It not only destroys worms, but invigorates the whole system. It is harmless in its effects, and the health of the patient is always improved by its use, even when no worms are discovered.—*DR. SWAYNE'S VERMIFUGE* has met with a degree of favor from the public, which has perhaps never before been accorded to any medicine. It needs no recommendation wherever it is known.—to the fond mother, bending in sleepless anxiety over her wasting child, it will carry relief, joy and thankfulness; to all who are suffering from the diseases for which it is prepared, it offers a speedy restoration to health.

Beware of Imposition.

SWAYNE'S VERMIFUGE is in square bottles (being recently changed to prevent counterfeits, also to pack to a better advantage) with the following words blown in the glass: "DR. H. SWAYNE'S VERMIFUGE, Philada," also enveloped in a beautiful portrait on each side of the bottle, without which none is genuine.—This article is so pleasant to the taste that both children and adults are universally fond of it.

CLEANSE AND PURIFY.

DR. SWAYNE'S SARSAPA. AND EXT. TAR PILLS are a mild and gentle purgative, unsurpassed by any medicine for removing the bile, cleansing the stomach, and effectually purifying the blood.

LET IT BE REMEMBERED,

That in this preparation are strongly concentrated all the medicinal properties of Sarsaparilla and Extract of Tar, compounded with other valuable "*Vegetable Extracts*," the whole strength of which is extracted on an entirely new principle.—Unlike all other Pills, these neither grape produce nausea, or any other unpleasant sensation, while they are as powerful as it is possible for a medicine to be and be harmless. It purifies, cleanses, and strengthens the fountain springs of life; and infuses new vigor throughout the whole human frame.

The above valuable Medicines are prepared only by DR. SWAYNE, N. W. corner of *EIGHTH and RACE Streets*, Philadelphia, to whom all orders should be addressed.
