DR. MARTIN'S
Universal Purgative Pills,

A Remedy for all seasons, and safe at all times. The most snperficial observer is aware that ane great cause of disease is Costiveness, and that by the timely taking of a Purgative; the system is often restored to its usual health. By such a course, the lives of hundreds are saved, who would otherwise have fallen victims to disease. These pills remove all irritating matter in the bowels, and exciting the biliary functions to a healthy action. The press is teeming with the recommendations of purgative pills, gotton up by men who know nothing of the effects of medicine on the human system, and hence are endangering the lives of thousands, who are daily using them. In offering, therefore, these pills, we think we are doing a public benefit, as they are the prescription of a regular physician, who has used them in his practice for ten or fifteen years, and with great success.

Martin & Whiteley's
National Tonic,

A CERTAIN CURE FOR
Fever and Ague and Dyspeptia.

IN our Summer and Fall months many sections of our country are prostrated by this disease. It has been our particular study to find out some remedy to stop this truly dreadful scourge, and think by this TONIC we have effected the great object. It is also, we think the very best remedy in Dyspeptia, and if our directions are followed, will not fail to effect a cure. Read the pamphlets which you get from one of our agents, gratis, and we think you will be convinced we are right.

Read the following.

Baltimore, Jan. 11th, 1849.

Messrs. Martin & Whiteley:

Gents:—Having used your National Tonic for Dyspepsia, which has troubled me to a great extent for some years, I am pleased to say to you that it has cured me effectually. I had taken a good deal of medicine, hoping to be relieved, but nothing has done me any service till I took your Tonic.

DR. MARTIN'S Compound Syrup of Wild Cherry, is the best medicine for Coughs, Colds, Consumption, Asthma, Spitting of Blood etc. Read the following:

Dr. Martin—Dear Sir:

Having received such great relief from the use of your Compound Syrup of Wild Cherry, I have determined to send you a statement of my case as it was when I commenced the use of it. I had had for some weeks a violent cough, and was under the care of my family physician, the late Dr. R. A. Durkee, whose experience in such matters no man ever doubted, yet my cough continued to increase, and I was so much reduced in flesh, I as well as my family became alarmed. In Decemcer last I called on you, as I knew you had for many years back attended my brother, the late Dr. Charles Tilden o Caroline county, Md., whose wife and two children and himself have since died of consumption. You seemed very doubtful of my case, as I thought and remarked you knew of nothing that would benefit me more than the free use of your "Syrup of Wild Cherry," in I would observe a rigid diet, such as laid down in your pamphlet on Consumption, which accompanies each bottle of the Syrup. Upon due reflection I at once commenced following your advice, and soon found a grea change for the better, and in a few weeks I was enabled to attend to my business. My children have had violent colds, attended with a cough—such is my confidence in the Syrup I immediately resort to it, and always with success. Parents I think, should always keep it in their houses, as it will relieve the worst cough if taken in time. You can make use of this statement in any way you see proper. Yours respectfully,

THOS. E. TILDEN,
Merchant Tailor.

Read the pamplets, which you can obtain gratis of any of the Agents. Price 75 cents bottle.

Prepared and sold by Martin and Whitely, No. 48 S. Calvert st. Baltimore.

THE above Medicine is sold by JNO. L. STAM, Chester Town; Armstrong & Son, Georgetown X Roads, and other agents in the county.

THE NIAGARA SHOWER-BATH
AN ENTIRELY NEW ARTICLE FOR SHOWER BATHING,
With old or Warm Water.

A great and important improvement is made in this Shower Bath over all others, by throwing the water immediately on the body without wetting the head unless at the will of pleasure of the bather; but greater point is gained by being enabled to bathe with warm water, which no other Shower Bath is adapted to—and most important of all, the Bathcan be medicated without injury to the hair.

Many persons cannot take a cold bath—their case is met in this, as they can regulate the temperature of the water to suit their wish and commence bathing at any season of the year without any unpleasant result. Ladies can have the advantage of bathing without wetting the head or covering the same.

The arrangements are simple and complete, and not liable to get out of order.—The Bath can be adjusted to suit any height, from a small child to the tallest person. When the door is closed, the fixtures are hid and the outside appearance is that of a neat piece of furniture.

They have received the approbation of several midical gentlemen—others are requested to call and examine them.

BATHING Read What Armstrong says:
Donot omit ye who would health secure,
That daily fresh ablution, that shall clear
The sluices of the skinn, enough to keep
The body sacred from indecent soil.
Still to be pure, even if it did not conduce
(As much as it does) to health, very greatly worth,
You daily pairs: 'tis this adorns the rich;
The want of this is poverty's worst foe
With this external virtue, age maintains.
A decent grace; without it, youth and charms
Are loathsome." Aug. 26
